Electricity

Riverside Resource Recovery Ltd

NOTICE OF VARIATION OF APPLICATION FOR CONSENT TO CONSTRUCT AND OPERATE AN ENERGY FROM WASTE PLANT OF APPROXIMATELY 72MW AT NORMAN ROAD, BELVEDERE, KENT AND OF SUBMISSION OF CONSOLIDATED ENVIRONMENTAL INFORMATION

Notice is hereby given that Riverside Resource Recovery Ltd has submitted a variation of its application under section 36 of the Electricity Act 1989 for the consent of the Secretary of State for Trade and Industry to construct and operate an energy from waste plant of approximately 72MW at Norman Road, Belvedere, Kent and a direction under section 90(2) of the Town and Country Planning Act 1990 that planning permission for the development be deemed to be granted.

There are two principal purposes of the variation and update. First they respond to representations made by consultees and other interested parties. Second they address the material changes made to policy and other material aspects since the submission of the application and Environmental Statement in 1999.

The principal variations are as follows:

1. a reduction and re-orientation of the main building's footprint, with corresponding changes to the site layout;
2. a redesign of the architectural treatment of the main building;
3. improvements to the site access and Norman Road;
4. the provision of a hardstanding area for ash container storage purposes as a result of the withdrawal of the ash recycling facility;
5. minor alterations to the jetty alignment and design; and
6. revised landscaping and ecological proposals.

The principal updates to the Environmental Statement are to address the following:

1. the environmental impacts arising from the variations to the application as noted above;
2. new policy statements contained in Waste Strategy 2000, Planning Policy Guidance (PPG) 10, Regional Planning Guidance Note (RPG) 9, the Mayor's Draft Spatial Development Strategy and Draft Waste Strategy for London and the Bexley Unitary Development Plan (UDP) Second Deposit Draft;
3. new waste statistics available in the Environment Agency's Strategic Waste Management Assessments;
4. the award by Western Riverside Waste Authority to Cory Environmental Ltd of its integrated waste management contract until 2032;
5. further assessment of the need for the proposed development and assessment of Best Practicable Environmental Option following greater emphasis on these issues in Waste Strategy and PPG 10;
6. other new developments in the vicinity of the application site;
7. the availability of alternative sites; and
8. ecological surveys, including a winter bird survey.

RRRL is putting this variation and update forward with a consolidated Environmental Statement such that interested parties need only look at

a single document rather than a collection of previously submitted documentation.

Copies of the variation with plans showing the buildings and land to which it relates, together with the consolidated Environmental Statement, are available for inspection during normal opening hours at the following addresses:

Bexley Council, Wincham House, 207 Longlands Road, Sidcup, Kent DA15 7JH and at the following public libraries:

Blackfen Library
Bostall Library
Central Library Local Studies and Archive Centre
Crayford Library

In addition, copies of the variation and the consolidating Environmental Statement may be obtained by writing to RRRL at PO Box 51, Bexleyheath, Kent DA16 1ZN or by e-mailing to enquiries@rrrl.co.uk. The text of the consolidated Environmental Statement is available on RRRL's website at www.rrrl.co.uk and complete copies of the Statement (with drawings and illustrations) are available for purchase at a cost of £125, although the Non-technical Summary is available free of charge. You can also contact RRRL by phoning the Wasteline number: 0845 6000168.

Any objections or representations should be made in writing to the Secretary of State for Trade and Industry, Energy Policy Directorate, Bay 173, 1 Victoria Street, London SW1H 0ET, stating the name of the plant and the ground of objection, not later than 19 September 2002.
