NOTES.—(a) Each holding when vested in the purchaser shall continue to have appurtenant thereto, and to be subject to, as the case may be, any previously existing easements, rights and appurtenances.

(b) In case the non-judicial holdings set out in the above List become vested in the Commission under the Act the Standard Purchase Annuities in respect of such holdings shall, as has been done above, be calculated in the manner specified in the Third Schedule to the Act as if the non-judicial Rents were second term Judicial Rents, unless an objection is lodged on or before the 13th day of March, 1931.
