

*Order Confirming Scheme for Keeran and
Coolaghty Drains, County Fermanagh*

Whereas the Ministry of Agriculture for Northern Ireland (hereinafter called "the Ministry") is of the opinion that the execution of drainage works on those parts of the watercourses shown coloured red on the maps annexed hereto and thereon referred to as No. 5103 (known as Keeran Drain), and No. 5104 (known as Coolaghty Drain) in County Fermanagh which the Drainage Council for Northern Ireland have determined to be treated as minor watercourses for the purpose of the Drainage Act (Northern Ireland) 1964 (hereinafter referred to as "the Act") is expedient for the drainage of land in the area of the said watercourses.

And whereas, W. K. Laughlin, B.Sc., A.M.I.C.E., Senior Engineer of the Ministry of Finance for Northern Ireland, prepared on behalf of the Ministry reports dated 6th April, 1965, embodying a drainage scheme (hereinafter referred to as "the Scheme") in accordance with the provisions of Section 6 (1) of the Act for the execution of drainage works on the said watercourses.

And whereas, on the 14th May, 1965, a copy of the Scheme together with an estimate of the cost thereof was sent by the Ministry to Fermanagh County Council in accordance with the provisions of Section 5 (1) (a) of the Drainage Act (Northern Ireland) 1947, the whole of which Section was applied to minor drainage schemes by Section 6 (2) of the Act and also the Irvinestown Rural District Council, and a notice stating that the Scheme had been prepared was duly published in the Belfast Gazette on the 21st May, 1965, and in two newspapers during the week ended 22nd May, 1965, in accordance with the provisions of Section 5 (1) (b) of the Drainage Act (Northern Ireland) 1947.

And whereas, the Fermanagh County Council caused copies of the Scheme to be exhibited in their principal offices and at the offices of the Irvinestown Rural District Council during the period from 24th May, 1965, to 24th June, 1965, inclusive, in accordance with the provisions of Section 5 (2) (a) of the Drainage Act (Northern Ireland) 1947.

And whereas, the only authority charged with the maintenance of any road, bridge or culvert which appears as likely to be affected by the execution of the Scheme is the Fermanagh County Council.

And whereas, the only observations received in regard to the Scheme from interested parties have been considered by the Ministry in accordance with Section 6 (a) of the Drainage Act (Northern Ireland) 1947 as extended by Section 6 (2) of the Act.

Now therefore, the Ministry in pursuance of the provisions of Section 6 (c) of the Drainage Act (Northern Ireland) 1947 as extended by Section 6 (2) of the Act by this Order confirms the Scheme.

Sealed with the Official Seal of the
Ministry of Agriculture for Northern
Ireland this 29th day of
July, 1965, in the presence of:

L.S.

W. H. Elliott,
Assistant Secretary.

*Order Confirming Scheme for Derryoghill Drain
County Tyrone*

Whereas the Ministry of Agriculture for Northern Ireland (hereinafter called "the Ministry") is of the opinion that the execution of drainage works on that part of the watercourse shown coloured red on the map annexed hereto and thereon referred to as No. 4303 (known as Derryoghill Drain) in County Tyrone which the Drainage Council for Northern Ireland have determined to be treated as a minor watercourse for the purpose of the Drainage Act (Northern Ireland) 1964 (hereinafter referred to as "the Act") is expedient for the drainage of land in the area of the said watercourse.

And whereas, A. C. Pinkerton, B.Eng., A.M.I.C.E., Superintending Engineer of the Ministry of Finance for Northern Ireland, prepared on behalf of the Ministry a report dated 27th April, 1965, embodying a drainage scheme (hereinafter referred to as "the

Scheme") in accordance with the provisions of Section 6 (1) of the Act for the execution of drainage works on the said watercourse.

And whereas, on the 11th June, 1965, a copy of the Scheme together with an estimate of the cost thereof was sent by the Ministry to the Tyrone County Council in accordance with the provisions of Section 5 (1) (a) of the Drainage Act (Northern Ireland) 1947, the whole of which Section was applied to minor drainage schemes by Section 6 (2) of the Act and also the Dungannon Rural District Council, and a notice stating that the Scheme had been prepared was duly published in the Belfast Gazette on the 18th June, 1965, and in two newspapers during the week ended 19th June, 1965, in accordance with the provisions of Section 5 (1) (b) of the Drainage Act (Northern Ireland) 1947.

And whereas, the Tyrone County Council caused a copy of the Scheme to be exhibited in their principal offices and at the offices of the Dungannon Rural District Council during the period from 21st June, 1965, to 21st July, 1965, inclusive, in accordance with the provisions of Section 5 (2) (a) of the Drainage Act (Northern Ireland) 1947.

And whereas, the only authority charged with the maintenance of any road, bridge or culvert which appears as likely to be affected by the execution of the Scheme is the Tyrone County Council.

And whereas, no observations in regard to the Scheme have been received by the Ministry from the Tyrone County Council or from any other person.

Now therefore, the Ministry in pursuance of the provisions of Section 6 (c) of the Drainage Act (Northern Ireland) 1947 as extended by Section 6 (2) of the Act by this Order confirms the Scheme.

Sealed with the Official Seal of
the Ministry of Agriculture for
Northern Ireland this 29th day
of July, 1965, in the presence of:

L.S.

W. H. Elliott,
Assistant Secretary.

*Order Confirming Scheme for Canal Back
Tributary, County Tyrone*

Whereas the Ministry of Agriculture for Northern Ireland (hereinafter called "the Ministry") is of the opinion that the execution of drainage works on that part of the watercourse shown coloured red on the map annexed hereto and thereon referred to as No. 4302 (known as Canal Back Tributary) in County Tyrone which the Drainage Council for Northern Ireland have determined to be treated as a minor watercourse for the purpose of the Drainage Act (Northern Ireland) 1964 (hereinafter referred to as "the Act") is expedient for the drainage of land in the area of the said watercourse.

And whereas, A. C. Pinkerton, B.Eng., A.M.I.C.E., Superintending Engineer of the Ministry of Finance for Northern Ireland, prepared on behalf of the Ministry a report dated 27th April, 1965, embodying a drainage scheme (hereinafter referred to as "the Scheme") in accordance with the provisions of Section 6 (1) of the Act for the execution of drainage works on the said watercourse.

And whereas, on the 11th June, 1965, a copy of the Scheme together with an estimate of the cost thereof was sent by the Ministry to the Tyrone County Council in accordance with the provisions of Section 5 (1) (a) of the Drainage Act (Northern Ireland) 1947, the whole of which Section was applied to minor drainage schemes by Section 6 (2) of the Act and also the Dungannon Rural District Council, and a notice stating that the Scheme had been prepared was duly published in the Belfast Gazette on the 18th June, 1965, and in two newspapers during the week ended 19th June, 1965, in accordance with the provisions of Section 5 (1) (b) of the Drainage Act (Northern Ireland) 1947.

And whereas, the Tyrone County Council caused a copy of the Scheme to be exhibited in their principal offices and at the offices of the Dungannon Rural District Council during the period from 21st June, 1965, to 21st July, 1965, inclusive, in accor-
