A PROCLAMATION

UNDER THE MUNITIONS OF WAR ACTS, 1915 AND 1916.

GEORGE R.I.

WHEREAS by section three of the Munitions of War Act, 1915, as amended by the Munitions of War (Amendment) Act, 1916, it is provided that the differences to which Part I. of the first-mentioned Act applies are differences as to rates of wages, hours of work, or otherwise as to terms or conditions of or affecting munitions work, and also any differences as to rates of wages, hours of work, or otherwise as to terms or conditions of or affecting employment on any other work of any description, if that Part of that Act is applied to such a difference by His

And whereas a difference within the meaning of the said section exists between employers and persons employed on the work of dock labourers in the Port of Liverpool as to rates of wages, hours of work, and otherwise as to terms and conditions of or affecting employment on the work carried on by such dock labourers:

And whereas the Minister of Munitions is not satisfied that effective means exist to secure the settlement of the said difference without stoppage, being a difference arising on work other than munitions work:

ADMIRALTY
NOTICE TO MARINERS.

No. 594 of the year 1916.

ENGLAND, EAST COAST.

River Tyne Boom Defence—Entrance Signals and Traffic Regulations.

Former Notice.—No. 1023 of 1915; hereby cancelled.

Notice is hereby given that the undermentioned regulations have been made by the Lords Commissioners of the Admiralty, in regard to the Boom Defence of the River Tyne, under the Defence of the Realm (Consolidation) Regulations, 1914, and will remain in force until further Notice:—

The following Signals will be displayed to indicate that the Boom is *Open to Traffic*.

By Day ... 2 Black Balls, vertical.
By Night ... 2 White Lights, vertical.

The above signals will be hoisted on board H.M.S. *Satellite* and at the following Distant Signal Stations:—

(a) For Incoming Traffic.—At the Light-house on the end of the North Arm of the Breakwater.

(b) For Outgoing Traffic.—At Ballast Hill. Shipping at Dunstan and Tyne Docks should ascertain by telephone from H.M.S. *Satellite* whether they can proceed down river. A telephone for this purpose is kept at the Staith Master's Office, Dunstan, and at the Dock Master's Office, Tyne Docks.

The absence of these signals will denote that the Boom is *Closed to Traffic*.

Vessels entering or leaving the Tyne, after passing the Pier Heads when bound inwards and after passing Hay Hole Point when bound outwards, are to so regulate their speed that until the line of the Boom is passed they shall

not come within a distance of 200 yards from their stem to the stern of the next vessel ahead proceeding in the same direction. Whilst navigating between Hay Hole Point and the Pier Heads no vessel should attempt to overhaul and pass ahead of another vessel proceeding in the same direction.

When crossing the line of the Boom all vessels are to preserve a mid-channel course as far as is consistent with safe navigation. Vessels of 25 feet draught and above are to stop their engines when crossing the line of the Boom at or about the time of low water.

Incoming and outgoing vessels must not cross the line of the Boom at the same time. Vessels proceeding against the tidal stream must so regulate their speed that any vessel proceeding with the tide shall first pass the obstruction.

No vessel is to anchor in the area bounded as follows:—On the West by a line drawn from the south-west corner of Dockwray Square to the east end of Salmon's Quay, and on the East by a line drawn from Prior's Stone to the Volunteer Life Brigade House, provided only that a vessel proceeding to the oil jetty at South Shields may let go her anchor, if necessary, within the line of moorings off the said jetty; such vessels, however, are not to anchor to the eastward of a line drawn from Lloyd's Hailing and Signal Station to the Lifeboat House and slip on Commissioners' wharves.

With the above exceptions, the Rules and Regulations for the navigation of the Tyne are to be adhered to.

Note.—This Notice is a repetition of No. 1023 of 1915, with additional information.
