**LEEDS SUPERTRAM ACT 1993****LEEDS SUPERTRAM (EXTENSION) ORDER 2001****LEEDS SUPERTRAM (LAND ACQUISITION AND ROAD WORKS) ORDER 2001**

By the Leeds Supertram Act 1993, the Leeds Supertram (Extension) Order 2001, and the Leeds Supertram (Land Acquisition and Road Works) Order 2001 ("the Orders"), the West Yorkshire Passenger Transport Executive ("the Executive") is authorised to acquire land for the Leeds Supertram Project and has executed General Vesting Declarations that will have the effect of transferring the land specified in the Schedule to the Executive.

In relation to the Executive's execution of General Vesting Declarations, attention is drawn to the Form of Notice specifying land and stating effect of general vesting declarations set out below:

**Form of Notice specifying land and stating effect of general vesting declarations**

To all those mentioned in the Schedule

Notice is hereby given that the Executive on 28 July 2003 made general vesting declarations under section 4 of the Compulsory Purchase (Vesting Declarations) Act 1981 ("the Act") vesting the land described in the Schedule to this notice ("the land") in themselves as from the end of the period of 28 days from the date on which the service of the notices required by section 6 of the Act is completed.

The Executive will in due course tell you the date on which the service of the notices was completed.

The effect of the general vesting declarations is as follows:

On the first day after the end of the period referred to in the first paragraph of this notice ("the vesting date") the land, together with the right to enter upon and take possession of it, will vest in the Executive. Also, on the vesting date the Acts providing for compensation will apply as if, on the date on which the general vesting declaration was made (namely, 28 July 2003), a notice to treat had been served on every person on whom the Executive could have served such a notice (other than any person entitled to an interest in the land in respect of which such a notice had actually been served before the vesting date and any person entitled to a "minor tenancy") or a "long tenancy which is about to expire". These expressions are defined in Appendix A to this notice).

If the land includes any land in which there is a minor tenancy or a long tenancy which is about to expire, the right of entry will not be exercisable in respect of that land unless, after serving a notice to treat in respect of that tenancy, the Executive having served on every occupier of any of the land in which the tenancy subsists a notice stating that, at the end of a specified period (at least 14 days from the date of the service of the notice) they intend to enter upon and take possession of the land specified in the notice, and that period has expired; the vesting of the land will then be subject to the tenancy until that period expires, or the tenancy comes to an end, whichever happens first.

The Orders contain supplementary provisions as to general vesting declarations replacing those in section 8(1) of the Compulsory Purchase Act 1965. These provisions are set out in Appendix B to this notice.

Copies of the general vesting declarations to which this notice refers and of the plans annexed to the declarations can be inspected at Leeds Supertram, Phoenix House, 3 South Parade, Leeds LS1 5QX (telephone 0113 384 8484) and may be seen at all reasonable hours.

period still to run which is not more than the specified period (that is to say, such period, longer than one year, as may be for the purposes of this definition be specified in the declaration in relation to the land in which the tenancy subsists).

In determining what period a tenancy still has to run on the vesting date it shall be assumed:

- (a) that the tenant will exercise any option to renew the tenancy, and will not exercise any option to terminate the tenancy, then or thereafter available to him;
- (b) that the landlord will exercise any option to terminate the tenancy then or thereafter available to him.

"minor tenancy" means a tenancy for a year or from year to year, or any lesser interest.

#### APPENDIX B

##### *Dividend Land*

(1) This article shall apply in any case where:

- (a) a notice of general vesting declaration is served on a period ("the owner") under the Compulsory Purchase Act 1965 in respect of land forming only part of a house, building or factory or of land consisting of a house with a park or garden ("the land subject to the notice to treat"); and
- (b) a copy of this article is served on the owner with the notice of general vesting declaration.

(2) In such a case, the owner may, within the period of 21 days beginning with the day on which the notice were served, serve on the Executive a counter-notice objecting to the sale of the land subject to the general vesting declaration and stating that he is willing and able to sell the whole ("the land subject to the counter-notice").

(3) If no such counter-notice is served within that period, the owner shall be required to sell the land subject to the general vesting declaration.

(4) If such a counter-notice is served within that period, the question whether the owner shall be required to sell only the land subject to the general vesting declaration shall, unless the Executive agrees to take the land subject to the counter-notice, be referred to the tribunal.

(5) If on such a reference the tribunal determines that the land subject to the general vesting declaration can be taken:

- (a) without material detriment to the remainder of the land subject to the counter-notice; or
- (b) in the case of part of land consisting of a house with a park or garden, without material detriment to the remainder of the land subject to the counter-notice and without seriously affecting the amenity and convenience of the house;

the owner shall be required to sell the land subject to the general vesting declaration.

(6) If on such a reference the tribunal determine that only part of the land subject to the general vesting declaration can be taken:

- (a) without material detriment to the remainder of the land subject to the counter-notice; or
- (b) in the case of part of land consisting of a house with a park or garden, without material detriment to the remainder of the land subject to the counter-notice and without seriously affecting the amenity and convenience of the house;

the general vesting declaration shall be deemed to be a general vesting declaration for that part.

(7) If on such a reference the tribunal determine that:

- (a) the land subject to the general vesting declaration cannot be taken without material detriment to the remainder of the land subject to the counter-notice; but
- (b) the material detriment is confined to a part of the land subject to the counter notice;

the general vesting declaration shall be deemed to be a general vesting declaration for the land to which the material detriment is confined in addition to the land already subject to the general vesting declaration, whether or not the additional land is land which the Executive is authorised to acquire compulsorily under the Orders.

(8) If the Executive agrees to take the land subject to the counter-notice, or if the tribunal determine that:

- (a) none of the land subject to the general vesting declaration can be taken without material detriment to the remainder of the land subject to the counter-notice or, as the case may be, without material detriment to the remainder of the land subject to the counter-notice and without seriously affecting the amenity and convenience of the house; and
- (b) that the material detriment is not confined to a part of the land subject to the counter-notice;

the general vesting declaration shall be deemed to be a general vesting declaration for the land subject to the counter-notice whether or not the whole of that land is land which the Executive is authorised to acquire compulsorily under the Orders.

(9) In any case where by virtue of a determination by the tribunal under this article a general vesting declaration is deemed to be a general vesting declaration for less land or more land than that specified in the notice, the Executive may, within the period of 6 weeks beginning with the day on which the determination is made, withdraw the general vesting declaration; and if it does so it shall pay the owner compensation for any loss of expense occasioned to him by the giving and withdrawal of the notice, to be determined in case of dispute by the tribunal.

(10) Where the owner is required under this article to sell only part of a house, building or factory or of land consisting of a house with a park or garden, the Executive shall pay him compensation for any loss sustained by him due to the severance of that part in addition to the value of the interest acquired.
