### TRANSPORT ACT 2000

#### CHARGES FOR AIR SERVICES

#### SPECIFICATION BY THE CIVIL AVIATION AUTHORITY

#### THE CIVIL AVIATION AUTHORITY (EUROCONTROL CHARGES) SPECIFICATION 2004

#### TAKING EFFECT ON 1 JANUARY 2004

The Civil Aviation Authority ("CAA"), in exercise of the powers conferred by sections 73, 74, 75 and 78 of the Transport Act 2000<sup>(a)</sup>, hereby makes the following Specification:

#### *Citation and commencement*

1. This Specification may be cited as the Civil Aviation Authority (Eurocontrol Charges) Specification 2004 and shall take effect on 1st January 2004.

#### *Revocation*

2. The Civil Aviation Authority (Eurocontrol Charges) Specification 2003 (as amended by the Civil Aviation Authority (Eurocontrol Charges)(Amendment) Specification 2003 and the Civil Aviation Authority (Eurocontrol Charges) (Second Amendment) Specification 2003) is hereby revoked.

#### *Interpretation*

3.—(1) In this Specification—

“AIP” in relation to a country other than the United Kingdom means a document in force at the date of the making of this Specification, entitled “Aeronautical Information Publication” or “AIP” and published under the authority of that country;

“Eurocontrol” has the meaning given by section 24 of the Civil Aviation Act 1982<sup>(b)</sup>;

“FIR” means “Flight Information Region”;

“specified airspace” means the airspace of a FIR described as set forth in columns (1) and (2) of the Schedule hereto;

“United Kingdom Air Pilot” means the document so entitled in force at the date of the making of this Specification and published under the authority of the CAA.

(2) Unless otherwise defined in this Specification and unless the context otherwise requires, expressions used in this Specification shall have the same respective meanings as in the Transport Act 2000 and the Air Navigation Order 2000<sup>(c)</sup>.

#### *Charge to be paid to Eurocontrol*

4.—(1) Subject to the provisions of this Specification the operator of any aircraft (in whatsoever State it is registered) for which chargeable air services are made available in a specified airspace shall pay to Eurocontrol, in respect of each flight by that aircraft in that airspace, a charge for those services (hereinafter referred to as “the charge”) at the appropriate rate calculated in accordance with paragraph 7 of this Specification.

(2) The operator of an aircraft shall not be required to pay any charge to Eurocontrol under this Specification in respect of a flight if he has previously paid to Eurocontrol in respect of that flight a charge of the same or a greater amount under the law of a country specified in column 1 of the Schedule hereto.

#### *Circumstances in which charges are payable by the owner*

5. If Eurocontrol is unable, after taking reasonable steps, to ascertain who is the operator, it may give notice to the owner of the aircraft that it will treat him as the operator for the purposes of paragraph 4(1) until he establishes to the reasonable satisfaction of Eurocontrol that some other person is the operator; and from the time when the notice is given Eurocontrol shall be entitled, for so long as the owner is unable to establish as aforesaid that some other person is the operator, to treat the owner as if he were the operator, and for that purpose the provisions of this Specification (other than this paragraph) shall apply to the owner of the aircraft as if he were the operator.

#### *Payment*

6.—(1) The amount of the charge shall be payable to Eurocontrol at its principal office in Brussels and shall be paid in euros.

(2) The equivalent in sterling of the charge may be recovered in any court of competent jurisdiction in the United Kingdom.

(3) If the amount of the charge payable under paragraph 4(1) is not paid in cleared funds by the operator of the aircraft within 30 days of the date payment is demanded by Eurocontrol, interest calculated in accordance with sub-paragraph (4) below on the unpaid amount shall be paid from that day until the date when cleared funds are received by Eurocontrol.

(4) Interest payable under sub-paragraph (3) shall be simple interest calculated from day to day at the rate of 7.32%.

(5) Nothing in this Specification shall prevent Eurocontrol from accepting as a good discharge payment other than in euros or at places other than the principal office of Eurocontrol.

#### *Calculation of the Charge*

7.—(1) The charge shall be calculated in euros according to the following formula—

$$r = N \times U$$

where  $r$  is the charge for the flight,  $N$  is the number of service units relating to that flight and  $U$  is the appropriate unit rate specified in column 3 of the Schedule hereto in relation to the specified airspace through which the flight is made, increased or decreased as the case may be by the same percentage as the relevant national currency has increased or decreased against the euro as compared with the rate of exchange specified in column 4 of the said Schedule in relation to that airspace.

(2) For the purpose of the preceding sub-paragraph, the number of service units relating to a flight shall be calculated in accordance with the following formula—

$$N = d \times p$$

where  $d$  is the distance factor for the flight in the specified airspace in question and  $p$  is the weight factor for the aircraft concerned.

(3) For the purposes of the preceding sub-paragraph—

(a) the distance factor shall be the number of kilometres in the great circle distance between the points specified in sub-paragraph (4) of this paragraph minus 20 kilometres for each landing and take-off in the specified airspace in question, divided by 100 and expressed to two places of decimals, and

(b) the weight factor, subject to the provisions of sub-paragraphs (6) and (7) of this paragraph, shall be equal to the square root of the quotient obtained by dividing by 50 the number of metric tonnes of the maximum total weight authorised of the aircraft and shall be expressed to two places of decimals.

(4) The points referred to in sub-paragraph (3) of this paragraph are—

(a) the aerodrome of departure within the specified airspace in question or, if there is no such aerodrome, the point of entry into that airspace; and

(b) the aerodrome of first destination within the specified airspace in question or, if there is no such aerodrome, the point of exit from that airspace.

(5) For the purposes of the preceding sub-paragraph, the point of entry into the specified airspace in question and the point of exit from that airspace shall be the points at which the lateral limits of the said airspace are crossed by the route described in the flight plan communicated by or on behalf of the operator of the aircraft either to the appropriate air traffic control unit or to the Flow Management Unit of Eurocontrol with any modifications thereto subsequently made or approved by or on behalf of the operator.

(6) Subject to sub-paragraph (7) below, the weight factor for an aircraft of any type shall be calculated by reference to the maximum total weight authorised of the heaviest aircraft of that type.

(7) Where an operator has indicated to Eurocontrol, within the period of one year immediately preceding the flight, the composition of the fleet of aircraft which he operates and which includes two or more aircraft which are different versions of the same type of aircraft, the weight factor shall be calculated by reference to the average of the maximum total weight authorised of all his aircraft of that type so indicated to Eurocontrol.

(8) For the purposes of this paragraph the rate of exchange of the euro to a national currency shall be the average monthly rate of exchange of the euro to that national currency established by Eurocontrol for the month preceding the month during which the flight takes place.

#### *Exempt Flights*

8. This Specification shall not apply to the following flights —

(a) flights by military aircraft;

(b) flights made for the purposes of search and rescue operations;

EXPLANATORY NOTE

*(This note is not part of the Specification)*

This Specification revokes and replaces the Civil Aviation Authority (Eurocontrol Charges) Specification 2003 as amended.

The Secretary of State for Transport, in pursuance of tariffs approved under the Eurocontrol Convention (Cmnd 8662) and under the Multilateral Agreement relating to Route Charges concluded at Brussels on 12 February 1981 (Cmnd 8662) (being international agreements to which the United Kingdom is a party) has determined rates of charges, as specified in the Specification, payable to Eurocontrol in respect of chargeable air services provided for aircraft.

The unit rates in euros set out in the Schedule are calculated by reference to the costs of provision of en-route navigation services in the participating countries in the Eurocontrol charges system, the amount of traffic using each country's airspace and the relationship of each country's currency to the euro over a period agreed by Ministers of the participating countries. The interaction of these elements varies in each country. In calculating the revised charges the average of the exchange

rates between the euro and the currencies of the participating countries obtaining in the month of September 2003 have been used.

The interest payable is reduced from 8.43% to 7.32% (paragraph 6(4)). The United Kingdom Air Pilot and the Foreign Aeronautical Information publications referred to in the Specification can be purchased from Documedia Solutions Limited, 37 Windsor Street, Cheltenham, Gloucestershire GL52 2DG and can be inspected at major aerodromes in the United Kingdom. The office of Eurocontrol is at Rue de la Fusée, 96 B-1130, Brussels.

**Water Industry****OFWAT****WATER INDUSTRY ACT 1991, SECTION 13****PROPOSALS BY THE DIRECTOR GENERAL OF WATER SERVICES FOR THE MODIFICATION OF THE CONDITIONS OF APPOINTMENT OF BRISTOL WATER PLC AS A WATER UNDERTAKER***The Process*

Any representations about, or objections to, these proposals must be sent in writing to the Director General of Water Services, Centre City Tower, 7 Hill Street, Birmingham B5 4UA (fax 0121 625 3606 or e-mail [keith.mason@ofwat.gsi.gov.uk]) to be received no later than 5.00 pm on 16 January 2004. Please quote Ref LEG34/2/2(A).

*The Proposed Modifications and the reasons for them*

In May 2003 Bristol Water plc (Bristol Water) finalised new financing arrangements. The new arrangements will increase the level of debt of the appointed business.

Ofwat proposes to make the following licence modifications to bring Bristol Water's licence into line with water Companies that have restructured their finances.

Bristol Water has agreed in principle to the making of these modifications.

*Ring-fencing of Bristol Water*

The Director wishes to ensure that Bristol Water's regulated business is ring-fenced from the other activities of Bristol Water Group (the Group). Bristol Water (the Company) must not, whether through its involvement in those other activities or by its dividend policy, put at risk its ability either to carry out its functions as a water undertaker or to finance them. Licence modifications will therefore:

- (1) prohibit the transfer of any asset from the Company to an Associated Company except with the Director's consent;
- (2) require the Company to maintain an investment-grade corporate credit rating;
- (3) prohibit the Company from giving a guarantee of any liability or making any loan to any other Company within the Group except with the Director's consent;
- (4) prohibit it from entering into or continuing any commitment which includes a "cross-default obligation" (whereby its financial liabilities are increased or accelerated because of a default elsewhere within the group) except with the Director's consent; and
- (5) require the Company to declare or pay Dividends only in accordance with a Dividend policy which has been approved by its Board and will not impair its ability to finance its functions.

The Company's Directors are already required to certify annually to Ofwat that it has adequate financial and management resources. Further modifications will therefore require:

- (6) (i) the Directors to certify their opinion that any contracts with Associated Companies include all provisions necessary for the Company to meet its obligations as a water undertaker;
- (ii) the certificate to include the main factors which the Directors took into account in giving the certificate;
- (iii) the Company to inform the Director if the Board becomes aware of any circumstances which might mean that the Company's most recent certificate could not be repeated; and
- (iv) the annual certificate to be accompanied by a report to the Director from the Company's Auditors, detailing any inconsistencies between the certificate and the statement submitted with it or the findings of their own audit.

*Management of Bristol Water*

Although the Company is a subsidiary, it has its own duties as the water undertaker for its area. A further licence modification will:

- (7) require the Company, in carrying out those functions, to behave as if they were substantially its sole business and it were a separate public limited Company. In doing so it will be required to have particular regard to the following:

- (i) the composition of the Board should allow it to act independently of the parent Company or controlling Shareholder, and exclusively in the interests of the Company;
- (ii) the Board must ensure that each of its Directors discloses any conflicts of interest between their duties to the Company and other duties, both to the Board and to the Director;
- (iii) where potential conflicts exist between the interests of the Company and other Companies in the Group, the Board must ensure that it has regard exclusively to its interests as a water undertaker;

- (iv) no Director of the Company should vote on any matter where they have an interest by virtue of other Directorships;
- (v) the Company should inform the Director of any important changes in the composition of the Board or the responsibilities of any Director;
- (vi) the Company's Dividend policy; and
- (vii) the principles of corporate governance which are from time to time recognised by the Listing Rules of the Financial Services Authority.
- (8) A further licence modification will require the Company to publish the financial information that would be required if it was subject to the Listing Rules of the Financial Services Authority.

#### *Maintenance of comparisons with other water undertakers*

The Director considers that Bristol Water's core business should be transparent to regulation. To that end, the Director proposes modifications of the Company's licence, which will require it to operate at arm's length from its Group. The modifications will:

- (9) (i) ensure that payment for any services provided by an Associated Company does not exceed prices obtained by market testing, or where this is not appropriate, an approximate proportion of the Associated Company's costs, as agreed by the Director; and
- (ii) require the Company to obtain from the Associated Company information required by the Director about the latter's costs.

#### *The role of the Company's owners*

The Company should have the active co-operation of its owners in carrying out its functions as a water undertaker and complying with the conditions of its appointment. Further modifications will:

- (10) (i) require the Company to obtain from the Group legally enforceable undertakings, applicable to all other Companies in the Group, that each of them will:
- (a) give the Company all information it requires to comply with its licence;
- (b) refrain from any action which would be likely to cause or require the Company to breach any of its obligations under the Water Industry Act 1991 or its licence as a water undertaker; and
- (c) ensure that the Company's Board contains no fewer than three independent non-executive Directors.
- (ii) require the Company to inform the Director immediately in writing, if it becomes aware that the undertaking has ceased to be legally enforceable, or that there has been any breach of its terms; and
- (11) prohibit the Company (except with the Director's consent) from making any contract with a member of the Group which is not one of the Company's subsidiaries, for so long as the above undertakings have not been given or there is an unremedied breach of any of them.
