E. CLARK,  
Secretary to the Ministry of Finance.

NOTE.—The cost of Reserved Services and the contribution towards Imperial Expenditure are deducted from the proceeds of Reserved Taxes. The net sum due, viz., the Residuary Share of Reserved Taxes, is paid over to the Northern Government by the Imperial Treasury one month in arrear, but in respect of the month of March a payment based on the best estimate available was made within that month.

† A further sum of £17,313 is brought forward in balance at top of column.

\* The figures printed in italics represent a credit, and total expenditure is correspondingly reduced.
