ORDER OF THE BOARD OF AGRICULTURE.

(DATED 2ND AUGUST 1900.)

ZETLAND (STRANGLES) ORDER OF 1900.

The Board of Agriculture, by virtue and in exercise of the powers in them vested under the Diseases of Animals Acts, 1894 and 1896, and of every other power enabling them in this behalf, do order, and it is hereby ordered, as follows:—

Separation of Diseased and Suspected Animals and Notice of Disease.

1. Every person having in his possession or under his charge a horse, ass, or mule affected

with strangles, or suspected of being so affected, shall (a) as far as practicable keep that animal separate from animals not so affected or suspected; and (b) with all practicable speed give notice of the fact of the horse, ass, or mule being so affected, or suspected, to an Inspector of the Local Authority, or to one of his Assistants, who shall forthwith report the same to the Local Authority.

Duty of Inspector to act immediately.

2. An Inspector of the Local Authority on receiving in any manner whatsoever information of the supposed existence of strangles, or having reasonable ground to suspect the existence of strangles, shall proceed with all practicable speed to the place where such disease, according to the information received by him, exists, or is suspected to exist, and shall there and elsewhere put in force and discharge the powers and duties conferred and imposed on him as Inspector by or under the Act of 1894 and this Order.

Public Warning as to Existence of Strangles.

3.—(1) The Local Authority may, if they think fit, give public warning by placards, advertisement, or otherwise, of the existence of strangles in any stable, building, field, or other place, with or without any particular description thereof, as they think fit, and may continue to do so during the existence of the disease, and in case of a stable, building, or other like place, until the same has been cleansed and disinfected.

(2) It shall not be lawful for any person (without authority or excuse) to remove or deface any such placard.

Slaughter.

4. The Local Authority may, if they think fit, cause to be slaughtered—

- (i.) Any horse, ass, or mule affected with strangles; or
- (ii.) Any horse, ass, or mule being or having been in the same stable, building, field, or other place in which strangles exists or is suspected to exist, or being or having been in contact with a horse, ass, or mule affected with strangles.

(iii.) Provided, that if the owner of the horse, ass, or mule gives notice in writing to the Local Authority, or their Inspector or other officer, that he objects to the horse, ass, or mule being slaughtered, it shall not be lawful for the Local Authority to cause that horse, ass, or mule to be slaughtered except with the further special authority of the Board first obtained.

Compensation.

5. The Local Authority shall, except as hereinafter provided, pay out of the local rate as compensation for any horse, ass, or mule slaughtered under this Order, the value of the horse, ass, or mule immediately before it was slaughtered.

Regulations of Local Authority as to Movement.

6. The Local Authority may, for the purpose of preventing the spreading of strangles, make Regulations for the following purposes, or any of them:—

- (a) For prohibiting or regulating the movement by land or by water of horses, asses, or mules in the whole of their District or

in such part or parts thereof as may be specified by the Local Authority:

- (b) For prohibiting or regulating the movement by land or by water of horses, asses, or mules out of the whole of their District or out of such part or parts thereof as may be specified by the Local Authority:
- (c) For prohibiting or regulating the movement out of any stable, building, field, or other place of a horse, ass, or mule affected with or suspected of strangles:

- (e) For regulating the taking out of any stable, building, field, or other place of any fodder, litter, or other thing that has been in contact with or used for or about a horse, ass, or mule affected with or suspected of strangles; but nothing in any such Regulation shall authorise movement in contravention of any provision of any Order of the Board for the time being in force; and a Regulation under paragraph (d) of this Article shall operate so long only as any horse, ass, or mule, which in the judgment of the Local Authority is affected with strangles, remains in the stable, building, field, or other place to which the Regulation refers, and in case of a stable, building, or other like place, until the Regulations of the Local Authority as to cleansing and disinfection have been complied with.

Regulations of Local Authority as to Cleansing and Disinfection.

7.—(1) The Local Authority may, for the purpose of preventing the spreading of strangles, make Regulations for the following purposes, or any of them:—

- (a) For providing for the cleansing and disinfection of places used by horses, asses, or mules affected with or suspected of strangles:
- (b) For prescribing the mode in which such cleansing and such disinfection are to be effected:

(2) If any person fails to cleanse and disinfect any place in accordance with any such Regulation, it shall be lawful for the Local Authority, without prejudice to the recovery of any penalty for the infringement of such Regulation, to cause such place to be cleansed and disinfected, and to recover the expenses of such cleansing and disinfection from such person in any court of competent jurisdiction.

Occupiers and Owners to give facilities for Cleansing, &c.

8. Where the power of causing any place to be cleansed and disinfected under this Order is exercised by the Local Authority, the occupier or owner thereof shall give all reasonable facilities for that purpose.

General Provisions as to Regulations of Local Authority.

9.—(1) The Local Authority shall forthwith

send to the Board a copy of every Regulation made by them under this Order.

(2) If the Board are satisfied on inquiry, with respect to any Regulation made by the Local Authority under this Order, that the same is for any reason objectionable, and direct the revocation thereof, the same shall thereupon cease to operate.

Withholding of Compensation.

10. The Local Authority before determining, under sub-section seven of section twenty of the Act of 1894, to withhold, either wholly or partially, compensation or other payment in respect of a horse, ass, or mule slaughtered by their order under this Order, shall give to the owner of the horse, ass, or mule an opportunity of making representations to them respecting the facts and circumstances of the case, and shall consider the same.

Record of Slaughter.

11. The Local Authority shall keep, in the form provided by the Board, a record relative to horses, asses, or mules slaughtered by their order under this Order, stating the particulars indicated in such form, with such variations as circumstances require.

defaults, be deemed guilty of an offence against the Act of 1894.

(2) If any person, with a view to unlawfully evade or defeat the operations of this Order, by clipping, or washing, or in any other manner, takes out, effaces, or obliterates, or attempts to take out, efface, or obliterate any mark clipped, painted, or stamped on any horse, ass, or mule as required by a Regulation of the Local Authority made under this Order, the person doing the same, and the person causing, directing, or permitting the same to be done, and the owner of the horse, ass, or mule, and the person for the time being in charge thereof, shall, each according to and in respect of his own acts and defaults, be deemed guilty of an offence against the Act of 1894.
