### UNIVERSITY OF OXFORD

#### PUBLIC PROCUREMENT

On the basis of its accounts, forecasts and other financial information, the University of Oxford has calculated that less than half of its income for the budgetary year 1 August 2002 to 31 July 2003 will be public funding derived from public sources. Consequently the University of Oxford will not be a "contracting authority" for the purposes of the European Council Public Procurement Directives 92/50, 93/36 and 93/37 during that budgetary year. Procurement contracts awarded during the year will not therefore fall within the scope of the Directives. (862)
