WHEREAS by subsection (1) of section 22 of the Education (Scotland) Act, 1908 (8 Edward VII., cap. 63), it is enacted that where it is represented to the Department by a school board that it would be expedient that the district or part of a district of the said school board should be united with the adjacent district or part of district of another school board so as for all purposes to constitute a district under one school board, the Department shall consult with the authorities concerned, and may cause a local inquiry to be held, and, if they are of opinion that the districts should be united, may by order provide for uniting the said districts as aforesaid:

And whereas it has been represented to the
