OFFICE OF TELECOMMUNICATIONS (OFTEL)

PROPOSED MODIFICATIONS TO VARIOUS LICENCES

Notice of Proposed Modification of the Licences of Energis Communications Limited, MFS Communications Limited, Scottish Power Telecommunications Limited, Vodafone Limited, Videotron City & Westminster Limited, ACC Long Distance UK Limited.

The Director General of Telecommunications (the "Director") in accordance with section 12(2) of the Telecommunications Act 1984 (the "Act") hereby gives notice that he proposes to make modifications of the licences granted to:

ENERGIS COMMUNICATIONS LIMITED,
on 24th May 1993,

MFS COMMUNICATIONS LIMITED,
on 24th September 1993,

SCOTTISHPOWER TELECOMMUNICATIONS LIMITED,
on 24th September 1993,

VODAFONE LIMITED,
on 9th December 1993,

VIDEOTRON CITY & WESTMINSTER LIMITED,
on 3rd March 1994,

ACC LONG DISTANCE UK LIMITED,
on 25th September 1992.

The proposed modifications would introduce into these licences a condition entitled *Maintenance of effective competition where the Licensee has an international connection authorisation in a designated country* and supporting disclosure requirements.

The effect of the proposed modification is to empower the Director to require remedial action to be taken, where the Licensee is authorised in the UK by his licence to provide International Simple Resale ("ISR") Services and also operates a telecommunication system in another country which is authorised to be connected to one in the UK, and the Licensee is acting, or failing to act, in such a way as to restrict, distort, or prevent competition in the United Kingdom.

This standard condition was not included in ISR licences until some time after IST was first permitted in the UK. The above-mentioned licences are among those which do not currently contain such a condition. It is important that where such Licensees are also seeking international facilities licences, they should be subject to an equal regulatory regime. The Director therefore proposes to make the modification described above in order to put these Licensees on the same footing as other licences in this respect.

The Director is required by section 12(2) of the Act to consider any representations or objections which are duly made and not withdrawn. Following such consideration and the consent of the Licensees to the modifications, the Director proposes to make the modifications forthwith.

Representations on or objections to the proposed modifications and comments on such representations or objections may be made to Rosemary Buck, OFTEL, 50 Ludgate Hill, London EC4M 7JJ, by Friday, 15th November 1996. (Tel. 0171-634 8822). Thereafter, in a second stage of the consultation process comments, on such representations or objections may also be made, by Monday, 2nd December 1996. Any confidential material should be clearly marked as such and separated out into a confidential annex. All responses except for confidential material will be made available for inspection in OFTEL's library. OFTEL encourages interested parties to place the non-confidential parts of their responses on their own Internet pages, in addition to sending OFTEL a hard copy.

Copies of the proposed modifications can be obtained by telephoning OFTEL, on 0171-634 8822. (1 SI)
