TOWN AND COUNTRY PLANNING ACTS

WEST WILTSHIRE DISTRICT COUNCIL

PLANNING (LISTED BUILDINGS AND CONSERVATION AREAS) ACT 1990

Extension to Trowbridge Conservation Area

Notice is hereby given that the West Wiltshire District Council, in pursuance of its powers under sections 69 and 70 of the Planning (Listed Buildings and Conservation Areas) Act 1990, has extended the above Conservation Area to include the area of Broad Street, Upper Broad Street, The Conigre, British Row and Adcroft Street. The area has been so designated because the Council considers it to be of Special Architectural and Historic Interest, the character of which it is desirable to preserve or enhance. The main effects of designation are that within the Conservation Area the demolition of certain buildings is brought within listed building control; any person proposing to do work on trees in the area is required to give 6 weeks' prior notification to the Local Planning Authority of his intention, unless the trees are already protected by a Tree Preservation Order, in which case an application for consent will be required; the Council comes under a duty to formulate and publish proposals for the preservation and enhancement of the area; and planning applications for development which would, in the opinion of the Local Planning Authority, affect the character or appearance of the Conservation Area must be given publicity and representations in consequence taken into account in determining the application.

A copy of the plan showing the extent of the Conservation Area may be inspected by the public at West Wiltshire District Council Offices, Bradley Road, Trowbridge, Wiltshire, during normal office hours.
