ADJUSTMENT ORDER No. XXXV.

(NEW PARISH OF ARDOCH.)

WHEREAS a new Parish, called the Parish of Ardoch, was constituted on the 22nd day of August 1898, by the Order of the Secretary for Scotland, published in the Edinburgh Gazette of the 26th August 1898 (No. XXXVII.):

And whereas all questions of adjustment consequential on the said Order were expressly reserved:

And whereas certain liabilities of the said Parish and of the Parish of Muthill were adjusted by my Order dated 1st May 1899:

And whereas the Parish Council of Ardoch has made a representation to me that I should, under section 51 of the Local Government (Scotland) Act, 1889, and section 46 of the Local Government (Scotland) Act, 1894, issue an Order for the further adjustment of the liabilities of the said Parish of Ardoch and the said Parish of Muthill in respect of the share of the assets of the Parish of Muthill effeiring to the Parish of Ardoch.

Now, therefore, I, the Right Honourable Alexander Hugh, Lord Balfour of Burleigh, K.T., His Majesty's Secretary for Scotland, do, in virtue of the powers conferred upon the Secretary for Scotland by the Local Government (Scotland) Acts, order as follows:—

The Parish Council of Muthill shall pay to the Parish Council of Ardoch the sum of one hundred

and twenty-two pounds, with interest at five per cent. per annum as from the 15th May 1899.

Given under my hand and seal of office this thirteenth day of August 1903.

The King has been pleased, by Warrant under His Majesty's Royal Sign Manual, bearing date the 12th instant, to appoint Henry Watson, Esquire, to be a Member of the Fishery Board for Scotland, in the room of James Ritchie Welch, Esquire, deceased.

Regulations as to Cholera, Yellow Fever, and Plague.

Seaboard Local Authorities.

AMENDING ORDER.

To all Local Authorities in Scotland, within whose District there is a Port or Harbour:—

To all Officers of Customs;

To all Medical Officers of Health of the Local Authorities aforesaid;

To all Masters of ships;

To all Pilots;

And to all others whom it may concern.

Whereas, we, the Local Government Board for Scotland, by an Order dated the 1st day of

January 1898, and an Amending Order dated the 24th day of December 1902, in the exercise of the powers conferred upon us by the Public Health (Scotland) Act, 1897, 60 and 61 Vict. cap. 38, and of every other power enabling us in that behalf, made certain Regulations (hereinafter referred to as "The Regulations") with a view to the treatment of persons affected with cholera, yellow fever, or plague, and for the prevention and spread of such diseases.

And whereas, by Articles 6 and 10 of the Regulations contained in our Order dated the 1st day of January 1898, it is provided as follows:—

Art. 6.—Every Local Authority within whose district persons are likely to be landed from ships coming foreign shall, with the approval of the Chief Officer of Customs of the port, fix some place where any ship may be moored or anchored, for the purpose of Article 10; and shall make provision for the reception of patients and persons suffering from cholera, yellow fever, and plague, and remove them under Articles 13 and 14.

In the case of any Local Authority within whose district or jurisdiction there is, in the opinion of the Local Authority and of the Chief Officer of Customs of the port, no place where a ship can be moored or anchored safely or suitably for the purpose of this Article, such Local Authority may fix some place without such jurisdiction or district, but as near thereto as possible, wherein a ship may be moored or anchored for the purpose of Article 10 hereof. Provided that no such place shall be fixed without the consent of the Local Authority within whose jurisdiction or district the said place is situate, and that in the event of such consent being refused the first mentioned Local Authority may, in their discretion, refer the matter to us, whose decision on any or all the points in dispute (without prejudice to any other course provided by law) shall be final; and any expenses incurred by either Local Authority in carrying into effect the provisions of this Article shall be chargeable to the Local Authority for whom such place of anchorage is provided within the terms of this Article.

Provided also that where, in pursuance of the Order of the Privy Council of the ninth day of September one thousand eight hundred and ninety-three, or of any Order by the said Order revoked, or of any Order under the Public Health Act, 1896, places have been fixed for the mooring or anchoring of ships, for the purposes of the Regulations contained in any of such Orders, such places shall be deemed to have been so fixed in pursuance of and for the purposes of this Order.

Art. 10.—The master of any ship so certified to be infected shall thereupon moor or anchor such ship at the place fixed for that purpose under Article 6, and such ship shall remain there until the requirements of this Order have been duly fulfilled.

And whereas doubts have arisen as to the interpretation of Article 6 of our Order dated the 1st day of January 1898.

And whereas no provision is made in Article 6 aforesaid for intimating to us the place fixed for the mooring or anchoring of ships for the purpose of Article 10 of our Order aforesaid.

Now, therefore, in pursuance of the powers conferred upon us by the aforesaid Act, and of every power enabling us in that behalf, we do, by this our Order, make the following Regulations, and we declare that the same shall be duly

enforced and executed by the Authorities and Officers mentioned in our Order dated the 1st day of January 1898.

Art. 1.—In the Regulations contained in our Order dated the 1st day of January 1898, the place where any ship may be moored or anchored in terms of Articles 6 and 10 thereof shall include any quay, wharf, pier, or landing place within the jurisdiction of the Local Authority.

Art. 2.—A Local Authority shall not fix any quay, wharf, pier, or landing place as the place where a ship may be moored or anchored as aforesaid, except with our consent and subject to such conditions as we may impose.

Art. 3.—When a Local Authority, under Article 6 of our Order dated the 1st day of January 1898, have fixed a place where a ship may be moored or anchored for the purpose of Article 10 of the aforesaid Order, such Local Authority shall forthwith intimate to us the place so fixed.

Given under the Seal of Office of the Local Government Board for Scotland this eighteenth day of August, in the year one thousand nine hundred and three.

REGULATIONS UNDER SECTION 2 OF THE SUGAR CONVENTION ACT, 1903, AND CONSEQUENT ORDER IN COUNCIL.

The Commissioners of Customs and the Commissioners of Inland Revenue, in pursuance of the power vested in them by section 2 of the "Sugar Convention Act, 1903," and consequent Order in Council, do hereby make the following Regulations:—

(1) From the first day of September next inclusive no premises shall be used for making or extracting crystallised sugar from beet, cane, molasses, &c., or for refining such sugar, unless the same premises be placed in bond, and kept under the permanent supervision of Revenue Officers both by day and night.

(2) The premises will be divided into two sections, viz., the Refinery or Factory, in which the raw materials are to be kept and operated on, and the Refinery Warehouse, where the finished articles and by-products are to be stored.

(3) Before any premises can be used as a Refinery or Refinery Warehouse they must be approved by either the Board of Customs or the Board of Inland Revenue.

(4) In the application for approval of the premises the trader must state generally the nature of the operations to be carried on therein. The Surveyor or Supervisor should report whether the premises are suitable for the purposes intended, and sufficiently large to justify the granting of a bond; he should also state the estimated amount of duty that will be paid; the quantity of goods likely to be received and delivered annually, and what additional expense to the Crown would be entailed by the approval of the premises.

Suitable plans should accompany the application.

(5) The premises approved hereunder will be subject to the regulations of the Warehousing Code as to the amount of the penalty of the bond; the supervision by Officers; the providing of suitable office accommodation; the receipt and delivery of the goods, and in all other respects so far as the same regulations are applicable.

(6) The following "check register" will be kept by the Revenue Officers stationed on the premises:—

1. Raw Sugar Register.
2. Refinery Register.
3. Warehouse Register.

On receipt of the raw sugar into the Refinery full particulars will be recorded on the debit side of the Raw Sugar Register, and on the credit side will be recorded, from entries or notices to be furnished by the trader, all quantities taken for the purpose of being refined. The exact stock of raw sugar will thus always be readily ascertainable.

The Refinery Register will contain full particulars of all the sugar taken from the stock of raw sugar for refining, and of all the refined sugar, pieces, and by-products produced therefrom. The particulars of the raw sugar will be obtained from the entries or notices above provided for, and the quantities of the refined sugar, pieces, &c., from the warehousing entries.

(7) At the end of each year, or more frequently if deemed desirable, an account of the stock will be made up in the Refinery Register showing the receipts of raw sugar and the deliveries into Refinery Warehouse of the finished products, as well as the stock in hand in the Refinery, with any gain or loss; and the Surveyor or Supervisor will certify thereon whether he is satisfied that the gain or loss has not been caused by improper means.

A copy of this account with a duplicate will be sent, in the Customs, to the Surveyors-General, and, in the Excise, to the Chief Inspector, who will bring under the notice of their respective Boards any instances of excessive loss, in order that, in the absence of satisfactory explanation, the duty may be charged thereon.

When the account is finally approved it will be sent, in the Customs, to the Statistical Office, and in the Excise, to the Accountant-General, Somerset House.

(8) The finished sugar and the by-products are to be placed in the Refinery Warehouse as soon as practicable after they are packed and weighed, and they are to be brought to account by means of an ordinary warehousing entry or notice to be lodged by the refiner. The quantities and rateable values of the sugar and the by-products will be fixed at the time the goods are received into the Refinery Warehouse, and, as a rule, the goods will not be subject to re-weight or re-test prior to delivery. On the receipt of the goods into the Refinery Warehouse they will be entered in the Warehouse Register, and, as deliveries take place on payment of duty, or for removal to another warehouse, or for exportation, or for use at a distillery, such deliveries will be recorded in the usual manner, and the regulations of the Code as to warehoused goods will obtain generally, except that goods cleared from a Refinery Warehouse for home consumption will not be liable to warehousing charges.

(9) Stock books must be kept by the refiners in a form to the satisfaction of the Commissioners of Customs or Commissioners of Inland Revenue. Such stock books must be open to the check and inspection of the Revenue Officers whenever required.

(10) Free samples not exceeding 56 lbs. for every 100 tons of the finished product may be taken from the goods prior to their delivery from the Refinery. Requests for such samples must be presented by the trader, and a record of the quantities taken will be kept in a memorandum book to be provided for the purpose.

(11) Sugar which may have been damaged after deposit in a Refinery Warehouse, or after its delivery on payment of duty, may be received into a refinery, to be again refined, and its equivalent in refined sugar based on the actual weight and polarisation of the damaged sugar may be delivered without payment of duty.

(12) If any person shall claim drawback on any sugar upon which duty has not been paid, or shall do any act in contravention of or shall fail to comply with any of the foregoing Regulations, he shall be liable to a penalty of fifty pounds, and the goods in respect of which the offence has been committed shall be forfeited; and such

penalty and forfeiture shall be deemed to be a penalty and forfeiture incurred under and imposed by the Customs Consolidation Act, 1876.

Dated this twelfth day of August 1903.
