^{*}NOTE.—The Residuary Share of Reserved Taxes is the net receipt after deduction of the following:—(a) the estimated cost of Reserved Services; (b) the Northern Ireland Contribution towards Imperial Expenditure; (c) New Land Purchase Annuities (Imperial) and (d) Local Loans Repayments (Imperial). It is paid over by the British Treasury in instalments based on an estimate for the financial year and an adjustment is made when the true Residuary Share has been finally ascertained. The figure for "Total Revenue" therefore includes net (not gross) revenue received.
