**KEADBY DEVELOPMENTS LIMITED
NOTICE OF DECISION PURSUANT TO SECTION 36C OF THE
ELECTRICITY ACT 1989
THE ELECTRICITY GENERATING STATIONS (VARIATION OF
CONSENTS) (ENGLAND AND WALES) REGULATIONS 2013
THE ELECTRICITY WORKS (ENVIRONMENTAL IMPACT
ASSESSMENT) (ENGLAND AND WALES) REGULATIONS 2017 -
REGULATION 34**

**KEADBY 2 POWER STATION PROJECT, Keadby Power
Station Site, Trentside, Keadby, near Scunthorpe,
North Lincolnshire**

Notice is hereby given on behalf of Keadby Developments Limited ("the Applicant") that the Secretary of State for Business, Energy and Industrial Strategy ("the Secretary of State") has granted a variation to the consent dated 10 September 1993, as varied on 3 November 2016 and 21 December 2017 ("the 2017 Consent") for the Keadby 2 Power Station Project at the Keadby Power Station site, Trentside, Keadby, near Scunthorpe, North Lincolnshire, pursuant to Section 36C of the Electricity Act 1989. The 2017 Consent allowed for the construction and operation of a combined cycle gas turbine ("CCGT") power station of up to 910 megawatts ("MW") capacity and ancillary works.

The Applicant submitted an application ("the Variation Application") to vary the 2017 Consent to the Secretary of State on 10 July 2018. The Variation Application sought minor changes to the plant layout and main buildings and structures of the Keadby 2 Power Station Project as approved by the 2017 Consent. It also sought minor changes to conditions to the deemed planning permission. The Secretary of State has determined the Variation Application by granting the variation of the 2017 Consent, and in doing so has had regard to the matters set out in his decision letter dated 1 March 2019. The Secretary of State is of the view that the variation does not result in a development that is different in character or inconsistent to the 2017 Consent and that the varied development is appropriate and necessary and is satisfied that the changes are of a kind that is reasonable to authorise by means of the variation procedure in Section 36C of the Electricity Act 1989. The Secretary of State also considers the planning conditions as varied, form a sufficient basis on which the varied development may proceed, and has, therefore decided to issue a Section 90(2ZA) direction that the conditions to the deemed planning permission be varied as specified on the annex to that direction.

The variation of the 2017 Consent ("the Variation Consent") allows for the construction and operation of:

- (a) One combined cycle gas turbine generating station of up to 910MW consisting of:
 - (i) an industrial gas turbine with associated boilers and single exhaust stack;
 - (ii) a steam turbine;
 - (iii) a heat recovery steam generator;
 - (iv) associated buildings;
 - (v) control room and administrative block;
 - (vi) hybrid cooling towers;
 - (vii) water treatment plant; and
 - (viii) cooling water abstraction and discharge pipe work;
- (b) ancillary buildings, enclosures, plant, equipment and machinery;
- (c) an access road; and
- (d) the necessary civil engineering works.

The Variation Application included an Environmental Impact Assessment ("EIA") Update Report (dated 13 June 2018) that described the likely significant environmental effects of the varied development, including in comparison to those for the 2017 Consent. The Variation Application, including the EIA Report, can be viewed on the project website:

ENVIRONMENTAL PROTECTION

A31 BRATLEY LANDSCAPE ENRICHMENT SCHEME

NOTICE OF DETERMINATION

562216- A31 Bratley Landscape Enrichment Scheme
ENVIRONMENTAL IMPACT ASSESSMENT - DETERMINATION
UNDER SECTION 105AB (1)(b) OF THE HIGHWAYS ACT 1980 (as amended)

Highways England gives notice that it has been determined that the A31 Bratley Landscape Enrichment proposal which is a relevant project within the meaning of section 105ZA (2) of the Highways Act 1980 (as amended) is not subject to environmental impact assessment in accordance with Part 105A of the Highways Act 1980 (as amended).

This is due to the fact that there are no likely significant effects on the environment when taking into account the characteristics and location of the development, and the type and characteristics of the potential impacts. Further information on the project and about this notice may be obtained from: Mr. Edward Hinton, Highways England, Bridge House, 1 Walnut Tree Close, Guildford, Surrey, GU1 4LZ Edward.Hinton@highwaysengland.co.uk

Planning

TOWN PLANNING

DEPARTMENT FOR TRANSPORT

TOWN AND COUNTRY PLANNING ACT 1990

THE SECRETARY OF STATE hereby gives notice that the Order under section 247 of the above Act to authorise the stopping up of an irregular shaped area of highway adjacent to the roundabout on Warwick Road, in the City of Coventry, referred to in the Notice published on 14 February 2019, under reference NATTRAN/WM/S247/3671, will not be made, the application for the order having been withdrawn.

P HARRISON, Department for Transport

(3232105)

DEPARTMENT FOR TRANSPORT

TOWN AND COUNTRY PLANNING ACT 1990

The Secretary of State gives notice of an Order made under Section 247 of the above Act entitled "The Stopping up of Highway (South West) (No.10) Order 2019" authorising the stopping up of two irregular shaped areas of Kingland Crescent and two irregular shaped areas of High Street at Poole, in the Borough of Poole at Poole in the Borough of Poole, to enable development as permitted by Poole Borough Council, reference APP/17/01573/F.

Copies of the Order may be obtained, free of charge, from the Secretary of State, National Transport Casework Team, Tyneside House, Skinnerburn Road, Newcastle Business Park, Newcastle upon Tyne NE4 7AR or nationalcasework@dft.gov.uk (quoting NATTRAN/SW/S247/3111) and may be inspected during normal opening hours at Poole Central Library, Dolphin Centre, Poole BH15 1QE.
