NOTES.—(a) Each holding when vested in the purchaser shall continue to have appurtenant thereto, and to be subject to, as the case may be, any previously existing easements, rights and appurtenances.

(b) In case the non-judicial holdings set out in the above List become vested in the Commission under the Act the Standard Purchase Annuities in respect of such holdings shall, as has been done above, be calculated in the manner specified in the Third Schedule to the Act as if the non-judicial Rents were second term Judicial Rents, unless an objection is lodged on or before the 15th day of January, 1932.

(c) The gale-days for the payment of rent in respect of the above-mentioned holdings are the 1st May and 1st November.

(d) In the case of Reg. No. 2 the sum set out as rent is the part of the original rent of £11 10s. 0d., payable in respect of the entire holding, which has provisionally been apportioned to the portion thereof in the occupation of Samuel John Watt, pursuant to the provisions of Section 14 (I) (c) of the Act. The remainder of the original holding has been treated as a separate holding and is set out above at Reg. No. 14
