Hansard reflects opinion on all topics of the day and is of great interest to the business or professional man. In addition to a factual word-for-word transcription of speeches in debate, it contains the answers to all Parliamentary Questions, complete Division Lists, and following each session details of the composition of the House. Proceedings up to 10 pm each day are reported in the issue published the following morning. A Weekly Edition is also published, and bound volumes are issued periodically during the session.
