#### ORDER OF THE BOARD OF AGRICULTURE AND FISHERIES.

(DATED 16TH SEPTEMBER 1910.)

The Board of Agriculture and Fisheries, by virtue and in exercise of the powers vested in them under the Diseases of Animals Acts, 1894 to 1910, and of every other power enabling them in this behalf, do order, and it is hereby ordered, as follows :

1.—(1.) Sheep brought from the Island of St. Kilda or Dune Island or Soay Island or Boreray Island, in the County of Inverness, shall not be landed in any other part of Great Britain unless they are accompanied by a licence authorising the movement of the sheep to premises for detention under this Order granted by an Inspector of the Local Authority of the District in which those premises are situate, and such licence shall operate as an authority to land the sheep at any place situate in the District of the Local Authority by whose Inspector the licence is granted, and not elsewhere. The licence shall be available for six days, inclusive of the day of issue, and no longer.

(2.) The sheep shall be moved from the place of landing to the place of detention specified in the licence by the nearest available route and without unnecessary delay, and during the movement they shall, so far as practicable, be kept separate from all sheep not being moved with a licence under this Order.

(3.) Sheep moved to a place of detention shall within seven days of their arrival thereat be dipped by the owner or other person in charge thereof by a thorough immersion in an efficient sheep-dip in the presence and to the satisfaction of an Inspector of the Local Authority, and shall not be moved from the place of detention until they have been so dipped, except for the purpose of being dipped.

(4.) The owner or other person in charge of sheep detained under this Article shall keep the same separate from other sheep.

(5.) After completion of the movement the

licence shall forthwith be delivered up at, or sent by post to the nearest police station in the same District by the person in charge of the sheep at the time of completing such movement.
