In pursuance of its powers under Article 14(1) of the Electricity (Northern Ireland) Order 1992 (the "Order"), the Northern Ireland Authority for Energy Regulation (the "Authority"), having obtained the consent of the licensee in question, hereby gives notice as follows:

- 1 It proposes to make modifications to the conditions applicable to the public electricity supply licence granted to Northern Ireland Electricity plc ("NIE") under Article 10 of the Order.
- 2 The proposed modifications are to the public electricity supply charge restriction conditions set out at schedule 6 to the licence document.
- 3 The effect of the proposed modifications will be to alter the total amount of revenue NIE can recover in respect of the public electricity supply business.

- 5 The reason for the proposed modifications is to update the public electricity supply charge restriction conditions and to stimulate energy savings and renewable generation in the context of NRO.
- 6 A copy of the proposed modifications can be viewed during normal office hours, and can be obtained (free of charge) from:
