CENTRAL CHANCERY OF THE ORDERS OF KNIGHTHOOD.

LORD CHAMBERLAIN'S OFFICE,
ST. JAMES'S PALACE, S.W.,

June 25, 1915.

THE KING has been graciously pleased to give orders for the following appointments to the Most Honourable Order of the Bath:—

Lieutenant General Yermoloff, K.C.V.O., General Staff, Imperial Russian Army, Military Attaché of the Russian Embassy in London.

To be Honorary Members of the Military Division of the Third Class, or Companions, of the said Most Honourable Order.

CHANCERY OF THE ORDER OF SAINT MICHAEL AND SAINT GEORGE, DOWNING STREET, June 25, 1915.

The KING has been graciously pleased to give directions for the following appointment to the Most Distinguished Order of Saint Michael and Saint George:—

To be an Honorary Member of the Second Class, or Knights Commanders of the said Most Distinguished Order:—

Rear-Admiral Kozaburo Oguri, Imperial Japanese Navy, Naval Attaché, Imperial Japanese Embassy.

FOREIGN OFFICE, June 22, 1915.

The Secretary of State for Foreign Affairs has received from His Majesty's Ambassador at Petrograd the following Memorandum, prepared by the Commercial Attaché to His Majesty's Embassy, in continuation of the Memorandum which appeared in the Edinburgh Gazette of Friday, May 14th last:—

The official "Bulletin of Laws" of May 19th/June 1st publishes an Imperial Decree of May 10th/23rd, revising the contraband list annexed

to the Imperial Decree of December 8th/21st, 1914. In the Russian absolute contraband list, as now revised, Nos. 1 to 29 are exactly identical with Nos. 1 to 29 of the absolute contraband list given in the King's Proclamation of December 23rd, 1914, with the exception that No. 28 in the Russian list is so worded: "Mineral oils, benzine and other liquid fuel for internal combustion engines, except lubricating oils"; while the same number of the English list is worded as follows: "Mineral oils and motor spirit, except lubricating oils."

Nos. 30 to 37 of the new Russian list are exactly identical with the additional list of absolute contraband in the King's Proclamation of March 11th, 1915.

While the slight exceptions mentioned below, the Russian conditional contraband list, as now revised, is exactly identical with the list in Schedule II. of the King's Proclamation of December 23rd, 1914, and with the supple-

mentary list of conditional contraband in the King's Proclamation of March 11th, 1915, including the explanation as to the meaning of "foodstuffs" and "feeding-stuffs for animals." The exceptions are:—

No. 8 of the Russian list is thus worded: "Fuel, other than mineral oils, benzine, and other liquid fuel for internal combustion engines"; whereas No. 8 of the English list in the King's Proclamation of December 23rd, 1914, is worded: "Fuel, other than mineral oils. Lubricants."

No. 12 (Hides of all kinds, &c.) in the conditional contraband list in the King's Proclamation of December 23rd, 1914, is not given in the Russian conditional contraband list at all, as now revised, possibly because these articles (hides, skins and leather) are in the King's Proclamation of March 11th, 1915, placed in the absolute contraband list, and are so placed in the Russian list, now revised.

At the Court at Buckingham Palace, the 25th day of June 1915.

PRESENT,

The KING's Most Excellent Majesty in Council.

WHEREAS by Section 8 of the Weights and Measures Act, 1878, it is provided that the Board of Trade shall, from time to time, cause such new Denominations of Standards, being either equivalent to or multiples or aliquot parts of the Imperial Weights and Measures ascertained by the said Act as appear to them to be required, in addition to those mentioned in the Second Schedule to the said Act, to be made and duly verified, and that those new Denominations of Standards, when approved by His Majesty in Council, shall be Board of Trade Standards in like manner as if they were mentioned in the said Schedule:

NOTICE TO MARINERS.

No. 536 of the year 1915.

ENGLAND AND WALES, SOUTH AND WEST COASTS.

Lyme Regis to Bardsey island; Plymouth sound and Hamoaze—Regulations respecting small craft.

Mariners are hereby warned that, under the Defence of the Realm (Consolidation) Regulations, 1914, the following orders have been made, and are to be complied with until further Notice by all yachts, small steam, motor, sailing and pulling boats and vessels, including pleasure craft of all descriptions, within the undermentioned limits:—

I.—PLYMOUTH SOUND AND HAMOAZE.

(a) PLYMOUTH SOUND:

A limited number of Moorings for Yachts may be laid in the following places and nowhere else:

Off West Hoe, on application to King's Harbour, Sound; in the Cattewater, above

Turnchapel, on application to the Harbour Master of Cattewater.

Yachts, &c., and Pleasure Boats may cruise in the waters of the Sound as laid down in the Public Traffic Regulations with the following exception:

No Yacht, &c., or Pleasure Boat may proceed to the westward of a line joining the east end of Drake's Island and the west side of the entrance to Millbay Docks, nor may they proceed more than two miles outside the breakwater.

All persons going afloat in charge of Yachts or Boats are to make themselves thoroughly acquainted with these orders, the Public Traffic Regulations, and the Notices that have been published from time to time in the Public Press defining prohibited areas.

Special notice is drawn to the following points in the Regulations:

No Yacht or Boat may be under way after dark; there can, therefore, be no traffic after dark between Yachts at their moorings and the shore.

Although it is only laid down that no craft may leave or enter by the East Channel, no craft is to approach anywhere near the East Channel buoys, as such action would be likely to draw the fire of the forts.

All excursion steamer traffic is prohibited in the Sound.

Note.

Yachts that are only fitting out at Plymouth and that may wish to proceed to their Summer Base harbour, must obtain permission to leave for that purpose.

(b) HAMOAZE:

1. Within the limits in the Harbour of Hamoaze mentioned in paragraph 4 below, all small craft, motor boats, steamboats, pulling boats, punts, &c., are to be moored in one of the following areas, viz.:—Saltash, Pottery quay, North corner, Mutton cove, Cremyll hard, Torpoint, Stonehouse creek (or be hauled up and secured above highwater mark in an approved position), where they will remain under police supervision, and only be allowed out on the production of a permit. (See paragraph 4 below.)

2. With the exception of steam ferry boats, which have obtained special permits, no craft of any description is to be under way during the hours of official night, i.e., between the sunset gun and daylight gun fired from H.M.S. *Impregnable*. Any craft under way between these times may be fired on by the Naval patrol boats or H.M. ships in harbour without notice.

3. During fog or thick weather, no craft of any description is to be under way, with the exception of the Chain Ferry bridges at Torpoint and Saltash.

4. All traffic is prohibited in the waters of the Harbour of Hamoaze within the following limits, viz.:—Between lines joining Skinham and Warren points in the Tamar river, and the boom at Devil's point, including the Lynher river as far as St. Germans, Millbrook Lake, and all the creeks and coves adjoining, subject to the following provisions:—

During daylight, *i.e.*, outside the hours of official night, all craft of any description engaged by their owners in the prosecution of their business, or used by them as a means of obtaining their livelihood, may be permitted to be under way within the above limits on obtaining a permit for the purpose from the Superintendent of Dockyard Police, such permit to be produced when called for by the person in charge of any patrol boat, police boat, or boat of H.M. ships.

Persons owning craft of any description which they may wish to use for pleasure purposes will be allowed to remove the same to approved places outside the above limits. No permits will be granted for use of pleasure craft within the limits defined.

5. With the undermentioned exception at (i), the following areas are prohibited to all craft of every description:

Coombe bay, Kiln bay, Wilcove lake, Thanckes lake, South of Gravesend point to Pound at Torpoint, St. John's lake, Millbrook lake (inside a line from Palmer point to Little Southdown).

(i) With regard to Millbrook lake inside the line specified, special permits will be given to steam or motor ferry craft, for public traffic only, at the direction of the King's Harbour Master of Hamoaze.

6. No craft of any description is to approach or is to communicate with any of H.M. establishments or ships without having permission and calling the attention of the guard before they close. Craft disobeying this order may be fired on without notice.

7. The foregoing provisions do not apply to any of H.M. craft or boats, or to vessels in Government employ.

8. No excursion steamers will be permitted in the Hamoaze between the boom at Devil's point and Saltash pier. Subject to special arrangements, facilities will be granted during the summer months only for excursions in the Rivers Tamar and Tavy above Saltash, permits for which must be obtained by the owners of excursion steamers from the King's Harbour Master of Hamoaze.

Special Warning to Boatmen and those who Hire out Yachts or Boats.

Great care must be taken that Yachts and Boats are only hired out to persons who are thoroughly acquainted with these Regulations, as any infringement of the orders will, amongst other things, lead to the detention of the offending Yacht or Boat.

II.—LYME REGIS TO BARDSEY ISLAND.

(a) WESTERN LIMIT OF LYME REGIS ON THE EAST TO START POINT ON THE WEST:

1. The owners of all such boats or vessels (except fishing craft specially provided for under paragraph 5 below) are to supply lists of all their boats and vessels which they may place afloat, and they must obtain pleasure craft permits for them from a Divisional Coast Watching Officer through the Station Officer of the nearest Coastguard Station. 1. All ships (other than British ships of less than 3500 tons gross tonnage, when trading coastwise or to or from the Channel islands and not carrying passengers) whilst bound from, and whilst navigating in the waters from, the Downs Pilot Station to Gravesend or *vice versa*, must be conducted by pilots licensed by the London Trinity House.

2. II. Trinity House Pilot Stations have been established at the undermentioned places, and merchant vessels not under compulsion of pilotage are very strongly advised to take pilots:—

(a) THE DOWNS, where ships proceeding north can obtain pilots capable of piloting as far as Great Yarmouth, and also pilots for the River Thames, and for Folkestone and Dover harbours. The pilot steamers attached to the Downs Station will cruise in the vicinity of a position two miles south-east of Deal Pier.

(b) GREAT YARMOUTH, where ships from the North Sea bound for the River Thames or the English Channel can obtain pilots capable of piloting as far as the Downs.

Note.—The pilots referred to in this Notice are the pilots licensed by the London Trinity House and no others.

III. RIVER THAMES.—All traffic into and out of the River Thames must pass through the Edinburgh Channels, or through the Black Deep south of the Knock John and Knob Light-buoys, and through the Oaze Deep, until further notice.

No vessels are to remain under way in the above-mentioned Channels between Chapman Lighthouse on the west, and the Sunk Head

Light-buoy on a line joining the positions of the South Long Sand and East Shingles buoys, on the east, between the hours of 11 p.m. and 2 a.m.

Vessels at anchor within these limits must not exhibit any lights between the hours of 11 p.m. and 2 a.m.

All other Channels are closed to navigation.

The Estuary of the Thames mentioned in the preceding paragraph is to be considered to include the north coast of Kent from North Foreland to Sheerness, and the coast of Essex from Shoebury-ness to the Naze.

Pulling boats are not allowed in the waters prohibited above without a licence, which must be obtained by the person to whom the boat belongs from the Chief of the local Police. A separate licence is required for each boat.
