SECOND SCHEDULE.

PROVISIONS UNDER WHICH SECURITIES MAY BE EXCEPTED.

1. *Proviso to Subsection (1) of Regulation 7c.*

Provided that no such order shall apply to any securities as to which the Treasury are satisfied that on the twenty-fourth day of January, nineteen hundred and seventeen, they were beneficially owned by a person not ordinarily resident in the United Kingdom and that they remain so owned.

2. *Paragraphs (e) (f) and (g) of Subsection (3) of Section 27 of the Finance Act, 1916.*

27.—(3) A person shall be entitled to relief from the additional duty imposed by this section—

(e) in respect of income derived from any such securities held, in any country outside the United Kingdom, by persons who are not domiciled in the United Kingdom, or by trustees who are prevented by the laws of such other country or by the terms of their trust from placing the securities at the disposal of the Treasury, and are not entitled to the benefit of any indemnity conferred by Act of Parliament in respect of the contravention of those terms, if the securities were

so held before the twenty-ninth day of May, nineteen hundred and sixteen; or where such securities are under the jurisdiction of a court in such other country, and it would be contrary to the laws of such other country to place such securities at the disposal of the Treasury; and

(f) in respect of income derived from any such securities which are deposited with persons outside the United Kingdom as a security for a loan from those persons, or have otherwise been made security for a loan from persons outside the United Kingdom, if they were so deposited or made security before the twenty-ninth day of May nineteen hundred and sixteen, or after that date with the approval of the Treasury, and if the Treasury are satisfied that the securities cannot be released without impairing the security for the loan; and

(g) in respect of income derived from any such securities which are proved to the Special Commissioners to be held by any company or persons concerned in the trade or business in any country outside the United Kingdom as a condition (imposed in that country) of carrying on that trade or business.
