MEDICINES ACT 1968

Certificates for reclosable Pharmaceutical Containers Resistant to Opening by Chtildren under British Standard 5321: 1975 as amended.

The Secretaries of State concerned with health in England, in Wales and in Scotland, and the Department of Health and Social Services for Northern Ireland, acting jointly, hereby give notice, in accordance with the Medicines (Child Safety) Regulations 1975, as amended by the Medicines (Child Safety) Amendment Regulations 1976, that the reclosable child-resistant containers of which particulars are given in the Schedules hereto comply with British Standard 5321 published on 31st October 1975 as amended by A.M.D. 2077 published on 16th August 1976.

SCHEDULE

Certificate No. 77/62668

It is hereby certified that the S/-/1, Supervisory Committee (Child Resistant Containers), established by the British Standards Institution, has approved the containers described below submitted for evaluation under Application No. 1007 as complying with B.S. 5321:1975 (as amended). This certificate relates to complete containers consisting of a container body and a closure taken together. It does not relate to a closure alone. *It relates only to the drawings identified by an Issue number or otherwise uniquely defined.*

John 'Feint, Chairman of Supervisory Committee S/-/1.
