THE HARROW (WAITING AND LOADING RESTRICTION) (AMENDMENT) TRAFFIC ORDER

THE HARROW (PARKING PLACES) (AMENDMENT) TRAFFIC ORDER

HARROW TOWN CENTRE

PROPOSED EXTENSIONS TO CONTROLLED ZONES F AND S

1. Notice is hereby given that Harrow Council propose to make the above mentioned Orders under sections 6, 7, 45, 46, 124 and Part IV of Schedule 9 to the Road Traffic Regulation Act 1985 as amended by the Local Government Act 1984 as amended by the Local Government Act 1985 and all other enabling powers.

2. The general effect of the above Orders would be to extend Zones F and S in Harrow Town Centre. The main extension is to Zone S which is proposed to extend up to the Zone F boundary. The northern end of Francis Road would be included in Zone F and the southern end would be in Zone S. Zone F operates from Monday to Saturday 8.30 am to 6.30 pm and Zone S operates Monday to Friday 11.00 am to 12.00 noon. The Roads affected are listed in Schedules 1A (Zone F) and 1B (Zone S) to this notice. In roads adjacent to the boundary between the two zones it is proposed to provide resident bays where permit holders from either zone would be permitted to park. These roads are shown in Schedule 2 to this notice. The Council is considering the provision of business permits and some initial alterations have been made to the Parking Places Order to allow this, subject to any local consultation for any existing or proposed zone. There are no proposals to include business permits with this proposal as this is a residential area only.

3. The general effect of the (Waiting and Loading Restriction) (Amendment) Traffic Order would be further to amend the Harrow (Waiting and Loading Restriction) Traffic Order 1978, so that within each of the zones waiting restrictions would generally be in operation during the above zone times. Where the waiting restrictions apply for times different from zone time these restrictions are shown in Schedules 3A and 3B to this Notice between the times specified waiting by vehicles (otherwise than for the purposes of delivering or collecting goods or loading or unloading a vehicle) would be prohibited.

4. The prohibitions referred to in paragraph 3 above would not apply in respect of anything done at the direction of a police constable in uniform or with the permission of a parking attendant or other person authorised by the Council or in certain circumstances, e.g., the picking up or setting down of passengers; the carrying out of statutory powers or duties; etc. The usual exemption relating to vehicles lawfully displaying a disabled person's "Blue Badge" would apply.

5. The general effect of the Parking Places (Amendment) Order would be to provide resident parking places in the proposed zone extensions. The Roads where resident parking is proposed are listed in Schedules 4A and 4B to this notice and the roads where residents can purchase resident and resident visitor permits are listed in Schedules 5A and 5B. The charges for both zones are listed in Schedules 6A and 6B to this Notice. 6. A copy of the proposed Orders, The Harrow (Waiting and Loading Restriction) Order 1978 and the Harrow (Parking Places) Traffic Order 2000 (and of the Orders which have previously amended those Orders) and documents giving more detailed particulars of the Order are available for inspection during normal office hours on Mondays to Fridays inclusive until the expiration of a period of 28 days from the date on which this notice is published in the Urban Living Information Centre at the address below. Further information can be obtained by telephoning the project officer, Stephen Freeman on 020 8424 1437.

7. All objections and other representations relating to the proposed Orders must be made in writing and sent to the Transportation Manager, Urban Living at the address given below quoting Ref BD2003-13/92.05/37 not later than the date specified in paragraph 6 to this Notice. SALMON AND SEA TROUT NETTING BYELAWS (USE OF NETS) 2003

Notice is hereby given that, under the provisions of section 25 of, and Schedule 2 to, the Salmon and Freshwater Fisheries Act 1975, the Environment Agency Wales intends to apply after 6 February 2004 to the Minister for Environment, Planning and Countryside in Wales and the Fisheries Minister at the Department of the Environment, Food and Rural Affairs in England for confirmation of Byelaws made under the Water Resources Act 1991 as amended by the Environment Act 1995 to effect the following changes to the Byelaws governing the use of nets for fishing for salmon and sea trout:

1. **Clarification of the manner of use of certain instruments used in net fisheries:** It will become an offence for a draft or seine net to be shot (or partially shot) but not retrieved without delay or otherwise be left to hang in the water (ie acting as a barrier rather than an encircling net).

2. **Restriction on the maximum length of head rope attached to draft nets:** The combined length of ropes (including the head ropes) that are attached to the ends of the net will be limited to a total length of 100 metres.

4. **Clarification of the terminology relating to net construction:** Part of the current byelaws relating to the prohibition of monofilament and monoplotted nets will be clarified. Where monofilament is used in nets, strands of monofilament must either be twisted together to form two or more multifilaments which are then plied together, or combined into three or more multifilaments which are then braided together.

Crichel Down Rules: provisional decision
as to disposal of land to Former Owners

The Department for Environment, Food and Rural Affairs (Defra) is proposing to dispose of the former Horticulture Research International Research Establishment at Efford, Hampshire. The Government has a policy (known as "the Crichel Down Rules") as to whether or not land should be offered back to former owners, depending on the circumstances. Consideration of the application of the "Crichel Down Rules" to the land at Efford has led Defra to the provisional view that the Rules may not require it to offer land back to some or all of the former owners.

The original Former Owners of the land (formerly part of Efford Farm, and conveyed to the Department by various conveyances in 1951) are Reginald Cedric Boustead, Dorothea Joyce Boustead and Mervyn Cedric Hugh Boustead, all formerly of Efford Farm, Lymington, Hampshire.

If the former owners, or their successors, wish to comment on the provisional view reached by Defra concerning its proposed disposal, or wish to register their provisional interest in acquiring offer-back land, they should do so, either in person or through their Solicitors, in writing within 2 months of the date of this notice to Defra's Solicitors, Just Paddock, 15 Vine Farm Close, Talbot Village, Poole, Dorset BH12 5EL. Successors to Former Owners should state their relationship to the original owner.

If the former owners, or their successors, do not contact Defra's Solicitors within the 2 months period, it will be taken that the former owners (including their successors) do not wish to have any land offered back to them and Defra will proceed to dispose of the land in such manner as it decides without further notice to the former owners, or their successors.
