NOTE (1).—All persons or firms resident, carrying on business or being in the United Kingdom are prohibited from having any dealings with any of the persons or firms mentioned in this List, or in any List issued under the Trading with the Enemy (Statutory List) Proclamation, 1916, No. 3. A List consolidating all previous Lists was published on the 16th February 1917 (The Consolidating List No. 19a), which together with List No. 20 of the 2nd March 1917 and the List herewith annexed contains all the names which up to this date are included in the Statutory List.

Additions to and variations in these Lists will be published at intervals approximately of two weeks.

The Lists are published in the London Gazette and reproduced in the Board of Trade Journal, and separate copies of all Lists may be obtained at a small cost from the Superintendent of Publications, His Majesty's Stationery Office, Imperial House, Kingsway, W.C.

NOTE (2).—Where a person or firm mentioned in the List has more than one address

in the same country, all dealings in that country with such person or firm are prohibited, even in cases where one only of the addresses is specifically mentioned.

*NOTE (3).—Trading is prohibited under the Trading with the Enemy Proclamations of 25th June and 10th November 1915 with any person or firm of enemy nationality resident or carrying on business in China, Siam, Persia, Morocco, Liberia or Portuguese East Africa. Persons or firms in the United Kingdom are therefore prohibited from trading with any person or firm of enemy nationality in any of those countries, even though such person or firm is not mentioned by name in the Statutory List.

NOTE (4).—In order to minimise as far as possible any inconvenience which may be caused to British traders by the dislocation of export trade owing to the inclusion in the Statutory List of a former connection, the Foreign Trade Department is collecting and classifying the names of non-enemy firms who may be able to act as substitutes for firms mentioned in the Statutory List. A considerable amount of information is already available at the Foreign Trade Department, and it is in many cases possible to suggest the names of satisfactory substitutes without the necessity of referring the matter abroad. The Department is, however, prepared on application to inquire of His Majesty's Representatives abroad for the names of suitable substitutes. When the applicant wishes this done by telegraph he is required to undertake to pay the cost of telegraphic correspondence. It would greatly facilitate the work of the Foreign Trade Department if applicants in making inquiries would specify the particular trade or trades for which substitutes are required.

NOTE (5).—The Statutory List for each country is telegraphed, on the day of issue, to His Majesty's Representative in that country who is instructed to notify accordingly British Consular Officers, to whom persons abroad should apply for information as to names on the List. Persons and firms in the United Kingdom with agencies or branches abroad would, however, be well advised to furnish such agencies or branches with issues of the List as they appear. The Lists for all countries in Central or South America are also telegraphed to His Majesty's Ambassador at Washington, who transmits them to H.M. Consul-General at New York and to other centres in the United States likely to be interested.

His Majesty the KING has been graciously pleased to approve of the award of the Victoria Cross to the undermentioned Officer and Non-Commissioned Officers of the 1st Battalion, Lancashire Fusiliers, in recognition of most conspicuous bravery displayed:—

Capt. (temp. Maj.) Cuthbert Bromley (since drowned).

No. 1506 Sgt. Frank Edward Stubbs (since died of wounds).

On the 25th April 1915, headquarters and three companies of the 1st Battalion, Lancashire Fusiliers, in effecting a landing on the Gallipoli Peninsula to the West of Cape Helles, were met by very deadly fire from hidden machine guns, which caused a great number of casualties. The survivors, however, rushed up to and cut the wire entanglements, notwithstanding the terrific fire from the enemy, and after overcoming supreme difficulties, the cliffs were gained and the position maintained.

Amongst the many very gallant officers and men engaged in this most hazardous undertaking, Captain Bromley, Serjeant Stubbs, and Corporal Grimshaw have been selected by their comrades as having performed the most signal acts of bravery and devotion to duty.

The above awards of the Victoria Cross are to be read in conjunction with those conferred on

the undermentioned for most conspicuous bravery on the same occasion :
