WAR OFFICE, June 23, 1915.

His Majesty the KING has been graciously pleased to approve of the grant of the Victoria Cross to the undermentioned Officers, Non-commissioned Officers and Man for most conspicuous bravery and devotion to duty:—

Lieutenant-Colonel Charles Hotham Montagu Doughty-Wylie, C.B., C.M.G., Headquarters Staff, Mediterranean Expeditionary Force.

Captain Garth Neville Walford, Brigade Major, Royal Artillery, Mediterranean Expeditionary Force.

On 26th April 1915, subsequent to a landing having been effected on the beach at a point on the Gallipoli Peninsula, during which both Brigadier-General and Brigade Major had been killed, Lieutenant-Colonel Doughty-Wylie and Captain Walford organized and led an attack through and on both sides of the village of Sedd-el-Bahr on the Old Castle at the top of the hill inland. The enemy's position was very strongly held and entrenched, and defended with concealed machine-guns and pom-poms.

It was mainly due to the initiative, skill and great gallantry of these two Officers that the attack was a complete success.

Both were killed in the moment of victory.

Captain Francis Alexander Caron Scrimger, Canadian Army Medical Service, Medical Officer, 14th Battalion, Royal Montreal Regiment.

On the afternoon of 25th April 1915, in the neighbourhood of Ypres, when in charge of an advanced dressing station in some farm buildings, which were being heavily shelled by the enemy, he directed under heavy fire the removal of the wounded, and he himself carried a severely wounded Officer out of a stable in search of a place of greater safety. When he was unable alone to carry this Officer further, he remained with him under fire till help could be obtained.

During the very heavy fighting between 22nd and 25th April, Captain Scrimger dis-
