The usual exemptions relating to vehicles displaying a disabled person's badge apply.

Existing waiting and loading restrictions are suspended where they conflict with these prohibitions.

The general effect of the Islington (Gillespie Traffic Scheme) (Parking Places) (Amendment No. 1) Experimental Traffic Order is to:

Reduce the size of the Gillespie CPZ to exclude the area now covered by zone H in (2) above.

This means that permits obtained for the Gillespie CPZ may now only be used in that part of the Gillespie CPZ that lies outside the streets of zone H in (2) above. (Residents of zone H cannot now obtain "Gillespie" permits for use outside zone H, but have the availability of either zone H permits or special Match day permits).

The Orders have provided that, in pursuance of section 10(2) of the Road Traffic Regulation Act 1984, the Head of Planning and Transportation or some person authorised on his or her behalf, may, if it appears to that person essential in the interests of the expeditious, convenient and safe movement of traffic or for preserving or improving the amenities of the area through which any road affected by this Order runs, modify or suspend the Order or any provision thereof.

A copy of the Orders, which will come into operation on 16th July 2001, together with drawings showing the lengths of the streets affected, the statement of reasons for making the Orders and copies of the Orders suspended can be inspected, during normal office hours, at the offices of the undersigned until the expiration of the experiment.

Any person desiring to question the validity of the Order or of any provision contained therein on the grounds that it is not within the relevant powers of the Road Traffic Regulation Act 1984, or that any of the relevant requirements thereof or of any regulations thereunder have not been complied with may, within 6 weeks of the date that the Order was made, make an application for the purpose to the High Court.

If the provisions of the Order continue in operation for a period of not less than 6 months, the London Borough of Islington shall consider in due course whether the provisions of the Orders should be reproduced and continued in force indefinitely by means of Orders under the said Act of 1984. Any person wishing to object to the reproduction and continuation must write, stating the grounds of the objection, within six months of the date of commencement or the date of modification, should any modification be made, whichever is the later, to Graham Loveland, Head of Planning and Transportation, The London Borough of Islington, 222 Upper Street, London N1 1YA, quoting Ref.
