*Extension of Conservation Areas*

Notice is hereby given in pursuance of section 69 of the Planning (Listed Buildings and Conservation Areas) Act, 1990 ("the 1990 Act") that the Council of the London Borough of Richmond upon Thames, as Local Planning Authority, has extended the following Conservation Areas:

*Hampton Wick Conservation Area No. 60*

*Crown Road and Twickenham Park Conservation Area No 49*

The consequences of the designation of an area as a Conservation area are that:

(c) Exempted buildings are listed buildings (which cannot be demolished without consent in any event) as defined by the 1990 Act, excepted buildings within the meaning of section 60 of the 1990 Act, and buildings in relation to which a direction under section 75 of the 1990 Act, is for the time being in force. The exemption of certain categories of buildings from control of demolition under section 75 of the 1990 Act, does not affect the provisions of other legislation controlling demolition of such buildings).

(An application for consent to the demolition of a building (other than an exempted building) in a conservation area shall be made to the Council as a separate application and not as part of an application for planning permission to redevelop the site of the building).

(d) Pursuant to section 211 of the Town and Country Planning Act, 1990, any person who cuts down, tops, lops, uproots, wilfully damages or wilfully destroys any tree in a conservation area or authorises such action, without the Council's specific consent will become liable to prosecution and the owner will become liable to replant a tree of appropriate size and species, unless at least six weeks notice of such notice has been given to the Council.
