\* NOTE (1).— Under the Trading with the Enemy Proclamations of 25 June and 10 November 1915, all Proclamations relating to Trading with the Enemy apply to all persons or bodies of persons of enemy nationality, resident or carrying on business in Liberia, Persia, Morocco or Portuguese East Africa; and consequently it is an offence to trade with any person or body of persons of enemy nationality, resident or carrying on business in Liberia, Persia, Morocco or Portuguese East Africa, even though such person or body of persons is not included by name in the above List, and the omission of the name of any such person or body of persons from such List is not an authority or licence to trade with such person or body of persons.

- NOTE (2).—Where a firm named in the List has more than one branch *in the same country*, all branches in that country are held to be included in the List even in cases where no address, or of several addresses one only is specifically mentioned.

NOTE (3).—The List for each country is sent by telegraph to His Majesty's Representative in that country, who will notify British Consular Officers, to whom persons abroad should apply for information as to names on the List; but firms in the United Kingdom with branches abroad are advised to furnish such branches with copies of the Statutory List. The Lists for all countries in Central and South America are also telegraphed to His Majesty's Ambassador at Washington.

- The Foreign Trade Department is prepared on application to inquire of His Majesty's Representatives abroad for the names of substitutes for any firm on the Statutory List. When the applicant wishes this done by telegraph he must undertake to pay the cost of the telegraphic correspondence. A considerable amount of information is, however, already available at the Foreign Trade Department, and it is hoped that it may be possible in many cases to suggest the names of satisfactory substitutes in response to inquiries, without the necessity of referring the matter abroad. It would greatly facilitate the work of this Department if applicants in making inquiries would specify the particular trade, or trades, for which substitutes are required.

*Privy Council Office, Dublin Castle,
