Electricity

Yorkshire Electricity Group plc

Seeboard plc

NOTICE UNDER SECTION 11(2) OF THE ELECTRICITY ACT 1989

The Director General of Electricity Supply ("the Director") hereby gives notice, pursuant to section 11(2) of the Electricity Act 1989 ("the Act"), as follows:

The Director proposes to modify the conditions of the electricity supply licences granted to Yorkshire Electricity Group plc (registered in England and Wales under number 2366995) and SEEBOARD plc (registered in England and Wales under number 2366867) ("the Licensees") under sections 6(1)(c) and 6(2) of the Act. He proposes to modify these conditions because of the merger of the respective parent companies of the Licensees and to give effect to the assurances given by the Licensees in relation to that merger.

1. The Director proposes to modify the licence granted to each of the Licensees under section 6(1)(c) of the Act by amending existing conditions and introducing new conditions to have the following effect:

- (a) To require each Licensee to conduct its distribution business so as to facilitate competition in the generation of electricity and in the supply of electricity within its authorised area;
- (b) To require that each Licensee's generation business shall be carried on by an affiliate in which the Licensee has no shareholding interest; and
- (c) To remove each Licensee's generation business from the category of "permitted purposes" for which the Licensee may provide investment, security or financial support.

2. In the case of SEEBOARD plc, the Director proposes to re-order the conditions of the licence granted under section 6(1)(c) of the Act by separating the conditions into those applicable respectively to the supply business and the distribution business and those applicable to both.

3. The Director proposes to modify the conditions of the electricity supply licences granted for England and Wales to each of the Licensees under section 6(2) of the Act by introducing a new condition to prohibit each Licensee from supplying or offering to supply electricity to customers in the authorised area of the other Licensee, other than those with whom it has entered into contracts to supply electricity prior to the date on which the condition comes into force.

A copy of the proposed modifications can be obtained, free of charge, from the Office of Gas and Electricity Markets ("Ofgem"), Stockley House, 130 Wilton Road, London SW1V 1LQ, and will be available also on the Ofgem website (www.ofgem.gov.uk) for a period of 28 days from the date of this notice. Any representations or objections to the proposed modifications may be made on or before Monday, 21st August 2000 to Ofgem at the address stated above, marked for the attention of Maria Bottomley.

J. Neilson, Deputy Director General, authorised on behalf of the Director General of Electricity Supply.

21st July 2000.
