Ascertainment of Value for Compensation in Scotland.

24. Where in Scotland a head of cattle is slaughtered by order of the Board under the provisions of the Act of 1890, the value of the head of cattle for compensation shall be ascertained as follows:

(i.) Failing agreement between the valuer appointed by the Board and the owner of such animal or his agent, the valuation shall be made by a valuer appointed by the Sheriff as herein-after provided.

(ii.) As soon as may be after the date of this Order and from time to time the Sheriff of every county in Scotland may by order recorded in the Sheriff Court books appoint a sufficient number of persons (hereinafter called official valuers) to act as valuers within such county under this Order, and may recall any such appointment and may fix the scale of remuneration to be paid to each official valuer as costs in each valuation made by him.

(iii.) Before any valuer appointed by the Board and the owner or his agent proceed to value any head of cattle under this Order they shall, by writing under their hands, select one of the official valuers to act in the event of their differing in opinion as to the value of such animal: Provided that if such official valuer decline or fail to act when called upon to do so any other official valuer may act in his place.

(iv.) The valuation made in writing under the hand of any official valuer shall be final and binding on the Board and on the owner.

(v.) If a higher valuation is awarded by the official valuer than the value assigned in writing under his hand by the valuer appointed by the Board, then the Board will pay the costs and expenses of the valuation and all costs incurred by the owner in relation thereto, but otherwise the costs and expenses of the valuation and all costs incurred by the Board in relation thereto may be deducted by the Board from the sum payable to the owner as compensation in accordance with the valuation of the official valuer, who may tax or settle the amount of costs to be paid by the owner or the Board under this Article.

(ii.) Or the Local Authority may, if authorised by Licence from the Board, cause the carcase to be destroyed, under the inspection of the Local Authority, in the mode following: The carcase shall be disinfected, and shall then be taken, in charge of an officer of the Local Authority, to a horse-slaughterer's or knacker's-yard approved for the purpose by the Board, or other place so approved, and shall be there destroyed by exposure to a high temperature, or by chemical agents.

(2.) With a view to the execution of the foregoing provisions of this Article the Local Authority may make such Regulations as they think fit for prohibiting or regulating the removal of any carcase or for securing the burial or destruction of the same.
