#### **VARIATION OF CONSERVATION AREA BOUNDARIES**

Notice is hereby given that the South Hams District Council determined to vary the boundaries of the Conservation Areas at Ashprington (on 20 December 2001) and at Berry Pomeroy, Cornworthy and Modbury (on 19 June 2002). These variations were made in the context of preparing Character Appraisals for each Area, and their formal adoption by the Council as Supplementary Planning Guidance.

The variations comprise (a) minor adjustments to take account of actual changes to property boundaries since each Area was originally designated (their purpose is to up-date the definition of the boundaries by bringing them into line with current Ordnance Survey Plans), and (b) other adjustments resulting from the boundary reviews carried out as part of the Appraisals. These affect two of the Areas and comprise an extension at Ashprington (to include the full width of the lane alongside Holly Villas and the hedge-bank on the opposite side); an extension at Cornworthy (to include fields immediately east of the Church and Cornworthy Court and the property known as "Beers Barn"), and a reduction at Cornworthy (to exclude the two new properties called "Two Hoots" and "Willowbank" at the west end of the Area).

The new boundaries superseded the previous boundaries on the dates referred to above, and are shown on the plans included in the Conservation Area Appraisal documents. These have been delivered to all properties in the Conservation Areas but are otherwise available for inspection at, or purchase from, the reception of the Environment and Development Services Group at Follaton House, Plymouth Road, Totnes, Devon, during normal office hours.
