Board of Trade—Session 1899.

KILMARNOCK ELECTRIC LIGHTING.

(Application to the Board of Trade, under the Electric Lighting Acts, 1882 to 1890, for a Provisional Order to authorise the Provost, Magistrates and Town Council of the Burgh of Kilmarnock to Supply Electricity for Public and Private Purposes in the Burgh of Kilmarnock, in the County of Ayr; to Construct Works; to Break-up or Interfere with Streets, Railways, and Tramways; to Lay Electric Lines; to Make Charges; to Levy Rates; to Acquire Lands, Easements, and Servitudes; to Enter into Agreements; to Borrow Money; and for other purposes.)

NOTICE is hereby given, that application is intended to be made to the Board of Trade, on or before the 21st day of December next, by the Provost, Magistrates and Town Council of the Burgh of Kilmarnock, in the County of Ayr, being the local authority of that burgh for the purposes and within the meaning of the Electric Lighting Acts, 1882 and 1888, as amended by the Electric Lighting (Scotland) Act, 1890, and who are hereinafter called "the undertakers," and whose address is The Council Chambers, Kilmarnock, for a Provisional Order (hereinafter called "the Order") under the said Electric Lighting Acts, 1882 to 1890, to be confirmed by Parliament in the ensuing Session, for all or some of the following purposes (that is to say):—

1. To authorise the undertakers to produce, store, sell, and supply electricity for all public and private purposes, as defined by the said Acts, within the area of supply hereinafter mentioned, that is to say:—Within the limits of the burgh of Kilmarnock (hereinafter called "the area of supply").

2. To authorise the undertakers to appropriate, for the purposes of the proposed undertaking, any lands or property belonging to or held by them, and to purchase, hold, acquire, feu, or take on lease any lands, easements, or servitudes in lands for the purposes of the said Order, and with power to sell, lease, sublet, or dispose of the same.

3. To authorise the undertakers to construct, provide, lay down, alter, renew, and maintain on lands belonging to or leased by, or to be acquired or leased by the undertakers within the area of supply, such central and other stations, buildings, engine houses, and works for

the generation, storage, supply, and distribution of electricity and electric currents as may from time to time be necessary for supplying electricity within the area of supply, or for other the purposes of the Order, together with engines, machinery, apparatus necessary or convenient for the purposes aforesaid, and to lay down, place, and maintain, alter and renew electric lines, wires, conductors, mains, pipes, and other apparatus and works for the supply and distribution of electricity and electric currents in, through, under, over, along, or across all streets, bridges, squares, courts, alleys, highways, lanes, roads, thoroughfares, railways, tramways, public passages and places within the said area of supply.

4. To authorise the undertakers to cross, open, and break up for the purposes of the said Order the soil and pavement of the several streets and thoroughfares, railways, tramways, and bridges within the area of supply, and to take up, relay, divert, or alter sewers, drains, mains, and all gas and water pipes, and telegraph and telephonic tubes and wires and other works therein, within the said area of supply, and do all such other works and acts, and to confer on the undertakers all such further powers as may be necessary to carry into effect the objects of the Order.

5. To authorise the undertakers to manufacture, purchase, hire, sell, and supply meters, lamps, appliances, machinery, apparatus, and patents in relation to the manufacture, storage, supply, and distribution of electricity.

6. To authorise the undertakers to transfer to any local or other public authority, company, or person all or any of the powers, duties, and liabilities given to or imposed upon them by the Order, or the said Electric Lighting Acts, and to make and carry into effect agreements for the production and distribution of electricity, and for the performing of all acts incidental to public and private lighting.

7. To authorise the undertakers to enter upon any houses or other premises supplied by them for any purpose relating to such supply.

8. To empower the undertakers to make charges, and levy and recover rates, rents and charges for the supply of electricity, and for the use of any machines, lamps, accumulators, meters and other apparatus in connection therewith, and to define and limit the prices to be charged for such supply.

9. To empower the undertakers to apply their funds and the local rate, as defined in the said Acts, or a special or other rate, towards all or any of the purposes of the said Order, and to borrow money for the purposes of the Order and for defraying the expenses incurred thereunder, and to impose and levy rates to defray such expenses and in security of the money so borrowed.

10. To exempt the undertakers from the obligation to supply electricity for public or private purposes in such portion or portions of the said area of supply, or under such conditions or circumstances as may be specified in the Order.

11. To confer upon the undertakers all or some of the powers of the Electric Lighting Acts, 1882 to 1890, and such other powers, rights, and privileges as may be necessary or expedient for carrying out the purposes of the Order, and to vary or extinguish any rights and privileges which may be inconsistent therewith.
