The Board of Agriculture, by virtue and in exercise of the powers in them vested under the Diseases of Animals Acts, 1894 and 1896, and of every other power enabling them in this behalf, do order, and it is hereby ordered, as follows:—

Notice of Disease.

1.—(1) Every person having or having had in his possession or under his charge an animal affected with or suspected of rabies shall, with all practicable speed, give notice of the fact of the animal being so affected or suspected to a constable of the police force for the police area wherein the animal so affected or suspected is or was.

(2) The constable receiving such notice shall immediately transmit the information by telegraph to the Secretary, Board of Agriculture, 4 Whitehall Place, London, S.W.

(3) The constable shall also forthwith give information of the receipt by him of the notice to an Inspector of the Local Authority, who shall forthwith report the same to the Local Authority.

Duty of Inspector to act immediately.

2. An Inspector of a Local Authority on receiving, in any manner whatsoever, information of the supposed existence of rabies, or having reasonable grounds to suspect the existence of rabies, shall proceed with all practicable speed to the place where such disease, according to the information received by him, exists, or is suspected to exist, and shall there and elsewhere put in force and discharge the powers and duties conferred and imposed on him as Inspector by or under the Act of 1894 and this Order.

Public Warning as to Existence of Disease.

3.—(1) The Local Authority may, if they think fit, give public warning by placards, advertisement, or otherwise, of the existence of rabies in any shed, stable, building, kennel, field, or other place, with or without any particular description thereof, as they think fit, and may continue to do so during the existence of the disease, and, in case of a shed, stable, building, kennel, or other like place, until the same has been cleansed and disinfected.

(2) It shall not be lawful for any person (without authority or excuse) to remove or deface any such placard.

Compulsory Slaughter of Dogs.

4. A Local Authority shall cause to be slaughtered every dog within their District which is diseased or suspected, or which has been bitten by a diseased or suspected dog.

Owners to give facilities for Slaughter.

5.—(1) Where the power of causing any dog to be slaughtered under this Order is exercised by a Local Authority, the owner and person in charge of such dog shall give all reasonable facilities for that purpose.

(2) Any person failing to comply with the provisions of this Article shall be deemed guilty of an offence against the Act of 1894.

Post-Mortem Examination.

6.—(1) Where an animal has died of, or has been slaughtered on account of, rabies or disease supposed to be rabies, the Local Authority shall, previous to the disposal of the carcase, cause a post-mortem examination to be made thereof, in which case such examination shall be conducted by a Veterinary Inspector or Veterinary Surgeon specially appointed in that behalf, who shall forthwith report to the Board in such form as may be required the result of such examination.

(2) The owner and the person in charge of any such carcase shall give all reasonable facilities for the purpose of such examination, and any person failing to give such facilities shall be deemed guilty of an offence against the Act of 1894.

(3) A certificate of a Veterinary Inspector to the effect that an animal is or was affected with rabies shall, for the purposes of the Act of 1894 and this Order, be conclusive evidence in all courts of justice of the matter certified.

Dogs deemed to be Exposed to Infection.

7. Every dog shall, for the purposes of this Order, be deemed to have been exposed to the infection of rabies which has been in the same shed, stable, building, kennel, field, or other place or otherwise in contact with any diseased or suspected dog, or which has in any other way been exposed to the infection of rabies.

Local Authority to Secure Isolation of Dogs Exposed to Infection.

8. The Local Authority shall, so far as practicable, secure the isolation of dogs which have been exposed to the infection of rabies by causing Notices under the next following Article to be served with all practicable speed on the owner or person in charge of every such dog within their District, and by taking all necessary steps to enforce compliance with every Notice served under such Article.

Isolation of Animals.

9.—(1) An Inspector of a Local Authority or of the Board may serve a Notice in writing (in the Form A set forth in the First Schedule to this Order or to the like effect) on the owner or person in charge of any dog or other animal requiring the same to be kept in a kennel, shed, or other building, and after the service of such Notice it shall not be lawful for any person, until such Notice be withdrawn by a further Notice in writing (in the Form B set forth in the First Schedule to this Order or to the like effect) signed by an Inspector of the Board—

- (ii.) If the dog has been exposed to the infection of rabies it shall be detained, slaughtered, or otherwise dealt with as the Local Authority think expedient, but so that the dog shall not, while detained by the Local Authority, be allowed to come in contact with any other animal.

(iii.) In any other case the dog shall be detained in some proper place, and be there kept for such period as the Local Authority think expedient: Provided that where the person having charge of or the owner of a dog so detained is known, the Local Authority shall cause notice to be forthwith given to such person or owner of the fact of the dog having been so seized and detained, and the dog shall, without prejudice to the recovery of any penalty for the infringement of this Order, be given up to such person or owner on payment of the reasonable expenses incurred by the Local Authority in respect of such detention. If the dog so seized and detained has not been claimed by such person or owner within three days after the seizure, or, where such person or owner is known,

within two days after the aforesaid notice has been given, the Local Authority may cause the dog to be slaughtered or otherwise disposed of in such manner as the Local Authority deem expedient.

- (ii.) Or the Local Authority may, if authorised by Licence of the Board, cause the carcase to be destroyed, under the inspection of the Local Authority, in the mode following: The carcase shall be disinfected, and shall then be taken, in charge of an officer of the Local Authority, to a horse-slaughterer's or knacker's-yard approved for the purpose by the Board; or other place so approved, and shall be there destroyed by exposure to a high temperature, or by chemical agents.

(2) With the view to the execution of the foregoing provisions of this Article, the Local Authority may make such Regulations as they think fit for prohibiting or regulating the removal of carcasses or for securing the burial or destruction of the same.

(3) Where under this Article a Local Authority cause a carcase to be buried they shall first cause the skin to be so slashed as to be useless.

(4) A Local Authority may cause or allow a carcase to be taken into the District of another Local Authority to be buried or destroyed, with the previous consent of that Local Authority, but not otherwise.

Digging up.

12. It shall not be lawful for any person, except with the Licence of the Board or permission in writing of an Inspector of the Board, to dig up or cause to be dug up the carcase of any animal that has been buried, whether under this Order or otherwise.

(2) If any person fails to cleanse and disinfect in accordance with any such Regulations, it shall be lawful for the Local Authority, without prejudice to the recovery of any penalty for the infringement of such Regulations, to cause such place, vehicle, or thing to be cleansed and disinfected, and to recover summarily the expenses of such cleansing and disinfection from such person.

Occupiers to give facilities for Cleansing.

15.—(1) Where the power of causing any place, vehicle, or thing to be cleansed and disinfected under this Order is exercised by a Local Authority, the owner and occupier and person in charge of the place, vehicle, or thing shall give all reasonable facilities for that purpose.

(2) Any person failing to comply with the provisions of this Article shall be deemed guilty of an offence against the Act of 1894.
