CERTIFIED AND STATE INEBRIATE REFORMATORIES.

I, the Right Honourable Charles Thomson Ritchie, one of His Majesties Principal Secretaries of State, do hereby, by virtue of section 6 of the Inebriates Act, 1898, make the following regulations respecting the transfer of inebriates from a Certified Inebriate Reformatory to a State Inebriate Reformatory, from a State Inebriate Reformatory to a Certified Inebriate Reformatory, and from one Certified Inebriate Reformatory to another:—

I. Transfer from a Certified Inebriate Reformatory to a State Inebriate Reformatory.

In any case in which the Secretary of State thinks fit to order the transfer of a person from a Certified Inebriate Reformatory to a State Inebriate Reformatory, the direction shall be given by Warrant under his hand or under the hand of an Under Secretary or Assistant Under Secretary of State.

Such transfer shall be effected by the Managers of the Certified Inebriate Reformatory within such period as the Warrant may direct, and the person so transferred shall be detained in the State Reformatory for such time as may be specified in the Warrant, or as may be fixed by the Secretary of State by subsequent Order under his hand or in other manner aforesaid.

Applications for the transfer of any person from a Certified Reformatory to a State Reformatory must be made by the Managers of the Institution in which such person is confined. Such application must be directed to the Secretary of State and be accompanied by

Any details which may be in the possession of the Managers concerning the history of the inmate previous to committal to the certified Reformatory.

A full statement concerning such inmate's conduct during detention in the Certified Reformatory, with a complete list of all offences he may have committed, together with details concerning any punishments which may have been awarded for such offences, and his medical history.

A full statement of the reasons on which the managers base their application.

II. Transfer from a State Inebriate Reformatory to a Certified Inebriate Reformatory.

In any case in which the Secretary of State thinks fit to order the transfer of a person from a State Reformatory to which he has been committed in pursuance of section 1 of the Inebriates Act, 1898, to a Certified Reformatory the Managers of which are willing to receive him, the direction shall be given by Warrant under his hand or under the hand of an Under Secretary or Assistant Under Secretary of State.

A person transferred from a Certified to a State Inebriate Reformatory by Warrant in which such person is ordered to be detained in the latter institution for a fixed period shall upon the expiration of such period be re-conveyed to the Certified Reformatory from which he was transferred, unless the Secretary of State shall otherwise direct.

In other cases when any inmate shall have been transferred from a Certified to a State Inebriate Reformatory in accordance with these Regulations, and the Secretary of State shall determine that it is desirable to return such inmate to the Certified Inebriate Reformatory from whence he was transferred, the Managers of such Certified Inebriate Reformatory shall thereupon receive such inmate.

When the Secretary of State shall be of opinion that, for any reason, it is undesirable to return any inmate from a State Inebriate Reformatory back to the particular Certified Reformatory from which such inmate was originally transferred, he will order the transfer of such inmate to any other Certified Reformatory
