#### CHAPTER I.—PROHIBITION.

##### Animals from Scheduled Countries Prohibited.

1. It shall not be lawful to land in Great Britain any animal brought from any of the countries or parts of countries mentioned in the First Schedule to this Order, which countries and parts of countries are hereinafter referred to as scheduled countries.

##### Swine from the United States of America Prohibited.

2. It shall not be lawful to land in Great Britain any swine brought from the United States of America.

##### Prohibition of Landing of Carcases, &c.

3.—(1) It shall not be lawful to land in Great Britain—

- (a) a carcase of an animal which has died or been slaughtered on board a vessel while in a port or place in a scheduled country or during the passage from any such port or place to Great Britain; or

- (c) any partly consumed or broken fodder that has been supplied to any such animal; or
- (d) any litter that has been used for or about any such animal; or

Inspector of the Board for the landing thereof has been obtained.

(2) The Principal officer of Customs may seize and detain any carcase, dung, fodder, litter, fittings, pens, hurdles, or utensils landed in contravention of this Article, and he shall forthwith report the facts to the Commissioners of Customs, who may give such directions as they think fit for the destruction or disposal thereof.

#### CHAPTER 2.—FOREIGN ANIMALS SUBJECT TO SLAUGHTER.

##### Conditions of Landing.

4.—(1) The landing of foreign animals at a Foreign Animals Wharf is hereby made subject to the following conditions:—

*First.* That the vessel in which they are imported has not, within twenty-eight days before taking them on board, had on board any animal exported or carried coastwise from a port or place in any scheduled country.

*Third.* That the animals imported have not, while on board the vessel, been in contact with any animal exported or carried coastwise from any port or place in any scheduled country.

(2) Animals shall not be landed at a Foreign Animals Wharf unless and until the master of the vessel in which they are imported has on the occasion of such importation delivered to the Commissioners of Customs, or their proper officer, a declaration made and signed that all the animals then imported therein are properly imported according to the provisions of this Article.

(5) The market authority shall give notice of the provisions of this Article by placards, which shall be kept affixed at or near the entrance of any landing-stage, pier, quay, reception-lair, or other part of the Wharf to which access is for the time being restricted by this Article.

12. If it appears to an Inspector of the Board that disease exists or has lately existed in a reception-lair, or in any particular building, slaughter-house, or other part of a Foreign Animals Wharf, all the animals that are then within such reception-lair, building, slaughter-house, or other part of a Wharf shall be there detained by the Inspector of the Board or shall be moved to such other part of the Wharf as he shall direct or permit, and the same shall be dealt with in accordance with instructions given by the Inspector of the Board.

#### Food and Water.

13.—(1) Animals landed at a Foreign Animals Wharf shall, until they are taken charge of by the owners or consignees, be supplied by the market authority or the person in charge thereof with a proper and sufficient supply of food and water, and the expenses incurred by them in respect thereof shall be defrayed by the owners or consignees of the animals, and may be recovered by such authority or person from the owners or consignees in any court of competent jurisdiction.
