Whereas by the eleventh section of the Volunteer Act, 1863, it is, amongst other things, enacted that "Her Majesty in Council " may, from time to time, declare what is " requisite to entitle a Volunteer to be deemed " an efficient Volunteer by an Order in Council " defining for that purpose the extent of attend- " ance at drill to be given by the Volunteer, " and the course of instruction to be gone " through by him, and the degree of proficiency " in drill and instruction to be attained by him " and his Corps, such proficiency to be judged " of by the Inspecting Officer at the Annual " Inspection of the Corps, or otherwise, as by " Order in Council is from time to time directed;"

and that "the draft of any Scheme to be from "time to time submitted to Her Majesty in "Council for approval under the present section "shall have been laid before both Houses of "Parliament for one lunar month at least, either "before or after, or partly before and partly "after, the passing of this Act during the present "or for the like period during any subsequent "Session of Parliament, before such Scheme "receives the approval of Her Majesty in "Council":

And whereas it is deemed expedient that the Order in Council bearing date the fourth November one thousand nine hundred and one, and likewise that portion of the Order in Council of the twentieth October one thousand eight hundred and ninety-eight unrepealed thereby, declaring what is requisite to entitle a Volunteer to be deemed an efficient Volunteer be cancelled, and that a fresh Order be made in the terms set forth in the Schedule to this Order annexed:

And whereas a draft of the Scheme to be attached to the proposed fresh Order was on the fifth and sixth days of June last laid before both Houses of Parliament in the words mentioned and set forth in the Schedule to this Order annexed, and, one lunar month having elapsed since that time, the proposed Scheme hath this day been submitted to His Majesty in Council for His approval thereof:—

Now, therefore, His Majesty, having this day taken the said Scheme into consideration, doth, in pursuance and exercise of the power in His Majesty by the said Act of Parliament in that behalf vested, and by and with the advice of His Privy Council, hereby direct the substitution of the said draft Scheme, forming the Schedule to this Order, for the aforesaid Order in Council of the fourth November one thousand nine hundred and one, and for that portion of the Order in Council of twentieth October one thousand eight hundred and ninety-eight unrepealed thereby; and doth also direct the cancellation of the Order in Council and the unrepealed portion of the Order in Council last named.

A. W. FITZROY.

SCHEDULE referred to in the foregoing Order:—

To substitute the accompanying "Scheme relative to and Certificates of Efficiency" for the corresponding scheme and certificates now in force—

1. A Volunteer who is a member of a Corps on the first November in any year shall be entitled to be deemed an efficient Volunteer during the ensuing twelve months if, subject to the conditions hereinafter prescribed, he has during the preceding year fulfilled the requirements stated in the schedule hereto in accordance with regulations made by one of Our Principal Secretaries of State.

2. Where the situation and circumstances of any Volunteer Corps in any particular year are such as, in the opinion of the Secretary of State, to create serious obstacles to the fulfillment by any of the Volunteers belonging to that Corps of the requirements for efficiency, the Secretary of State shall have power to relax or dispense with one or more of the requirements from any of the Volunteers belonging to such Corps in such year, or to substitute equivalent conditions of efficiency.

3. Where any Corps shall have been precluded by an epidemic from complying with the requirements herein prescribed, or shall in the first year of its service have encountered exceptional difficulties in the completion of its organisation and efficiency of its members, it shall be competent to the Secretary of State to modify or dispense with, so far as applies to such year of service, the stipulated conditions of efficiency of any members of such Corps.

4. No Corps, except as specified hereunder, will be exempted by the Commander-in-Chief from attending camp, unless for very special reasons, and exemption for two consecutive years will never be granted unless exceptional reasons justify the Secretary of State in specially exercising his power under Articles two and three hereof.

The following Corps are not obliged to attend camp, but are liable to the extra attendances in lieu:—

1st Orkney Royal Garrison Artillery Volunteers.

7th (Isle of Man) Volunteer Battalion, Liverpool Regiment.

7th Volunteer Battalion, Gordon Highlanders.

5. No Volunteer who is absent from the annual inspection of his Corps, except in case of sickness duly certified, or by leave granted in writing for special cause by the commanding officer, shall be entitled to be deemed efficient.

6. Where a corps is by its own default not inspected during the year, or where the officer inspecting a Volunteer Corps at the annual inspection in any year reports that the Corps is not efficient in training and instruction to his satisfaction, or that irregularities have occurred in its training and administration, then, notwithstanding anything hereinbefore provided, the Secretary of State shall have power to direct that none of the Volunteers belonging to the Corps shall be deemed efficient.

7. The commanding officer, or the inspecting officer, shall have power to direct that a Volunteer shall be deemed non-efficient if he considers it proper to do so, on account of the want of efficiency of that Volunteer, or on account of his arms or equipment being in bad order and condition.

8. Terms used in this Order, or in the schedule hereto, have the same meanings as they have when used in the Volunteer Act, 1863.

The term "recruit" used in the schedule shall not include a Volunteer who has served for two months in the Royal Navy, Regular Army, Army Reserve, Royal Marines, or Royal Irish Constabulary, or has attended the preliminary drill, or drill on enlistment, or annual training of a Militia unit, or has performed one year's efficient service in the Imperial Yeomanry, the Volunteers, or the permanent forces of a Colony, or in the year immediately preceding his enrolment has attended as a member of a cadet corps or cadet battalion, sanctioned by the Secretary of State, the number of drills prescribed for the arm of the service which he has joined.

Recruits who join too late in any year to become efficient therein, may be allowed to reckon attendances made before first November towards the number required for efficiency in the following year.

9. The provisions herein contained shall take effect from the first November one thousand nine hundred and one.
