*Scottish Office, Whitehall, S.W.,  
17th February 1917.*

**T**HE KING has been pleased, by Warrant under His Majesty's Royal Sign Manual, bearing date the 17th February 1917, to appoint James Crabb Watt, Esquire, K.C., to be Sheriff-Substitute of Inverness, Elgin, and Nairn at Elgin, in the room of Sheriff James Gray Webster, deceased.

At the Court at Buckingham Palace, the 16th day of February 1917.

PRESENT,

The KING's Most Excellent Majesty in Council.

**W**HEREAS by an Order in Council, dated the twenty-eighth day of November nineteen hundred and fourteen, His Majesty was pleased to make Regulations (called the "Defence of the Realm (Consolidation) Regulations, 1914") under the Defence of the Realm Consolidation Act, 1914, for securing the public safety and the defence of the realm:

And whereas the said Act has been amended by the Defence of the Realm (Amendment) Act, 1915, the Defence of the Realm (Amendment) (No. 2) Act, 1915, and the Munitions of War Act, 1915:

And whereas the said Regulations have been amended by various subsequent Orders in Council:

And whereas it is expedient further to amend

the said Regulations in manner hereinafter appearing:

Now, therefore, His Majesty is pleased, by and with the advice of His Privy Council, to order, and it is hereby ordered, that the following amendments be made in the said Regulations:—

1. In subsection (1) of Regulation 2L paragraphs (a) and (b) shall be omitted.

In subsection (4) of the same regulation, the words "by any deterioration of the land caused" shall be omitted.

Subsections (6), (7) and (8), of the same regulation shall be omitted, and after subsection (5) the following subsections shall be inserted:—

"(6) A local authority authorized to exercise on behalf of the Board any of the powers of the Board under this regulation may exercise such powers in respect of land of which the local authority is owner or occupier and may retain the rents and profits arising from such exercise of those powers, but shall not be entitled to receive from the Board any rent or compensation for the use thereof or for the exercise by the local authority of any powers under this regulation in respect of that land.

"(7) This regulation shall apply to Scotland with the substitution of the Board of Agriculture for Scotland for the Board of Agriculture and Fisheries, of arbiter for arbitrator, and of the Agricultural Holdings (Scotland) Act, 1908, for the Agricultural Holdings Act, 1908.

"(8) This regulation shall apply to Ireland subject to the following modifications:—

"(i) The Department of Agriculture and

Technical Instruction for Ireland shall be substituted for the Board of Agriculture and Fisheries;

"(ii) The following subsection shall be substituted for subsection (1):—

"Where the Department of Agriculture and Technical Instruction for Ireland are of opinion that, with a view to maintaining the food supply of the country, it is expedient that they should exercise the powers given to them under this regulation as respects any land, the Department may enter on the land—

"(a) without any consent, if the land is for the time being unoccupied, or was unoccupied on the twenty-ninth day of November nineteen hundred and sixteen;

"(b) without any consent, if the land is comprised in a holding to which Regulation 2r applies, and it appears to the Department that the occupier has not before the twenty-fifth day of March nineteen hundred and seventeen, taken the necessary steps to comply with the requirements of that regulation, or is not after that date proceeding in compliance with those requirements; and

"(c) without any consent, if the land is situated in or near an urban district and the Department are of opinion that in order to provide necessary food for residents in the locality, land in or near that district is immediately required for the purpose of being cultivated in allotments, and that the use of the land for that purpose is unreasonably withheld; and

"(d) in any other case, with the consent of the occupier and the person in receipt of the rent of the land:

and cultivate the land, or arrange for its cultivation, by any person either under a contract of tenancy or otherwise.

"For the purposes of this subsection the expressions 'occupied' and 'unoccupied' refer to such occupation as involves liability to payment of poor rates:

"Provided that where the poor rate is made in respect of a half rent under section sixty-three of the Poor Relief (Ireland) Act, 1838, instead of upon the occupier of the land, the land shall not on that account be deemed to be unoccupied.

"(iii) Subsections (4) and (6) shall not apply;

"(iv) The powers conferred by this regulation on the Department shall be in addition to and not in derogation of any other powers of the Department."

2. In paragraph (b) of Regulation 8b for the words "Board of Trade Labour Exchange" there shall be substituted the words "Labour Exchange established or assisted under the Labour Exchanges Act, 1909."

3. After Regulation 9g the following regulations shall be inserted:—

"9h.—(1) Where the Board of Trade are of opinion that, for securing the public safety and the defence of the realm, it is expedient that this regulation should be applied to any canals, the Board may by order apply this regulation, subject to any exceptions for which provision may be made in the order, either generally to all canals or to canals in any special area or to any special canals.

"(2) Any canals to which this regulation is so applied shall, by virtue of the order, pass

into the possession of the Board of Trade as from the date of the order, or from any later date mentioned in the order; and the owner of every such canal and every person concerned in the management or working thereof, and where the owner of the canal is a company, every director of the company, shall comply with the directions of the Board of Trade as to the management and user of the canal, and if he fails to do so he shall be guilty of a summary offence against these regulations.

"(3) Any order of the Board of Trade under this regulation may be revoked or varied as occasion requires.

"(4) In this regulation the expression 'canal' includes all buildings, barges, machinery, and plant used in connection with the working of the canal."

4. After Regulation 14f the following regulation shall be inserted:—

"14g. Without prejudice to any other provisions of these regulations or any Order in Council made under the Aliens Restriction Act, 1914, no person, other than a member of His Majesty's Forces in uniform or a person specially authorised by the Admiralty or Army Council or a Secretary of State, or a British subject proceeding as a passenger from one part of the United Kingdom to another, shall embark at any port in the United Kingdom without the permission of an aliens officer:

"Provided that in granting or refusing permission an aliens officer shall act in accordance with the general or special instructions of the Secretary of State and any refusal of permission may be revoked by a Secretary of State.

"If any person acts in contravention of this regulation he shall be guilty of a summary offence against these regulations."

5. In Regulation 24c for the words "any neutral country or countries in Europe" there shall be substituted the words "any country or countries specified in the order or notice."

6. The following regulation shall be inserted after Regulation 39c:—

"39cc. A person shall not without permission in writing from the Shipping Controller, directly or indirectly, and whether on his own behalf or on behalf of or in conjunction with any other person, purchase or enter into or offer to enter into any agreement or any negotiations with a view to an agreement for the purchase of any ship or vessel.

"If any person acts in contravention of this regulation, or if where any permission of the Shipping Controller has been granted under this regulation subject to any conditions, the person to whom it was granted fails to comply with any such condition, he shall be guilty of an offence against these regulations."

ALMERIC FITZROY.

At the Council Chamber, Whitehall, the 16th day of February 1917.

And whereas by Section one, sub-section two, of the said Act, it is provided that any List of persons and bodies of persons, incorporated or unincorporated, with whom such trading is prohibited by a Proclamation under the said Act may be varied or added to by an Order made by the Lords of the Council on the recommendation of a Secretary of State, such List as so varied or added to being in the last mentioned Proclamation referred to as the "Statutory List":

And whereas the List contained in the last mentioned Proclamation has been varied and added to by subsequent Orders of Council:

And whereas there was this day read at the Board a recommendation from the Secretary of State for Foreign Affairs to the following effect:—

Now, therefore, Their Lordships, having taken the said recommendation into consideration, are pleased to order, and it is hereby ordered, that the same be approved.

Whereof the Right Honourable Arthur James Balfour, one of His Majesty's Principal Secretaries of State, the Controller of the Foreign Trade Department, and all other persons whom it may concern, are to take notice and govern themselves accordingly.

NOTE (1).—All persons or firms resident, carrying on business or being in the United Kingdom are prohibited from having any dealings with any of the persons or firms mentioned in this List, or in any List issued under the Trading with the Enemy (Statutory List) Proclamation, 1916, No. 3. A List (The Consolidating List No. 19a), consolidating all previous Lists revised to date and including the amendments in the Schedule annexed hereto is issued concurrently with this Order. This Consolidating List contains all the names which up to this date are included in the Statutory List.

Additions to and variations in these Lists will be published at intervals approximately of two weeks.

The Lists are published in the London Gazette and reproduced in the Board of Trade Journal, and separate copies of all Lists may be obtained at a small cost from the Superintendent of Publications, His Majesty's Stationery Office, Imperial House, Kingsway, W.C.

NOTE (2).—Where a person or firm mentioned in the List has more than one address in the same country, all dealings in that country with such person or firm are prohibited, even in cases where one only of the addresses is specifically mentioned.

NOTE (3).—Trading is prohibited under the Trading with the Enemy Proclamations of 25th June, and 10th November 1915, with any person or firm of enemy nationality resident or carrying on business in China, Siam, Persia, Morocco, Liberia or Portuguese East Africa. Persons or firms in the United Kingdom are therefore prohibited from trading with any person or firm of enemy nationality in any of those countries, even though such person or firm is not mentioned by name in the Statutory List.

NOTE (4).—In order to minimise as far as possible any inconvenience which may be caused to British traders by the dislocation of export trade owing to the inclusion in the Statutory List of a former connection, the Foreign Trade Department is collecting and classifying the names of non-enemy firms who may be able to act as substitutes for firms mentioned in the Statutory List. A considerable amount of information is already available at the Foreign Trade Department, and it is in many cases possible to suggest the names of satisfactory substitutes without the necessity of referring the matter abroad. The Department is, however, prepared on application to enquire of His Majesty's Representatives abroad for the names of suitable substitutes. When the applicant wishes this done by telegraph he is required to undertake to pay the cost of telegraphic correspondence. It would greatly facilitate the work of the Foreign Trade Department if applicants in making enquiries

would specify the particular trade or trades for which substitutes are required.

NOTE (5).—The Statutory List for each country is telegraphed, on the day of issue, to His Majesty's Representative in that country who is instructed to notify accordingly British Consular Officers, to whom persons abroad should apply for information as to names on the List. Persons and firms in the United Kingdom with agencies or branches abroad would, however, be well advised to furnish such agencies or branches with issues of the List as they appear. The Lists for all countries in Central or South America are also telegraphed to His Majesty's Ambassador at Washington, who transmits them to H.M. Consul-General at New York and to other centres in the United States likely to be interested.

DEFENCE OF THE REALM REGULATIONS.

TREASURY (SECURITIES) ORDER  
(No. 1).

Whereas the Treasury have power under Regulations 7c, 7d, and 7e of the Defence of the Realm Regulations (inserted in those regulations by an Order in Council dated the twenty-fourth day of January nineteen hundred and seventeen) to apply Regulation 7c to certain securities and to take possession or require delivery of the securities to which the regulation is for the time being applicable subject to and in accordance with the provisions of the regulation:

And whereas the Treasury are of opinion that for the purpose of strengthening the financial position of the country it is expedient that Regulation 7c should be applied to the securities specified in the schedule to this Order:

Now, therefore, in pursuance of their powers under the said regulations, and of all other powers enabling them in that behalf, the Treasury hereby order as follows:—

1. Regulation 7c is hereby applied to the securities specified in the First Schedule to this Order.

2.—(1) Any such securities shall be transferred to the Treasury on or before the seventeenth day of March 1917, and for that purpose—

(a) any person having possession of any such securities which pass by delivery shall on or before that date deliver the securities to the American Dollar Securities Committee at the National Debt Office, 19 Old Jewry, London, E.C.; and

(b) any person who is registered as the owner of any such securities which are transferable by deed, shall on or before that date lodge the necessary blank transfer with the Committee; and

(c) any person who is the owner of any such securities which are transferable otherwise than by delivery or deed shall, on or before that date, do all things necessary for transferring the securities into the name of the Committee or any person nominated by them for that purpose.

Any such person (in this Order referred to as the transferor) shall also deliver to the Treasury any documents of title relating to the securities which may be in his possession or at his disposal.

(2) Any owner of any securities mentioned in the First Schedule to this Order, and any person who has power to dispose of or sell any such securities, or has the custody of any such securities, or receives on his own behalf or on behalf of any other person the dividends or income of any such securities, or has any interest in any such securities, shall (if he is not the transferor) on or before the seventeenth day of March 1917, give to the American Dollar Securities Committee full particulars of the securities and of his position in relation thereto, delivering at the same time to the Committee any documents of title relating to the securities which may be in his possession or at his disposal, and comply with any directions given to him by the Committee for completing the transfer of the securities.

(3) The American Dollar Securities Committee

may, if they think fit, on the application of the owner of any securities which are not for the time being in the United Kingdom, arrange for the transfer of the securities to Messrs. J. P. Morgan & Co., at their New York office, and the transfer in accordance with this Order of the securities to Messrs. J. P. Morgan & Co., at their New York office, will, in such a case, for the purposes of this Order, be treated by the Treasury as the transfer of the securities to the Treasury.

3.—(1) Subject to the provisions of this Order the Treasury will, within seven days after any securities are transferred under this Order, pay compensation through the American Dollar Securities Committee for the securities at the rate mentioned in the second column of the First Schedule to this Order.

(2) The compensation money shall be paid to the transferor of the securities (whose receipt shall be a sufficient discharge), and the compensation money shall be subject to the same trusts, charges, liens, rights, and equities (if any) as the securities in respect of which it is paid.

(3) The transfer of securities under this Order to the Treasury includes the transfer of the right to receive all dividends or interest payable or paid on or after the seventeenth day of February 1917 (except where the rate of compensation is stated in the Schedule to this Order to be *ex* any particular dividend or interest); and any coupons representing any such interest or dividends, and all coupons for future interest or dividends, shall be surrendered on the transfer of the securities; and if any coupons are not so surrendered, the Treasury will deduct the amount of the coupons from the compensation money.

(4) Where securities transferred under this Order are held either on loan or contango, and the loan or contango is carried over under the scheme for providing Government assistance in dealing with account to account loans on the Stock Exchange, special arrangements will be made by the Treasury for postponing the payment of compensation until the securities cease to be subject to the scheme, and for the determination of the compensation as at the time when it becomes payable, and for payments to be made in the meantime in respect of the income of the securities.

(5) Where securities are not transferred to the Treasury within the required time, the Treasury will not be bound to give the compensation for which provision is made under this Order, but may give such compensation as they think just in the circumstances; Provided that any reduction of the compensation under this provision shall not prejudice the recovery of any penalty which may have been incurred.

The Treasury may also in such a case where all persons responsible for the transfer of the securities have, with proper diligence and expedition, done all that was in their power to procure the transfer of the securities, if they think fit, add to the compensation any sums which they think just as representing any loss of interest on the compensation money due to the postponed payment thereof.

4.—(1) Securities are excepted from the operation of this Order if it is proved to the satisfaction of the Treasury—

(a) that the securities come within the proviso to sub-section (1) of Regulation 7c, as set out in the Second Schedule to this Order; or

(b) that the securities have on or before the twenty-sixth day of January 1917 been tendered for deposit with the Treasury under any scheme for placing securities at the disposal of the Treasury in connection with the regulation of foreign exchanges; or

(c) that the securities are securities in respect of the income from which a person is entitled to relief from the additional tax imposed by section twenty-seven of the Finance Act, 1916, by virtue of paragraphs (e), (f), or (g) of sub-section (3) of that section as set out in the Second Schedule to this Order.

(2) Where the transferor of any securities claims that the securities are, by virtue of this provision, excepted from the operation of this Order, he shall, on or before the tenth day of March 1917, give notice to the American Dollar Securities Committee, stating particulars of the grounds on which his claim is based; and if on adjudication his claim is not sustained, this Order shall take effect as respects those securities as if the seventh day after the date of adjudication (if that day is later than the seventeenth day of March) were substituted for the seventeenth day of March 1917.

5. The owner of any securities to which Regulation 7c of the Defence of the Realm Regulations is for the time being applicable (including any person who has power to dispose of or sell the securities, or has the custody of, or receives on his own behalf, or on behalf of any other person, the dividends or income from, the securities), and any person who has any interest in any such securities or is the registrar of any such securities, is under that regulation bound to take all steps and do anything which is necessary or is directed by the Treasury for the purpose of or in connection with the delivery or transfer of those securities to the Treasury; and if he acts in contravention of, or fails to comply with, that provision, he is guilty of a summary offence against those regulations.

6. The Treasury reserves to itself power to decline the transfer of any securities of which they have power to take possession in pursuance of this Order, and in that case no person shall be subject to a penalty for not complying with the provisions of this Order as to the transfer of the securities.

Admiralty, 16th February 1917.

The KING has been graciously pleased to give orders for the appointment of the under-mentioned officers to be Companions of the Distinguished Service Order:—

- Capt. Harry Hesketh Smyth, R.N.
- Lieut.-Cdr. Malcolm Raphael Joseph Maxwell-Scott, R.N.
- Lieut. Matthew Armstrong, R.N.R.
- Flight Lieut. Stanley James Goble, D.S.C., R.N.A.S.

For conspicuous bravery and skill in attacking hostile aircraft on numerous occasions.

On 7th November 1916, he attacked an

enemy scout and chased it down to 1500 feet, when it was seen to land, crash into a fence, and turn over in a field.

On 27th November 1916, he attacked four hostile scouts, one of which he brought down in flames.

On 4th December 1916, on six different occasions during the same flight he attacked and drove off hostile aircraft, which threatened the bombing machines, which he was escorting, one of the hostile machines going down completely out of control.

The KING has also been graciously pleased to approve of the award of the Distinguished Service Cross to the following Officers:—

Lieut. John Lawrie, R.N.R.

Lieut. Cedric Naylor, R.N.R.

Act. Lieut. Philip James Hogg, R.N.R.

Ch. Gnr. (T.) Richard Hawkes, R.N.

Flight Cdr. William Geoffrey Moore, R.N.A.S.

In recognition of the excellent work which he has done in East Africa, and especially on the 10th January 1917, when he flew a distance of 300 miles from Ubena to Mahenje. He obtained important results in bombing flights.

Flight Lieut. Lionel Conrad Shoppee, R.N.A.S.

For conspicuous gallantry and enterprise during a bomb attack by aircraft on an important enemy railway bridge. A subsequent reconnaissance showed that the whole of the centre section of the bridge had collapsed into the river, thereby interrupting important enemy railway communications.

Flight Lieut. Edward Rochfort Grange, R.N.A.S.

For conspicuous gallantry and skill on several occasions in successfully attacking and bringing down hostile machines, particularly on the 4th January 1917, when during one flight he had three separate engagements with hostile machines, all of which were driven down out of control.

On the 5th January 1917, he attacked three hostile machines, one of which was driven down in a nose-dive.

On the 7th January 1917, after having driven down one hostile machine, he observed two other enemy aircraft attacking one of our scouts. He was on the way to its assistance when he was attacked by a third hostile scout. He was hit in the shoulder by a bullet from this machine, but landed his aeroplane safely in an aerodrome on our side of the lines.

Flight Sub-Lieut. Robert Alexander Little, R.N.A.S.

For conspicuous bravery in successfully attacking and bringing down hostile machines on several occasions. On 11th November 1916 he attacked and brought down a hostile machine in flames. On 12th December 1916 he attacked a German machine at a range of 50 yards; this machine was brought down in a nose-dive. On 20th December 1916, he dived at a hostile machine, and opened fire at 25 yards range; the observer was seen to fall down inside the machine, which went down in a spinning nose-dive. On 1st January 1917 he attacked an enemy scout, which turned over on its back and came down completely out of control.

The KING has further been graciously pleased to approve of the award to the undermentioned officer of a Bar to his Distinguished Service Cross:—

Flight Lieut. Daniel Murray Boyne Galbraith, D.S.C., R.N.A.S.

For conspicuous gallantry. On 23rd November 1916, he attacked single-handed a formation of six hostile aircraft, no other allied machines being in the vicinity. One hostile machine was shot down, a second was driven down under control, and the remaining four machines then gave up the fight and landed.

In several other combats in the air Flight Lieutenant Galbraith has displayed exceptional gallantry, particularly on 10th and 16th November 1916, on each of which days he successfully engaged and shot down an enemy machine.

(The award of the Distinguished Service Cross was announced in the Gazette of the 25th October 1916.)
