SCHEDULE 2

Paragraph 12(6)

POSTAL FRANKING MACHINES

Interpretation

1. In this Schedule, except so far as the contrary is provided or the context otherwise requires, the following expressions have the meanings hereby respectively assigned to them:

"control card" means a card supplied by the Post Office and designed to show such information as the Post Office may from time to time specify, including the readings of the registers of a postal franking machine;

"controlling post office" means the post office at which records relating to a postal franking machine are kept;

"date stamping die" means the die used in a postal franking machine to stamp an impression denoting the date and place mentioned in paragraph 3(c) of this Schedule;

"fees" means postage which is payable on postal packets, under any scheme from time to time in force, or under any agreement made with the Post Office, relating in either case to the post, and fees, charges and sums payable under such Scheme or agreement as aforesaid or under any agreement made with the Post Office and relating to any postal franking machine;

"form" means a postal form on which the payment of fees may be denoted;

"franking die" means the die used in a postal franking machine to stamp an impression denoting the numbers, words, characters, symbols and marks mentioned in paragraph 3(b) of this Schedule;

"machine" means postal franking machine;

"meter" means a unit which contains the printing and recording mechanisms of a postal franking machine;

"meter setting post office" means the post office designated by the Post Office as the office at which a meter of a postal franking machine is to be set;

"record card" means a booklet, designated form P3342 or P3344, which is issued by the Post Office and which is designed to record from time to time the amounts paid in respect of fees to the Post Office and the readings of the machine's registers at the time of payment;

"supplier" means the person who has supplied the postal franking machine to the user, and includes the successor or assignee of the supplier;

"user" has the meaning assigned to it by paragraph 2 of this Schedule;

"value card" means a card by means of which the setting of a postal franking machine may be effected, and which represents a specific sum of money prepaid as fees to the Post Office.
