1. The limits of age are 18 and 28. A candidate must have attained the lower age and must not have attained the higher age on or before the governing date. The governing date is the 31st March where the competition commences in the first six months of the year, and the 30th September where it commences in the second six months of the year. A candidate may, however, deduct from her age, for the purpose of bringing it within the prescribed limits, any time not exceeding two years which she has spent in an established situation in the Civil Service of Northern Ireland.

2. Every candidate must be a natural-born British subject, the child of a person, who is or was at the time of death a British subject; provided that if the Civil Service Commissioners are satisfied in the case of any candidate who is a British subject but does not fulfil all the requirements of the rule as to nationality and descent, that the candidate is so closely connected by ancestry and upbringing with His Majesty's Dominions that an exception may properly be made to that rule, they may accept such candidate as eligible provided that this discretion shall not be exercisable unless (a) the father or the paternal grandfather

of the candidate was a natural-born British subject, and (b) neither the father nor the paternal grandfather had acquired any other nationality by naturalization or by any other voluntary and formal act.

3. A candidate must be unmarried or a widow, and must satisfy the Commissioners, in such manner as they may require, of her fitness for appointment in respect of health, physical fitness, and character.
