TOWN AND COUNTRY PLANNING ACTS

KENNET DISTRICT COUNCIL

PLANNING (LISTED BUILDINGS AND CONSERVATION AREAS) ACT 1990

Conservation Area at Ludgershall

Notice is hereby given that in pursuance of powers conferred by section 69 of the above Act Kennet District Council has amended the boundary of the designated Conservation Area at Ludgershall by encompassing various additional parcels of land including Prince of Wales House and the area immediately north of the Castle which are areas regarded as being of architectural or historic interest which it is desirable to preserve and enhance.

A plan showing the boundaries of the designated area is available for inspection during normal office hours at the Planning and Environmental Services Department, Browfort, Devizes SN10 2AT. Please note that it is necessary to obtain Conservation Area Consent from the Council to demolish any building, or part of a building, with certain minor exceptions, which is situated within any Conservation Area. It is an offence to carry out demolition without the necessary Consent having first been obtained.

It should be also noted that any person wishing to cut down, top, lop, or uproot any tree must give the Council 6 weeks' notice of his intention to do so.

Furthermore, whereas certain minor developments may be carried out without planning permission, in a Conservation Area the extent of development allowed by the Town and Country Planning General Development Order is less than generally available. Any person wishing to carry out development in a Conservation Area is therefore strongly urged to contact the Council to ascertain if permission is required.

P. L. Owens, Chief Executive
