Dated 13th April, 1984.

SOCIAL SECURITY ADVISORY COMMITTEE

NOTICE OF SUBMISSION OF DRAFT REGULATIONS ENTITLED THE CHILD BENEFIT (GENERAL) AMENDMENT (NO. 2) REGULATIONS 1984 AND THE SUPPLEMENTARY BENEFIT AMENDMENT REGULATIONS 1984

The Social Security Advisory Committee gives notice that it has been asked by the Secretary of State for Social Services under Section 10 of the Social Security Act 1980 to consider and report on the draft of regulations entitled The Child Benefit (General) Amendment (No. 2) Regulations 1984 and The Supplementary Benefit Amendment Regulations 1984.

These regulations apply to Great Britain only. Corresponding provision for Northern Ireland will be made in regulations made by the Department of Health and Social Services for Northern Ireland. The Northern Ireland regulations will not require separate submission to the Social Security Advisory Committee by virtue of paragraph 21 of Schedule 3 to the Social Security Act 1980 (1980 c.30).

A short explanatory note provided by the Department of Health and Social Security on these regulations is appended to this notice. The Committee will take into account any comments or objections made by or on behalf of people or organizations who would be affected by the regulations received by them not later than 2nd May, 1984. Comments or objections should be sent to Miss G. Moore, the Secretary, Social Security Advisory Committee, Room 458, New Court, Carey Street, London, WC2A 2LS. Copies of the draft of these regulations can be obtained on request to Mr. M. P. O'Leary, the Assistant Secretary of the Committee (01-831 6111 Ext. 2636, address as for the Secretary).

Miss G. Moore, Secretary.

EXPLANATORY NOTE

Supplementary Benefit Amendment Regulations 1984

A number of changes to the supplementary benefit regulations are proposed. These include:

- (i) improvements in the single payment regulations including provision for payment to be made to meet a need incurred up to 7 days before the date of claim where the need had to be met immediately and an earlier claim was impracticable; and for payment in respect of work expenses to be made on starting part-time work;
- (ii) the backdating, in certain circumstances, of a supplementary benefit claim to the date when housing benefit was claimed;
- (iii) an extension of the help provided for visits to relatives, to include visits to residential homes and hostels;
- (iv) an extra £4 disregard on Territorial and Reserve forces' earnings;
- (v) an extension of entitlement to urgent needs payments to cover all cases where immigration status is being considered by the Home Office;
- (vi) full-time earnings of dependent children are to be taken into account up to level of their supplementary benefit requirements.

Full-Time Education : Child Benefit and Supplementary Benefit

A consequence of a recent Commissioners' decision is to increase the hours of study allowable during the qualifying period for the supplementary benefit 21-hours rule. This undermines the distinction between committed students and the genuinely unemployed. The proposed amendment regulations will re-define as full-time non-advanced education, for both child benefit and supplementary benefit purposes, any course which exceeds 12 hours of timetabled and supervised study.

Proposals were referred to the Committee on 2nd April, 1984 and notices were issued seeking views on them. The actual draft regulations to give effect to the proposals were referred on 16th April, 1984.

The Northern Ireland regulations will not require separate submission to the Social Security Advisory Committee by virtue of paragraph 21 of Schedule 3 to the Social Security Act 1980 (1980 c.30).

A short explanatory note provided by the Department of Health and Social Security on these regulations is appended to this notice. The Committee will take into account any comments or objections made by or on behalf of people or organizations who would be affected by the regulations received by them not later than 17th May. EXPLANATORY NOTE

Following a recent decision by a Tribunal of Commissioners, regulations were made to clarify the long-standing policy intentions that:

- (i) claimants are excluded from supplementary benefit for *consecutive* rather than *concurrent* periods covered by final earnings, holiday pay and/or payments in lieu of notice;
- (ii) final earnings etc. received early should be attributed from the day they would normally have been received;
- (iii) receipt of earnings for a longer period than a contract requires excludes a claimant from benefit for that longer period.
