UNIVERSITIES (SCOTLAND) ACT, 1889.
52 and 53 Vict. c. 55.

ORDINANCE No. 57.

[GENERAL NO. 19.—REGULATIONS AS TO BURSARIES, SCHOLARSHIPS, AND FELLOWSHIPS.]

At Edinburgh, the thirtieth day of July eighteen hundred and ninety-four years.

WHEREAS by the Universities (Scotland) Act, 1889 (hereafter referred to as the first-mentioned Act) the Commissioners under the said Act are empowered by section 14, sub-section 1, to regulate the foundations, mortifications, gifts, endowments, and bursaries held by any of the Universities or Colleges thereof, existing at the passing of the said Act, or by any person in trust for or on behalf of the same, or for the benefit of any Professors, students, or others therein, which have taken effect for more than twenty-five years previously to the passing of the said Act; and in particular (a) to alter the conditions or directions affecting the same if it shall appear to the Commissioners that the interests of learning and the main design of the donor, so far as is consistent with the promotion of such interests, may be better advanced by such alteration; (b) to combine or divide bursaries, and to establish bursary funds; and (c) where it shall seem requisite to frame regulations under which the patronage of existing bursaries vested in private individuals or corporate or other bodies shall be exercised: provided that in all cases where competition for bursaries and other endowments is at present restricted to the holders of certain degrees, the Commissioners shall have power to extend it to the holders of such other degrees as they may consider to constitute in the circumstances an equivalent standard of merit; provided also that in framing such regulations or making such alterations the Commissioners shall take care not to diminish the advantages provided for poor students by such foundations, mortifications, gifts, endowments, or bursaries aforesaid; and by section 14, sub-section 16, to repeal or modify any Ordinance made under the provisions of the Universities (Scotland) Act, 1858.

Therefore the Commissioners under the first-mentioned Act statute and ordain with regard to bursaries, scholarships, and fellowships which have taken effect prior to the 30th day of August 1864, as follows :—

GENERAL.

I. For the purposes of this Ordinance, bursaries in the Faculty of Arts (hereinafter referred to as bursaries in Arts) shall be deemed to be

the bursaries now attached to the said Faculty by Deed of Foundation or by custom.

II. Bursaries in Arts heretofore tenable for four years shall continue to be so tenable, provided that, if the holders graduate after the three years' course, they shall only retain their bursaries during the fourth year of tenure if they shall engage in a course of study approved by the Senatus Academicus in subjects included in the curriculum for Degrees in Arts or in Pure Science.

III. All bursars in Arts, subject to the provision as to the fourth year of tenure contained in the immediately preceding section, shall attend in each year at least two classes qualifying for graduation in Arts, and shall duly perform the work of these classes: Provided (1) that, for the purposes of this section, the classes known as Middle Classes, so long as the same exist, may be attended in place of classes qualifying for graduation; and (2) that it shall be in the power of the Senatus Academicus, with the approval of the University Court, to permit such bursars as they shall from time to time select to attend classes qualifying for graduation in Pure Science in place of classes qualifying for graduation in Arts.

IV. It shall be in the power of the Senatus Academicus to suspend or deprive a bursar, scholar, or fellow on the ground of misconduct, or, if it think fit, on the ground of his failure to obtain class certificates, or to produce such other evidence as may be required that he is prosecuting his studies in a manner satisfactory to the Senatus Academicus.

V. Bursaries in Divinity heretofore tenable for four years shall continue to be so tenable; provided that, if the holders graduate after the three years' course, they shall only retain their bursaries during the fourth year of tenure if they shall engage in a course of study in Divinity approved by the Senatus Academicus.

VI. In the case of a bursary, scholarship, or fellowship not in the gift of a patron becoming vacant by forfeiture or otherwise before the expiry of the period of tenure, it shall be in the power of the Senatus Academicus, with the approval of the University Court, to determine as to the disposal thereof, or of the income thereof, during the remainder of the said period.

VII. Any bursary tenable in several Faculties successively shall not be attached to any one of such Faculties in any year other than a year in which in ordinary rotation it would have been attached to such Faculty.

VIII. It shall be in the power of the Senatus Academicus to require, as a condition of tenure, any holder of a scholarship or fellowship who is a graduate to engage in teaching within the University or to conduct tutorial classes, unless he shall satisfy the Senatus Academicus that he is pursuing special higher studies, or that he is engaged in original research.

IX. Each Examiner at competitions for bursaries, scholarships, or fellowships shall receive suitable remuneration, and it shall be in the power of the University Court to charge the funds of bursaries, scholarships, or fellowships with the necessary expenses of examination.

OPEN BURSARIES.

X. (1) The subjects of the Examination for

open bursaries in Arts of the first year shall be the subjects prescribed for the Preliminary Examination in Arts instituted by Ordinance No. 11 [General No. 6.—Regulations for Degrees in Arts], Section III. The Examination shall be taken at the Spring or the Autumn Preliminary Examination, according as the University Court shall determine, and shall be upon the same papers: Provided that the Senatus Academicus may, for purposes of competition, subject candidates to any further test that may be deemed necessary.

(2) Candidates for such bursaries who select in the Bursary Competition Examination, Latin, Greek, or Mathematics, shall, for the purposes of the competition, take the papers of the higher standard in those subjects: Provided that nothing herein contained shall prevent a candidate passing the Preliminary Examination if he complies with the provisions of Ordinance No. 11 [General No. 6.—Regulations for Degrees in Arts], and Ordinance No. 44 [General No. 16.—Regulations for Degrees in Arts Supplementary to Ordinance No. 11].

(3) No candidate shall, except as hereinafter provided, obtain a bursary in Arts who shall not have passed the Preliminary Examination in Arts: Provided that it shall be in the power of the Senatus Academicus, with the approval of the University Court, to admit to a bursary in Arts a candidate who shall have passed in at least three subjects of the Preliminary Examination, on the condition that he shall not retain the bursary unless he shall have passed in all the subjects not later than the Second Preliminary Examination after the date of his admission as bursar: Provided also that this power shall lapse after the expiry of seven years from the date hereof unless it be renewed by Ordinance.

XI. It shall be competent for the Senatus Academicus, with the approval of the University Court, from time to time to make regulations as to the conditions under which persons shall be eligible to compete for bursaries of the first year in the Faculties of Arts and Science: Provided always that no student, who has during a winter or summer session attended any class qualifying for graduation in the said Faculties in any Scottish University, shall be eligible to compete for such bursaries.

XII. (1) In determining the marks to be assigned to the several subjects of the Bursary Competition Examination, English, Latin, Greek, and Mathematics shall each have assigned to them double the marks assigned to any other subject.

(2) Candidates may select not more than five subjects for examination from the subjects of the Preliminary Examination in Arts, and no candidate shall be credited with marks in any subject in which he has not obtained such proportion of the total number of marks assigned to that subject as the Senatus Academicus may from time to time prescribe.

XIII. The Senatus Academicus, in determining the results of the Bursary Competition Examination, may award bursaries in Arts of the first year in respect of exceptional distinction in any one branch of study: Provided that this power shall not be exercised with regard to more than two bursaries in any one year.

XIV. Bursaries open for competition to

students entering on their first session of attendance in the Faculty of Medicine shall be tenable only by those students who have passed the Preliminary Examination in Medicine, or who have been exempted therefrom in accordance with the provisions of Section VI. of Ordinance No. 46 [St. Andrews, No. 4.—Regulations for Degrees in Medicine], Ordinance No. 14 [Glasgow, No. 1.—Regulations for Degrees in Medicine], Ordinance No. 15 [Aberdeen, No. 1.—Regulations for Degrees in Medicine], or Ordinance No. 16 [Edinburgh, No. 1.—Regulations for Degrees in Medicine], and who have not attended any class qualifying for graduation in Medicine; provided always that the last-mentioned condition shall not be held to exclude a candidate who may have attended the class of Physics, Chemistry, Botany, or Zoology, otherwise than as part of a graduation course in Medicine.

RESTRICTED AND PREFERENTIAL BURSARIES.

XV. Candidates for bursaries in Arts which are not awarded by open competition shall present themselves for the Preliminary Examination in Arts prescribed by Ordinance No. 11 [General No. 6.—Regulations for Degrees in Arts], Section III., and no bursary shall, except as hereinafter provided, be awarded to any candidate who shall not have passed the Preliminary Examination in Arts: Provided that it shall be in the power of the Senatus Academicus, with the approval of the University Court, to admit to a bursary in Arts not awarded by open competition a candidate who shall have passed in at least one subject of the Preliminary Examination, on the condition that he shall not retain the bursary unless he shall have passed in all the subjects not later than the Second Preliminary Examination after the date of his admission as bursar.

XVI. In the case of a bursary, scholarship, or fellowship in the gift of a patron, including bodies corporate and not corporate, becoming vacant by forfeiture or otherwise during the period of tenure, the Senatus Academicus shall forthwith give notice of the vacancy to the patron, who may, within such time as the Senatus shall fix, appoint a qualified student to fill the vacancy; and if he fail to do so within such time the Senatus Academicus may select a deserving student to fill the vacancy until the next Preliminary Examination at which bursaries are awarded, when the patron's right to present shall revive.

XVII. On the occurrence of a vacancy in any bursary in the gift of a patron, including bodies corporate and not corporate, at the expiry of the period of tenure, the Senatus Academicus shall give notice of such vacancy to the patron of the bursary and of the date fixed for the Preliminary Examination next ensuing at which bursaries are awarded; and the patron may, if he think fit, submit to the Senatus the names of two or more candidates eligible for such bursary, who shall undergo an examination to be conducted by the examiners for open bursaries in the University, and the result of the examination shall be communicated to the patron for his information, who shall thereafter present to the bursary.

XVIII. In the case of a bursary in the gift of a patron, including bodies corporate and not corporate, if no qualified person be presented before the date of the Preliminary Examination

intimated in terms of the immediately preceding section, the bursary shall be open to unrestricted competition for that year; and in the event of no qualified person being presented as before provided at the beginning of the next academical year the Senatus may either throw open the bursary to unrestricted competition, or continue the same to the student to whom it had previously been awarded: Provided that this section shall not apply in cases where the patron shall previously satisfy the Senatus Academicus that proper arrangements have been made for the selection of a bursar.

MISCELLANEOUS.

XIX. In the case of bursaries designed for poor students, the Senatus Academicus shall satisfy itself that the circumstances of candidates are such as to entitle them to the benefit of the endowment, and for this purpose the Senatus may require that a declaration be made by a parent or guardian, or by the minister of religion or schoolmaster, of each candidate as the Court shall think fit.

XX. In the case of the bursaries enumerated in the first column of the Schedule hereunto annexed, the preferences and restrictions set forth in the second column of the said Schedule shall be and are hereby cancelled, and shall be of no force or effect.

XXI. Nothing herein contained shall apply to any bursary or endowment granted by any incorporation or society whose funds, capital, or revenue have been and are contributed and paid by the members of such incorporation or society by way of entry monies or other fixed or stated contributions.

XXII. The Senatus Academicus, with the approval of the University Court, shall prescribe the subjects of examination and the conditions of competition for bursaries, scholarships, or fellowships, in so far as the same are not prescribed by Ordinance or by deed of foundation.

XXIII. The provisions of any Ordinance of the Commissioners under the Universities (Scotland) Act, 1858, in so far as inconsistent with the provisions of this Ordinance, are hereby repealed.

XXIV. This ordinance shall come into force from and after the 1st day of January 1895, or as soon thereafter as it may be approved by Her Majesty in Council; provided that nothing herein contained shall extend to, or affect the interests of, any person holding a bursary, scholarship, or fellowship at the date of its coming into effect.

In witness whereof these presents are sealed with the seal of the Commission.

UNIVERSITIES (SCOTLAND) ACT, 1889.

52 and 53 Vict. c. 55.

ORDINANCE No. 58.

[GENERAL No. 20.—REGULATIONS FOR ADMITTING WOMEN TO BURSARIES, SCHOLARSHIPS, AND FELLOWSHIPS.]

At Edinburgh, the thirtieth day of July eighteen hundred and ninety-four years.

WHEREAS by the Universities (Scotland) Act, 1889 (hereinafter referred to as the first mentioned Act), the Commissioners under the said Act are empowered by section 14, sub-section 1, to regulate the foundations, mortifications, gifts, endowments, and bursaries held by any of the Universities or Colleges thereof, existing at the passing of the said Act, or by any person in trust for or on behalf of the same, or for the benefit of any Professors, Students, or others therein, which have taken effect for more than twenty-five years previously to the passing of the said Act, or if given within less than twenty-five years, are wholly or partially inoperative or dormant; and in particular (a) to alter the conditions or directions affecting the same if it shall appear to the Commissioners that the interests of learning and the main design of the donor, so far as is consistent with the promotion of such interests, may be better advanced by such alteration; (b) to combine or divide bursaries, and to establish bursary funds; and (c) where it shall seem requisite to frame regulations under which the patronage of existing bursaries vested in private individuals or corporate or other bodies shall be exercised: provided that in all cases where competition for bursaries and other endowments is at present restricted to the holders of certain degrees, the Commissioners shall have power to extend it to the holders of such other degrees as they may consider to constitute in the circumstances an equivalent standard of merit: provided also that in framing such regulations or making such alterations the Commissioners shall take care not to diminish the advantages provided for poor students by such foundations, mortifications, gifts, endowments, or bursaries aforesaid; and by the said section 14, sub-section 6, to enable each University to admit women to graduation in one or more Faculties, and to provide for their instruction, and by section 14, sub-section 16, to repeal or modify any Ordinance made under the provisions of the Universities (Scotland) Act, 1889.

Therefore the Commissioners under the first-mentioned Act statute and ordain as follows:—

I. (1). It shall be in the power of the University

Court in each University, after consultation with the Senatus Academicus, to make regulations from time to time for the purpose of appropriating for competition without restriction as to sex, or for competition among women students only who are proceeding to a degree in any Faculty, such number, if any, of open bursaries, which have taken effect prior to the 30th day of August 1864, as the University Court may think fit: provided always (a) that the Court and the Senatus in each University shall, in making such regulations, have regard to the number of bursaries in that University specially appropriated to women by the terms of the deeds of foundation; (b) that no bursary shall be appropriated to students in any other Faculty than that to which it is at present attached, except under Section III. of Ordinance [General No. 19.—Regulations as to Bursaries, Scholarships, and Fellowships].

(2) It shall be in the power of the University Court of each University, in like manner, to open to competition, without restriction as to sex, such number, if any, of Scholarships or Fellowships tenable by graduates, which have taken effect prior to the 30th day of August 1864, as the said Court may think fit.

II. Save as hereinbefore provided, women shall not be allowed to compete for or hold any Bursary, Scholarship, or Fellowship, which is not expressly open to competition by women by the terms of the deed of foundation.

III. Women competing for Bursaries, Scholarships, or Fellowships under the provisions of this Ordinance shall be subject to all the provisions prescribed by Ordinance [General No. 19.—Regulations as to Bursaries, Scholarships, and Fellowships].

IV. This Ordinance shall come into force from and after the first day of January 1895, or as soon thereafter as it shall be approved by Her Majesty in Council: provided that nothing herein contained shall extend to, or affect the interests of, any person holding a bursary, scholarship, or fellowship at the date of its coming into force.

In witness whereof these presents are sealed with the seal of the Commission.
