Revised Pricing from 1 January 2013 for the London, Edinburgh and Belfast Gazettes

From 1 January 2013 there will be changes to the charges for placing a notice in the Gazettes.

For both public and private sector advertisers charges will no longer relate to the length of a notice, but will instead be based on the number of events included and the method by which it has been submitted.

Electronic submission, by webform, template or XML, continues to be the preferred means for submitting notices and the new charges offer considerable cost savings for submissions made this way.

The new pricing can be found on the back page of this Gazette and examples of how these changes apply can be found online at the following addresses:

Private sector advertisers www.gazettes-online.co.uk/pricing

Public sector advertisers placing State notices and mandatory public sector adverts www.gazettes-online.co.uk/public-sector-pricing

There will also be some small increases in the cost of purchasing printed copies of the Gazettes. The new pricing can also be found on the back page of this Gazette.

4.-(1) In respect of each crossing between Europe and North America by an aircraft, wherever registered, in the course of which the aircraft is at any time north of the 45th parallel North between the meridians of 15° West and 50° West, the operator of the aircraft shall, upon completion of the crossing, pay to NSL a charge of £35.40 computed as follows—

in respect of chargeable air services provided by the Government of Denmark for such crossings £13.06.

in respect of chargeable air services provided by the Government of Iceland for such crossings £22.34.

(2) If an aircraft, wherever registered, without making a crossing between Europe and North America, makes one of the following crossings, that is to say between Greenland and Canada, Greenland and the United States of America, Greenland and Iceland or Iceland and Europe, the operator of the aircraft shall pay to NSL in respect of each crossing upon completion thereof, one third of the amount of the charges specified in sub-paragraph (1).

(b) "Europe" shall not include Iceland or the Azores.

Circumstances in which charges are payable by the owner

5. If NSL is unable, after taking reasonable steps, to ascertain who is the operator, it may give notice to the owner of the aircraft that it will treat him as the operator for the purposes of this Specification until he establishes to the reasonable satisfaction of NSL that some other person is the operator; and from the time when the notice is given NSL shall be entitled, for so long as the owner is unable to establish as aforesaid that some other person is the operator, to treat the owner as if he were the operator, and for that purpose the provisions of this Specification (other than this paragraph) shall apply to the owner as if he were the operator.

Interest on late payment

6.-(1) If the amount of the charge payable under paragraph 4 is not paid in cleared funds by the operator of the aircraft within 30 days of the date payment is demanded by NSL, interest calculated in accordance with sub-paragraph (2) below on the unpaid amount shall be paid from that day until the date when cleared funds are received by NSL.

(2) Interest payable under sub-paragraph (1) shall be simple interest calculated from day to day at the rate of 10.89%.

Disposal by NSL of charges received under the Specification

7.-(1) Subject to sub-paragraphs (2) and (3) of this paragraph, NSL shall remit to the Governments of Denmark and Iceland such sums as it may receive under this Specification in respect of chargeable air services provided respectively by those Governments.

(2) With respect to those charges provided for in paragraphs 4(1) to (4) above, NSL shall deduct from the sums so received a sum of 2.51% thereof and shall remit this sum to the International Civil Aviation Organisation in respect of chargeable air services provided by that Organisation.

EXPLANATORY NOTE

(This note is not part of the Specification)

This Specification revokes and replaces the Civil Aviation Authority (Denmark and Iceland Charges) Specification 2012.

The element of the charge payable in respect of air navigation services provided by the Government of Denmark is increased from £11.39 to £13.06. The element of the charge payable in respect of air navigation services provided by the Government of Iceland is increased from £21.34 to £22.34. The total charge payable in respect of crossings between Europe and North America is thus increased from £32.73 to £35.40 (paragraph 4(1)).

There are further charges (paragraph 4(5)) in addition to those stated above as follows:

(a) in respect of chargeable air services provided by the Government of Denmark the charge per unit of 100 km flown in the Reykjavik and Sondre Stromfjord FIRs is reduced from £1.05 to £1.03; and

(b) in respect of chargeable air services provided by the Government of Iceland the charge per unit of 100 km flown in the Reykjavik and Sondre Stromfjord FIRs is reduced from £9.28 to £8.89; and

(c) in respect of flights which do not exceed FL285 within the Reykjavik and Sondre Stromfjord FIRs and in respect of all flights to or from aerodromes in Greenland, the charges set out at paragraphs (a) and (b) above shall be reduced by half.

The interest rate payable is reduced from 11.57% to 10.89% (paragraph 6(2)).

The charges are payable in pursuance of the Agreements on the Joint Financing of certain Air Navigation Services respectively in Greenland and the Faroe Islands and in Iceland, opened for signature in Geneva on 25th September 1956 (Cmnd. Nos. 677 and 678) as amended by the Protocols opened for signature at Montreal on 3rd November 1982 (Cmnd. Nos. 8844 and 8845) and as amended in 2008 pursuant to an ICAO State Letter IND/07/13 dated 12 July 2007.

In consequence of a decision of the Council of the International Civil Aviation Organisation the sum which is to be deducted by NSL from the charges received and remitted to that Organisation in respect of chargeable air services provided by it is reduced from 3.27% to 2.51% (paragraph 7(2)). Additionally, the Council has established (pursuant to Article VI of the Arrangement on the Joint Financing of a North Atlantic Height Monitoring System) that the NAT RVSM user charge for the year 2013 is £ 2.13 per aircraft crossing. This figure is expressed as a percentage of the charge payable pursuant to paragraph 4 (paragraph 7(3)).

The charges are required to be remitted to the Governments of Denmark and Iceland subject to the deduction of a fee not exceeding 1.58% for NSL's expenses in billing and collection (paragraph 7(4)).

TRANSPORT ACT 2000

CHARGES FOR AIR SERVICES

SPECIFICATION BY THE CIVIL AVIATION AUTHORITY

THE CIVIL AVIATION AUTHORITY (EUROCONTROL CHARGES) SPECIFICATION 2013

TAKING EFFECT ON 1ST JANUARY 2013

The Civil Aviation Authority ("CAA"), in exercise of the powers conferred by sections 73, 74, 75 and 78 of the Transport Act 2000**(a)**, hereby makes the following Specification:

Citation and commencement

1. This Specification may be cited as the Civil Aviation Authority (Eurocontrol Charges) Specification 2013 and shall take effect on 1st January 2013.

Revocation

2. The Civil Aviation Authority (Eurocontrol Charges) Specification 2012 is hereby revoked.

Interpretation

3.-(1) In this Specification—

"AIP" in relation to a country other than the United Kingdom means a document in force at the date of the making of this Specification, entitled "Aeronautical Information Publication" or "AIP" and published under the authority of that country;

"Eurocontrol" has the meaning given by section 24 of the Civil Aviation Act 1982**(b)**;

"FIR" means "Flight Information Region";

"specified airspace" means the airspace of a FIR described as set forth in columns (1) and (2) of the Schedule hereto;

"United Kingdom Air Pilot" means the document so entitled in force at the date of the making of this Specification and published under the authority of the CAA.

(2) Unless otherwise defined in this Specification expressions used in this Specification shall have the same meanings as in the Transport Act 2000.

Charge to be paid to Eurocontrol

4.-(1) Subject to the provisions of this Specification the operator of any aircraft (in whatsoever State it is registered) for which chargeable air services are made available in a specified airspace shall pay to Eurocontrol, in respect of each flight by that aircraft in that airspace, a charge for those services (hereinafter referred to as "the charge") at the appropriate rate calculated in accordance with paragraph 7 of this Specification.

(2) The operator of an aircraft shall not be required to pay any charge to Eurocontrol under this Specification in respect of a flight if he has previously paid to Eurocontrol in respect of that flight a charge of the same or a greater amount under the law of a country specified in column 1 of the Schedule hereto.

Circumstances in which charges are payable by the owner

5. Eurocontrol may use the ICAO designator or any other recognised designator in the identification of the flight to ascertain who the operator is. If Eurocontrol is unable, after taking reasonable steps, to ascertain who is the operator, it may give notice to the owner of the aircraft that it will treat him as the operator for the purposes of paragraph 4(1) until he establishes to the reasonable satisfaction of Eurocontrol that some other person is the operator; and from the time when the notice is given Eurocontrol shall be entitled, for so long as the owner is unable to establish as aforesaid that some other person is the operator, to treat the owner as if he were the operator, and for that purpose the provisions of this Specification (other than this paragraph) shall apply to the owner of the aircraft as if he were the operator.

Payment

6.-(1) The amount of the charge shall be payable to Eurocontrol at its principal office in Brussels and shall be paid in euros.

(2) The equivalent in sterling of the charge may be recovered in any court of competent jurisdiction in the United Kingdom.

(3) If the amount of the charge payable under paragraph 4(1) is not paid in cleared funds by the operator of the aircraft within 30 days of the date payment is demanded by Eurocontrol, interest calculated in accordance with sub-paragraph (4) below on the unpaid amount shall be paid from that day until the date when cleared funds are received by Eurocontrol.

(4) Interest payable under sub-paragraph (3) shall be simple interest calculated from day to day at the rate of 10.89%.

(5) Nothing in this Specification shall prevent Eurocontrol from accepting as a good discharge payment other than in euros or at places other than the principal office of Eurocontrol.

Calculation of the Charge

7.-(1) The charge shall be calculated in euros according to the following formula:

$$r = N \times U$$

where r is the charge for the flight, N is the number of service units relating to that flight and U is the appropriate unit rate specified in column 3 of the Schedule hereto in relation to the specified airspace through which the flight is made, increased or decreased as the case may be by the same percentage as the relevant national currency has increased or decreased against the euro as compared with the rate of exchange specified in column 4 of the said Schedule in relation to that airspace.

(2) For the purpose of the preceding sub-paragraph, the number of service units relating to a flight shall be calculated in accordance with the following formula:

$$N = d \times p$$

where d is the distance factor for the flight in the specified airspace in question and p is the weight factor for the aircraft concerned.

(3) For the purposes of the preceding sub-paragraph:

(a) the distance factor shall be the number of kilometres in the great circle distance between the points specified in sub-paragraph (4) of this paragraph minus 20 kilometres for each landing and take-off in the specified airspace in question, divided by 100 and expressed to two places of decimals, and

(b) the weight factor, subject to the provisions of sub-paragraphs (6) and (7) of this paragraph, shall be equal to the square root of the quotient obtained by dividing by 50 the number of metric tonnes of the maximum total weight authorised of the aircraft and shall be expressed to two places of decimals.

(4) The points referred to in sub-paragraph (3) of this paragraph are:

(a) the aerodrome of departure within the specified airspace in question or, if there is no such aerodrome, the point of entry into that airspace; and

(b) the aerodrome of first destination within the specified airspace in question or, if there is no such aerodrome, the point of exit from that airspace.

(5) For the purposes of the preceding sub-paragraph, the point of entry into the specified airspace in question and the point of exit from that airspace shall be the points at which the lateral limits of the said airspace are crossed by the route described in the flight plan communicated by or on behalf of the operator of the aircraft either to the appropriate air traffic control unit or to the Flow Management Unit of Eurocontrol with any modifications thereto subsequently made or approved by or on behalf of the operator.

(6) Subject to sub-paragraph (7) below, the weight factor for an aircraft of any type shall be calculated by reference to the maximum total weight authorised of the heaviest aircraft of that type.

(7) Where an operator has indicated to Eurocontrol, within the period of one year immediately preceding the flight, the composition of the fleet of aircraft which he operates and which includes two or more aircraft which are different versions of the same type of aircraft, the weight factor shall be calculated by reference to the average of the maximum total weight authorised of all his aircraft of that type so indicated to Eurocontrol.

(8) For the purposes of this paragraph the rate of exchange of the euro to a national currency shall be the average monthly rate of exchange of the euro to that national currency established by Eurocontrol for the month preceding the month during which the flight takes place.

Exempt Flights

8. This Specification shall not apply to the following flights:

(a) flights by military aircraft;

(b) flights made for the purposes of search and rescue operations;

(c) flights by aircraft of which the maximum total weight authorised is 5700kg or less made entirely in accordance with the Visual Flight Rules in the Rules of the Air Regulations 2007**(c)**;

(d) flights terminating at the aerodrome from which the aircraft has taken off;

(e) flights other than the flights referred to in sub-paragraph (a) of this sub-paragraph made exclusively for the purpose of the carriage on official business of a reigning Monarch or his immediate family, a Head of State, a Head of Government or a Government Minister;

(f) flights made exclusively for the purpose of checking or testing equipment used or intended to be used as aids to air navigation;

(g) flights made exclusively for the purpose of the instruction or testing of flight crew within the specified airspace of the United Kingdom;

(h) flights made by aircraft of which the maximum total weight authorised is less than two metric tonnes;

(i) flights made by helicopters between any point in the United Kingdom to a vessel or an off-shore installation within the area bounded by straight lines joining successively the following points—

6300N 00500W; 632833N 000000EW; thence south along the UK Median Line to 5500N 00302E; 5500N 00100W; 5600N 00230W; 5740N 00230W; 5740N 00400W; 5830N 00400W; 5830N 00500W; 6300N 00500W;

(j) flights made by helicopters between any point in the United Kingdom to a vessel or an off-shore installation within the area bounded by straight lines joining successively the following points—

5500N 00100W; 5500N 00300E; 5423N 00245E; 5256N 00309E; 5230N 00247E; 5226N 00137E; 5238N 00140E; 5251N 00124E; 5319N 00010E; 5500N 00100W.

Value Added Tax Charge

9. For the purposes of this Specification in respect of value added tax payable on the provision of chargeable air services for which a charge is payable pursuant to this Specification there shall be charged an additional charge equal to the amount of such tax and the incidence of the first mentioned charge shall determine the incidence of the additional charge.

EXPLANATORY NOTE

(This note is not part of the Specification)

This Specification revokes and replaces the Civil Aviation Authority (Eurocontrol Charges) Specification 2012.

The Secretary of State for Transport, in pursuance of tariffs approved under the Eurocontrol Convention (Cmnd. 8662) and under the Multilateral Agreement relating to Route Charges concluded at Brussels on 12th February 1981 (Cmnd. 8662) (being international agreements to which the United Kingdom is a party) has determined rates of charges, as specified in the Specification, payable to Eurocontrol in respect of chargeable air services provided for aircraft.

The unit rates in euros set out in the Schedule are calculated by reference to the costs of provision of en-route navigation services in the participating countries in the Eurocontrol charges system, the amount of traffic using each country's airspace and the relationship of each country's currency to the euro over a period agreed by Ministers of the participating countries. The interaction of these elements varies in each country. In calculating the revised charges the average of the exchange rates between the euro and the currencies of the participating countries obtaining in the month of September 2012 have been used.

The interest rate payable is reduced from 11.57 to 10.89% (paragraph 6(4)).

The United Kingdom Air Pilot and the Foreign Aeronautical Information publications referred to in the Specification can be purchased from Tangent Limited, 37 Windsor Street, Cheltenham, Glos GL52 2DG and can be inspected at major aerodromes in the United Kingdom.

The office of Eurocontrol is at Rue de la Fusée, 96 B-1130, Brussels. Eurocontrol's Conditions of Application of the Route Charges System and Conditions of Payment can be found at:

DEPARTMENT OF THE ENVIRONMENT

THE MOTOR VEHICLES (DRIVING LICENCES) (AMENDMENT NO. 3) REGULATIONS (NORTHERN IRELAND) 2012

The Department of the Environment has made a Statutory Rule entitled "The Motor Vehicles (Driving Licences) (Amendment No. 3) Regulations (Northern Ireland) 2012" (S.R. 2012 No. 451), which comes into operation on 19th January 2013.

These Regulations amend the Road Traffic (Northern Ireland) Order 1981 and the Motor Vehicles (Driving Licences) Regulations (Northern Ireland) 1996 in order to accommodate the requirements of Directive 2006/126/EC on Driving Licences.

The Regulations remove the 45mph speed restriction for riders of certain categories of motorcycle during training and testing and for those riders post test. Consequential amendments are made to the compulsory basic training scheme for motorcyclists to accommodate this change.

The Regulations also make changes in respect of the reinstatement of driving licences after disqualification to ensure that the new age requirements introduced by Directive 29967/126/EC do not disadvantage younger drivers who are disqualified but who previously had full entitlement under the old rules.

Copies of the Rule may be purchased from the Stationery Office at www.tsoshop.co.uk or by contacting TSO Customer Services on 0870 600 5522 or viewed online at http://www.legislation.gov.uk/nisr.

TERMS AND CONDITIONS RELATING TO SUBMISSION OF NOTICES

The Belfast Gazette is an Official Newspaper of Record. The Belfast Gazette publishes official, legal and regulatory notices pursuant to legislation and on behalf of the persons who are required by law to notify the public at large of certain information. For the avoidance of doubt all references to "Belfast Gazette" shall include supplements to the Belfast Gazette and all mediums which shall include the online version of the Belfast Gazette as well as the paper version.

The Belfast Gazette is published by the Publisher (defined below) under the authority and superintendence of the Controller of Her Majesty's Stationery Office and Queen's Printer of Acts of Parliament.

Notices received for publication fall under the following broad headings:

State, Parliament, Ecclesiastical, Public Finance, Transport, Planning, Health, Environment, Water, Agriculture & Fisheries, Energy, Post & Telecom, Other Notices, Competition, Corporate Insolvency, Personal Insolvency, Companies & Financial Regulation, Partnerships, Societies Regulation and Personal Legal information. Further information can be found at www.gazettes-online.co.uk.

These terms and conditions ("Terms and Conditions") govern submission of Notices (as defined below) to the Belfast Gazette. By submitting Notices howsoever communicated, whether at the website www.gazettes-online.co.uk (the "Website") or to www.gazette-submission.co.uk, email, post and/or facsimile, the Advertiser (as defined below) agrees to be bound by these Terms and Conditions.

The Publisher reserves the right to modify these Terms and Conditions at any time. Such modifications shall be effective immediately upon publication of the modified Terms and Conditions. By submitting Notices to the Belfast Gazette after the Publisher has published notice of such modifications, the Advertiser agrees to be bound by the revised Terms and Conditions.

1 Definitions

1.1 In these Terms and Conditions:

"Advertiser" means any company, firm or person who has made an application for and who has been allocated space in the Belfast Gazette, whether acting on their own account or as agent or representative of a principal;

"Charges" means the payment due for the acceptance of a Notice by the Publisher payable by the Advertiser as set out in the Authorised Scale of Charges which can be found in the printed copy or at www.gazettes-online.co.uk;

"Notice" means all advertisements and state, public or legal notices placed in the Belfast Gazette;

"Publisher" means The Stationery Office Limited.

1.2 the singular includes the plural and vice-versa; and

1.3 any reference to any legislative provision shall be deemed to include any subsequent re-enactment or amending provision.

2 By submitting a Notice to the Publisher, the Advertiser agrees to be bound by these Terms and Conditions which represent the entire terms agreed between the Publisher and Advertiser in relation to the publication of Notices. These Terms and Conditions shall govern and be incorporated into every Notice, and shall prevail over any terms or conditions (whether or not inconsistent with these Terms and Conditions) contained or referred to in any correspondence or documentation submitted by the Advertiser or implied by custom, practice or course of dealing, unless otherwise agreed in writing by the Publisher.

3 The Publisher shall make all reasonable efforts to verify the validity of any Notice submitted for publication.

4 The Publisher may edit the Notice, subject to the following restrictions:

4.1 the sense of the Notice submitted by the Advertiser must not be altered;

4.2 Notices shall be edited for house style only, not for content;

4.3 Notices can be edited to remove obvious duplications of information;

4.4 Notices can be edited to re-position material for style;

4.5 any additions or deletions required in order to include the minimum necessary information set out in any Notice guidelines shall be confirmed with the Advertiser; and

4.6 no amendments to the text (other than those made as a consequence of 4.1–4.5 above) shall be made without written confirmation from the Advertiser.

5 The Advertiser accepts that it submits a Notice entirely at its own risk and that the Publisher shall have discretion whether to accept a Notice for publication. The Advertiser must satisfy itself as to the legislative requirements relating to any Notice. Where the Publisher has accepted a Notice for publication, the Publisher shall have discretion to refuse to publish where the content of the Notice does not comply with legislative or procedural requirements (guidance on both is available from the Publisher). In such instances, the Publisher shall notify the Advertiser of the action required to remedy any deficiency and publication shall not take place until the Publisher is satisfied that such action has been taken by the Advertiser.

6 The Publisher (including affiliates, officers, directors, agents and employees) shall not be liable for any loss or damage including expenses or costs suffered by the Advertiser or any third party whether arising from the acts or omissions of the Publisher and/or the Advertiser and/or any third party made in connection with the Notice or otherwise except only that nothing in these Terms and Conditions shall limit or exclude the Publisher's liability for fraudulent misrepresentation, or for death or personal injury resulting from the Publisher's negligence or the negligence of the Publisher's agents or employees.

7 For the avoidance of doubt, subject to clause 4 above, in no circumstances shall the Publisher be liable for any economic losses (including, without limitation, loss of revenues, profits, contracts, business or anticipated savings), any loss of goodwill or reputation, or any special, indirect or consequential damages (however arising, including negligence).

8 Where the Publisher is responsible for any error which, in the Publisher's reasonable opinion, causes a substantive change to the meaning of a Notice or would affect the legal efficacy of a Notice, upon notification of such error by the Advertiser, the Publisher shall publish the corrected Notice at no charge and at the next suitable opportunity and this shall be the limit of the Publishers liability or responsibility in these circumstances.

9 In the event that the Publisher believes an Advertiser is deliberately submitting Notices in bad faith and in breach of clause 10 below, or has dealings with Advertisers who are in persistent breach of these Terms and Conditions, the Publisher may require further verification of information be provided by such Advertisers and may at its discretion delay publication of those Notices as far as it is able to, until it satisfied that the Notice it has received is based on authentic information.

10 The location of the Notice in the Belfast Gazette shall be at the discretion of the Publisher. For the avoidance of doubt, the Notice shall be published in the house style of the Belfast Gazette.

11 The Advertiser warrants:

11.1 that it has the right, power and authority to submit the Notice;

11.2 the Notice is not false, inaccurate, misleading nor does it contain fraudulent information;

11.3 the Notice is submitted in good faith, does not contravene any Act of Parliament nor is it in any way illegal or defamatory or an infringement of any other party's rights or an infringement of the British Code of Advertising Practice.

12 To the extent permissible by law the Publisher excludes all implied warranties, conditions or other terms, whether implied by statue or otherwise.

13 The Advertiser agrees to indemnify and hold the Publisher and/or (as applicable) the Publisher's affiliates, officers, directors, agents and employees harmless from all losses incurred (including legal costs), in respect of any claim or demand, including threatened claims or demands, made by any third party which constitute, or would if proved constitute, a breach or threatened breach by the Advertiser of these Terms and Conditions or any breach by the Advertiser of any law or an infringement of the rights of a third party. The Publisher shall consult with the Advertiser as to the way in which such claims are handled but the Publisher retain the final decision on all aspects of the claim, including choice of instructing solicitors, steps taken in litigation and decisions to settle the case. The Advertiser shall provide, at its own expense, such co-operation and assistance as the Publisher may reasonably request, including the provision of witnesses, access to premises and delivery up of documents.

14 The Advertiser shall promptly notify the Publisher in writing of any actual, threatened or suspected claim made by a third party or parties against the Advertiser and/or the Publisher in relation to a Notice. The Publisher reserves the right, following a claim or threatened claim, to immediately remove the Notice which is the subject of the complaint from the website at www.gazettes-online.co.uk and all other websites controlled by the Publisher containing the Notice. The Publisher may require the Advertiser to amend the Notice at its own cost before it agrees to re-publish the Notice if it is capable of rectification to avoid the claim or threatened claim. Any reinstatement of the Notice shall be at the sole discretion of the Publisher.

15 The Advertiser acknowledges that the Publisher may re-use Notices and/or allow third parties to re-use Notices accepted for publication in the Belfast Gazette, and hereby assigns to the Publisher all rights, including but not limited to, copyright in all Notices, and warrants that any such activity by the Publisher and/or third parties does not and will not infringe any legal right of the Advertiser or any third party.

16 The Advertiser accepts that the purpose of the Belfast Gazette is to disseminate information of interest to the public as widely as possible and that the information contained in the Notices published in the Belfast Gazette may be used by third parties after publication for any purpose. In such instance, the Publisher accepts no liability whatsoever.

17 The Advertiser accepts that the Charges may be amended from time to time and will be payable at the rate in force at the time of invoicing unless otherwise agreed by the Publisher. The Charges must be paid by the Advertiser in advance of publication unless other requirements of the Publisher (as determined from time to time) are notified to the Advertiser.

18 If the Advertiser wishes to make a Complaint then please refer to the Gazette office.

19 A person who is not a party to these Terms and Conditions has no right under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of these Terms and Conditions but this does not affect any right or remedy of a third party specified in these Terms and Conditions or which exists or is available apart from that Act.

20 These Terms and Conditions and all other express terms of the contract shall be governed and construed in accordance with the Laws of England and the parties hereby submit to the exclusive jurisdiction of the English courts.
