**Magherafelt District Council:**

Draperstown, Lecumpher.

Commercial and industrial areas in the Cookstown District Council wards of Gortallowry, New Buildings, Oldtown and Tullagh will also be affected by night time restrictions.

In all these areas there will be a progressive shutdown of supplies from 7.00 pm and supplies will be restored progressively from 7.00 am daily.

**ROTATIONAL RESTRICTIONS**

In the Cookstown District Council wards of Gortallowry, New Buildings, Oldtown and Tullagh water to residential areas will be turned off for 8 hours each day. Consumers to be affected shall be notified in advance of the times they will be without mains supply. Notification will be by the Water Executive's mobile public address system.

**ADVICE AND INFORMATION**

Further details and advice may be obtained by contacting the Water Executive District office at Cookstown 62989 during normal working hours or Ballymena 653655 outside working hours.

Other adjacent parts of the area may experience a loss of water or low pressure for short periods. On resumption of the supply the water may be coloured but this should soon clear.

Please ensure that all taps are properly closed down during the restrictions to avoid the possibility of damage to property as well as a serious waste of water. Domestic appliances which operate from a direct mains supply should not be used during periods of restriction.

**CONTINUED NEED FOR ECONOMY**

The Department regrets the inconvenience caused to their consumers, but once again appeals to everyone to help as much as possible to reduce demand over this critical period. Careful use of cold water storage tank supply should significantly reduce inconvenience.
