PREFACE.

On the 3rd of November, 1905, the Right Honourable Aretas Akers Douglas, one of His Majesty's Principal Secretaries of State (now Viscount Chilston) appointed a Departmental Committee to consider and report whether any, and, if so, what, steps should be taken to safeguard the status of the holders of Baronetcies, and to prevent the assumption of the title Baronet by persons who have no right thereto. The Committee was presided over by the Earl of Pembroke and Montgomery and issued its Report on the 12th December, 1906. The Report and Appendices were presented to both Houses of Parliament by Command of His late Majesty King Edward : (Cd. 3445. 1907).

This Committee was satisfied on the evidence brought before them that a certain number of persons had assumed the title of Baronet, either wrongfully, or on a very doubtful basis : they considered various schemes which were submitted to them with the object of dealing with the evil ; and they finally recommended the preparation by the Home Office of a Roll of Baronets to include all persons who should for the future be officially recognised and entitled to the dignity.

The question received full consideration by His Majesty's Government and, on the 11th February, 1910, His late Majesty was pleased, on the advice of the then Home Secretary (now Viscount Gladstone), to issue a Warrant under His Sign Manual giving effect to the recommendation of the Committee.

This Warrant was in the following terms :—

BARONETAGE ORDINANCE OF THE 8TH FEBRUARY, 1910.

EDWARD, R. & I.

EDWARD THE SEVENTH, by the Grace of God, of the United Kingdom of Great Britain and Ireland and of the British Dominions beyond the Seas King, Defender of the Faith, Emperor of India, to all of whom these Presents shall come

Greeting!

Whereas the Hereditary Degree of Baronet was instituted by Our Royal Predecessor King James the First in the ninth year of His Reign with divers privileges and pre-eminences, and certain Rules were made by His Majesty for the preservation of the Dignity of the Baronetage :

And whereas by Warrants under the hand of Our Royal Predecessor King George the Third further Rules were established for the prevention of abuses touching the status of Baronets :

And whereas on the third day of November, one thousand nine hundred and five, a Committee was appointed to consider and report what steps should be taken to safeguard the status of holders of Baronetries, and to prevent the assumption of the title of Baronet by persons who have no right thereto :

And whereas it has been represented to Us by Our Principal Secretary of State for the Home Department, to whom the Committee appointed as aforesaid reported on the twelfth day of December, one thousand nine hundred and six, that divers abuses have crept into the said Order, and that persons have assumed the title of Baronet without any just right :

Know ye therefore that We have thought fit to signify Our Royal Will and Pleasure that for the correction of such abuses and for preventing the like in future, the following Regulations and Ordinances be established: and We do accordingly hereby declare and ordain

I. That from and after the date of these Presents an official Roll of Baronets shall be prepared and kept in the Office of Our Principal Secretary of State for the Home Department.

II. That no person whose name is not entered on the official Roll of Baronets shall be received as a Baronet, or shall be addressed or mentioned by that title in any civil or military Commission, Letters Patent, or other official document.

III. That the Roll shall be prepared in consultation with one or other of the Kings of Arms (Garter, Lyon or Ulster) according to their respective heraldic jurisdiction: That such Roll shall be revised and corrected from time to time and shall be submitted to Us and to Our Successors once in each year, and shall be published annually in the London, Edinburgh and Dublin Gazettes, and be placed on sale; and that any person whose name does not appear on the Roll, but who considers that he is entitled to be enrolled therein, shall be at liberty to petition Us through Our said Secretary of State.

That every person, who shall succeed to the title and degree of Baronet, or shall claim to be entitled by right of succession to be placed on

the Roll subsequently to its first issue, shall exhibit its claim to, such succession, with the proofs thereof, to one of Our Kings of Arms according to their respective heraldic jurisdiction, who shall forthwith make a Report thereon, and submit the said claim and Report to Our said Secretary of State.

IV. That if in any such case, or in any circumstances whatever, Our said Secretary of State finds difficulty in advising Us as to the validity of the claims of any person to be placed or to be retained on the Roll, he shall refer the matter either to Our Attorney-General for England, to the Lord Advocate for Scotland or to Our Attorney-General for Ireland for his opinion thereon, and may, on consideration of that opinion, direct that the said matter be referred to Our Privy Council to submit the same to examination and to advise Us thereon.

V. That in cases of reference to Our Law Officers, or to Our Privy Council parties claiming to have their names placed or retained on the Roll must supply, at their own cost, all necessary evidence that may be called for.

VI. That the form and contents of the Roll of the Baronetage shall be settled and determined in accordance with Regulations to be made by Our said Secretary of State.

VII. That our said Secretary of State shall appoint an Officer of the Home Department to be Registrar of the Baronetage.

VIII. That subject to the directions of Our said Secretary of State the Registrar of the Baronetage shall be charged with the duty of keeping the Roll, and of making all necessary entries and deletions in it and of publishing the Roll annually, and shall be responsible for its contents and shall initiate enquiries and proceedings when necessary to ensure the correctness of the Roll.

IX. That the Registrar shall attend to the service of the Baronetage, and shall execute such directions as he may receive from Our said Secretary of State in all matters pertaining thereto.

X. That every person, who succeeds to the title and degree of Baronet, or is created a Baronet, or is placed or claims to be placed on the Roll subsequently to its first issue shall pay to Our said Secretary of State or to some person deputed by him a Fee of Five Pounds; and each such Fee shall be paid into Our Exchequer in manner to be directed by the Lords Commissioners of Our Treasury.

XI. That every person who after the date of these Presents succeeds to the title and degree of Baronet or who is created a Baronet shall within six months of such succession or creation as the case may be register his full names and the full names and ages of his living descendants at Our College of Arms or Our Lyon or Ulster Offices of Arms.

XII. That the Warrants under the hand of His late Majesty King George the Third dated the 3rd December, 1783, the 24th February, 1785,

and the 30th September, 1789, respectively, shall be and are hereby cancelled and made void and of no effect.

XIII. That nothing in this Our Warrant shall be deemed to abolish or derogate from the jurisdiction, authority and rights of Our Earl Marshal and Hereditary Marshal of England, or of Our Kings of Arms, save in so far as the same may be effected by the cancelling of the aforesaid Warrants of the 3rd December, 1783, the 24th February, 1785, and the 30th September, 1789.

Given at Our Court at *Saint James's*, the eighth day of *February*, one thousand nine hundred and ten, in the tenth year of our Reign.

By His Majesty's Command.

H. J. GLADSTONE.

*Warrant superscribed.*

TO THE LORD PRESIDENT OF OUR PRIVY COUNCIL, OUR EARL MARSHAL AND HEREDITARY MARSHAL OF ENGLAND, OUR PRINCIPAL SECRETARY OF STATE FOR THE HOME DEPARTMENT, OUR KINGS OF ARMS AND ALL OTHERS WHOM IT MAY CONCERN.

On the 6th April, 1910, the Right Honourable Winston Spencer Churchill, Secretary of State for the Home Department, appointed Mr. W. P. Byrne,\* C.B., Assistant Under Secretary of State for the Home Department, to be Registrar of the Baronetage, and Mr. R. F. Reynard, I.S.O., of the Home Office, to be Assistant Registrar, and gave directions for the preparation of the Roll in compliance with the terms of the Royal Warrant.

The investigations of the doubtful claims to Baronetcies have necessarily been spread over a long period, and, although a few cases are still outstanding, the Secretary of State has decided that the Roll shall be submitted to the King, in the accompanying form. It is impossible to postpone the publication of the Roll until every claimant has completed the inquiries which may produce evidence in support of his claim. The issue of successive annual editions will enable corrections to be made from time to time, and will allow of the Roll being eventually brought up to the highest standard of accuracy and completeness of which the subject matter permits.

The Committee of 1905 did not contemplate that strict proof of his right to the title should be exacted from every person claiming to be a Baronet. This would be an undoubted hardship in many cases, and owing to lapse of time, destruction of records and defects in registration, many genuine Baronets would fail to survive the ordeal. The Home Secretary concurs in this view and, in his directions to the Registrar, has adopted the recommendations of the Committee, that "the formation of the initial Roll should be a matter in which a wide discretion should be allowed, so that all who can fairly be said to have a good title shall be enrolled, and only cases shall be rejected or put on trial, which are clearly bad or open to serious question, or where there are rival claimants." On this principle, names have been admitted to the

Roll where there has been *bona fide* and unchallenged use of the title for several generations, though doubts may be entertained respecting the descent or even the creation of the dignity. It must be remembered that, as the Committee point out, inclusion in the Roll does not give or purport to give an indefeasible title to the person enrolled, it has not the authority of a legal decision, and each entry can and will be cancelled at any time on the production of evidence, or on an adjudication by a competent legal tribunal, against the validity of the claim.

The large majority of cases of doubtful claims have been dealt with sufficiently by the procedure indicated in Paragraph III. of the Royal Warrant, that is to say, by consultation between the Registrar and the Kings of Arms, Garter, Lyon and Ulster. The experience and knowledge and the invaluable records of these officers have been placed freely at the service of the Registrar and have generally enabled a decision to be arrived at without difficulty.

When the first proofs of the Roll were prepared in November, 1910, copies were sent to Garter, Lyon and Ulster, Kings of Arms, for their observations, and were returned by these officers after examination, with suggested amendments referring to certain cases, all of which have since been separately considered and decided. Ulster prepared a special written List of Irish Baronets which was checked with the Roll.

In a number of cases in which the Secretary of State has found difficulty in advising the Crown on the claim, the Attorney-General of England, the Lord Advocate of Scotland, or the Attorney-General of Ireland, have been called into consultation: but, in very few instances, has it been necessary to have recourse to the final appeal to the Privy Council provided in paragraph IV. of the Warrant.

On the 5th day of March, 1910, His Majesty was pleased by Order in Council to appoint the following to be a Committee of the Privy Council for the purposes of the Royal Warrant:—

- The Lord President.
- The Earl Marshal and Hereditary Marshal of England.
- The Earl Beauchamp.
- The Earl of Granard.
- The Earl of Pembroke and Montgomery.
- The Lord Chamberlain.
- The Viscount St. Aldwyn.
- The Lord Balfour of Burleigh.
- The Lord Ashbourne.
- The Lord Rathmore.
- The Lord Dunedin.
- The Lord Gorell.
- The Secretary of State for the Home Department.
- The Right Hon. Sir Frank C. Lascelles.
- The Right Hon. C. B. Stuart-Wortley.
- The Right Hon. Sir John H. Kennaway.
- The Right Hon. Sir Herbert E. Maxwell.
- The Right Hon. Sir Robert Romer, and
- The Right Hon. Sir James Stirling.

Rules to be observed by Petitioners praying to be placed or retained on the Roll of Baronets were drawn up by the Privy Council and, between 16th of December, 1911, and the present date, formal hearings of four disputed cases have been held.

1. On the 19th July, 1912, the advice of the Committee of Council that the name of Robert Fraser Turing ought to be entered on the Roll

\* Now Sir William Byrne, K.C.V.O., C.B.

in respect of the Baronetcy of Turing of Foveran was approved by The King.

2. On the 17th March, 1913, The King approved their Report that the name of Anthony Cope should be placed on the Roll in respect of the Baronetage of Hanwell and Bramshill.

In the other two cases the advice of the Committee was that the names of the claimants should not be placed on the Roll.

Each Baronetcy named in the Roll bears, as far as can be ascertained, the name under which it was created; but, where the original name is no longer borne by the holder of the title, the present name is also inserted.

In the preparation of the Roll the Registrar has received much valuable assistance from Dr. Horace Round in connection with difficult genealogical points, and from Mr. F. W. Pixley, Registrar of the Standing Committee of the Baronetage, who made suggestions as to the Form and Contents of the Roll.

R. F. REYNARD,  
Assistant Registrar of the Baronetage.

W. P. BRYNE,  
Registrar of the Baronetage.

1st December, 1913.
