The register shall be arranged in alphabetical order in the surname of the judgment debtor, and there shall be entered in the register the date of the Order for registration and of the registration, the name, title, trade or business and usual or last known place of abode or business of the judgment debtor and judgment creditor and the amount for which the judgment is signed and any special directions in the Order for registration as to such registration and/or execution thereon and the particulars of any execution issued thereon.

8. Notice in writing of the registration of the judgment must be served on the judgment debtor within a reasonable time after such registration. Such notice shall (in the absence of an order by the judge as to the mode of service thereof) be served on the judgment debtor by personal service (with power to order substituted service or service out of the jurisdiction or both) as in the case of a writ of summons, but the judge may at any stage of the proceedings authorise or direct some other mode of service, and if he does so the service shall be effected in accordance with such authority or direction.

9. The notice of registration shall contain full particulars of the judgment registered and of the order for such registration, and shall state the name and address of the judgment creditor or of his solicitor or agent, on whom and at which service of any summons issued by the judgment debtor may be served. The notice shall state that the defendant is entitled, if he has grounds for doing so, to apply to set aside the registration, and shall also state the number of days for applying to set aside the registration limited by the Order giving leave to register.

10. The party serving the notice shall, within three days at most after such service, indorse on the notice or a copy or duplicate thereof the day of the month and week of the service thereof, otherwise the judgment creditor shall not be at liberty to issue execution on the judgment; and every affidavit of service of such notice shall mention the day on which such indorsement was made. This rule shall apply to substituted as well as other service. The three days limited by this rule may under special circumstances be extended by order of a judge.

11. The judgment debtor may at any time within the time limited by the order giving leave to register after service on him of the notice of the registration of the judgment apply by summons to a judge to set aside the registration or to suspend execution on the judgment, and the judge on such application, if satisfied that the case comes within one of the cases in which under Section 9 (2) of the Act no judgment can be ordered to be registered, or that it is not just or convenient that the judgment should be enforced in the United Kingdom, or for other sufficient reason may order that the registration be set aside or execution on the judgment suspended either unconditionally or on such terms as he thinks fit, and either altogether or until such time as he shall direct: Provided that the judge may allow the application to be made at any time after the expiration of the time herein mentioned.

12. The summons referred to in Rule 11 shall be an ordinary summons intitled in the same manner as the affidavit referred to in Rule 3.

13. No execution shall issue on a judgment registered under the Act until after the expiration of the time limited by the Order giving leave to register after service on the judgment debtor of notice of the registration thereof. Provided that the judge who makes the order for such registration or a judge at chambers may at any time order that execution shall be suspended for a longer time.

14. Any party desirous of issuing execution on a judgment registered under the Act must produce to the proper officer an affidavit of the service of the notice of registration.

15. A writ of execution on a judgment registered under the Act may be thus varied:—Instead of "which said sum of money and interest were lately before us in our High Court of Justice," etc., insert "which said sum of money and interest were lately in..... (describing the court in which judgment was obtained)," etc., "and which judgment has been duly registered in our High Court of Justice in Northern Ireland, pursuant to Part II. of 'The Administration of Justice Act, 1920.'"

16. Any application under Section 10 of the Act for a certified copy of a judgment obtained in the High Court in Northern Ireland shall be made ex parte to the Registrar on an affidavit made by the judgment creditor or his solicitor, giving the particulars of the judgment and showing that the judgment debtor is resident in some (stating what) part of His Majesty's Dominions outside the United Kingdom to which Part II. of the Act extends, and stating to the best of his information and belief the title, trade, business or occupation of the judgment creditor and judgment debtor respectively and their respective usual or last known places of abode or business.

17. The certified copy of the judgment shall be an office copy, and shall be sealed with the seal of the Supreme Court, and shall be certified by the Registrar as follows:—

"I certify that the above copy judgment is a true copy of a judgment obtained in the High Court in Northern Ireland, and this copy is issued in accordance with Section 10 of the Administration of Justice Act, 1920.

(Signed)

*Registrar of the Supreme Court of Judicature of Northern Ireland."
