The Order will come into force on 1 February 2002, and will continue in force for up to 18 months.

The general nature and effect of the Order will be:

(a) to suspend the existing prohibition on all vehicles using Larkhall Rise as a through route and to prohibit vehicles exceeding 7 feet in width and vehicles the maximum gross weight of which exceed 3 tonnes, from using Larkhall Rise as a through route instead (consequently the existing barriers in Larkhall Rise by the railway bridge will be modified); and

(b) to impose one-way working for vehicles in that length of Larkhall Rise which lies between Edgeley Road and the south-western boundary of No 63 Larkhall Rise. (This one-way working will not apply to pedal cycles using the contra-flow cycle lane to be provided in this length of Larkhall Rise and all vehicles, other than pedal cycles, will be prohibited from using the cycle lane.)

If you have any enquiries about this matter, please telephone Lambeth Borough Council's Transport and Highways Group on 020-7926 2208. The Council will be considering in due course whether the provisions of the experimental Order should be continued in force indefinitely by means of an Order made under section 6 of the Road Traffic Regulation Act 1984. Any person may object to the making of the Order for the purpose of such indefinite continuation within a period of 6 months beginning with the day on which the experimental Order comes into force or, if the Order is varied by another Order or modified pursuant to section 10(2) of the 1984 Act, beginning with the day on which the variation or modification or the latest variation or modification came into force.
