NOTE (1).—All persons or firms resident, carrying on business or being in the United Kingdom are prohibited from having, with any person or firm mentioned in this List, or in any List issued under the Trading with the Enemy (Statutory List) Proclamation, 1916, No. 3, any dealings other than such as are expressly authorised by paragraph 5 of the Proclamation. A List (the Consolidating List, No. 33A) consolidating all previous Lists was published on the 17th August 1917, and which, together with List No. 34, of 31st August 1917, and the List herewith annexed, contains all the names which up to this date are included in the Statutory List.

Additions to and variations in these Lists will be published at intervals approximately of two weeks.

The Lists are published in the London Gazette and reproduced in the Board of Trade Journal, and separate copies of all Lists may be obtained at a small cost from the Superintendent of Publications, His Majesty's Stationery Office, Imperial House, Kingsway, W.C.

NOTE (2).—Where a person or firm mentioned in the List has more than one address in the country, or group of countries under which the name of the person or firm appears, all dealings in that country, or in any country in the group, with such person or firm are prohibited, even in cases where one only of the addresses or one only of the countries is specifically mentioned.

NOTE (3).—Trading is prohibited under the Trading with the Enemy Proclamations of 25th June and 10th November 1915 with any person or firm of enemy nationality resident or carrying on business in China, Siam, Persia, Morocco, Liberia or Portuguese East Africa. Persons or firms in the United Kingdom are therefore prohibited from trading with any person or firm of enemy nationality in any of those countries, even though such person or firm is not mentioned by name in the Statutory List.

NOTE (4).—In order to minimise as far as possible any inconvenience which may be caused to British traders by the dislocation of export trade owing to the inclusion in the Statutory List of a former connection, the Foreign Trade Department is collecting and classifying the names of non-enemy firms who may be able to act as substitutes for firms mentioned in the Statutory List. A considerable amount of information is already available at the Foreign Trade Department, and it is in many cases possible to suggest the names of satisfactory substitutes without the necessity of referring the matter abroad. The Department is, however, prepared on application to inquire of His Majesty's Representatives abroad for the names of suitable substitutes. When the applicant wishes this done by telegraph he is required to undertake to pay the cost of telegraphic correspondence. It would greatly facilitate the work of the Foreign Trade Department, if applicants in making inquiries would specify the particular trade or trades for which substitutes are required.

NOTE (5).—The Statutory List for each country is telegraphed, on the day of issue, to His Majesty's Representative in that country, who is instructed to notify accordingly British Consular Officers, to whom persons abroad should apply for information as to names on the List. Persons and firms in the United Kingdom with agencies or branches abroad would, however, be well advised to furnish such agencies or branches with issues of the List as they appear. The Lists for all countries in Central or South America are also telegraphed to His Majesty's Ambassador at Washington, who transmits them to H.M. Consul-General at New York and to other centres in the United States likely to be interested.

NOTE (6).—It is not unusual for firms in Holland and the Netherland East Indies to be registered under names commencing with descriptive terms such as "Handel Maatschappij" (Trading Company) or "Naamlooze Venootschap" (Limited Liability Company). In such cases it has been found more convenient to publish the

firm under its proper name followed by the general descriptive term "Handel Maatschappy" or "Naamlooze Venootschap" (N.V.) as in the case of an English company. For instance, Handel Maatschappy van den Berg & Company, and Naamlooze Venootschap de Komeet v/h Dumonceau Frères will be found under "Berg" and "Komeet" respectively, and not under "Handel" or "Naamlooze."

#### THE WHOLESALE COAL PRICES ORDER, 1917.

In exercise of the powers conferred upon them by Regulations 2 (F) to 2 (JJ) of the Defence of the Realm Regulations and of all other powers enabling them in that behalf the Board of Trade hereby order as follows:—

1. The price at which a factor or merchant may sell coal in railway wagon or barge load or cargo to a consumer or to a retail coal merchant for re-sale by him from depot or wharf or railway siding by retail to consumers or to hawkers or small dealers, shall, except as hereunder provided, not exceed the pit price chargeable by the owner of the mine at which the coal was produced, or in the case of washed fuel, the price chargeable for the fuel at the washery by the owner of the fuel by whom or on whose behalf it was washed, in addition to the actual cost of transport (in which cost no charge shall be made by the seller of the coal in respect of office expenses, salaries or other overhead charges or loss in handling) by more than the following amounts:—

(a) Coal purchased by railway companies in Great Britain for consumption on locomotives, 3d. per ton.

(b) Coal purchased by railway companies in Great Britain for other purposes, 6d. per ton.

(c) Coal consumed in national factories, 6d. per ton.

(d) Coal consumed in gas and electric supply undertakings in Great Britain, 9d. per ton.

(e) Coal sold to retail merchants in Great Britain for re-sale by them from depot or

wharf or railway siding by retail to consumers or to hawkers and small dealers, 1s. per ton.

(f) All other coal, including all coal sold for consumption in Ireland, 1s. 3d. per ton, except that where coal sold direct to a consumer not having rail or wharf accommodation, who makes his own cartage arrangements, is delivered in railway wagon by the factor or merchant in quantities less than 30 tons, the amount chargeable in addition to the price at pit or washery and the transport charges as above defined shall be 2s. per ton unless the consumer has ordered not less than 500 tons of the coal in question for delivery over the following twelve months. Provided that:—

(i) Where coal is dealt with by more than one factor or merchant before reaching the consumer or retail merchant, the above amounts of 3d., 6d., 9d., 1s., 1s. 3d., or 2s. per ton respectively shall be divisible between the different factors and merchants, and each seller, except in the case of the final sale to the consumer or retail merchant, shall at the time of the sale inform the purchaser how much of the above amounts is included in the price, in order that the maximum price may not be exceeded.

(ii) In the case of washed fuel, where loss of weight in transit is borne by the factor or merchant, a charge may be made by the factor or merchant in respect of such loss by way of addition to the price per ton at which the fuel is sold to the consumer, not exceeding in any case 2 per cent. of such price.

(iii) Where the seller himself provides water transport, otherwise than by the charter of a ship subsequent to the date of this Order, the transport charges shall not exceed the rate current at the date of this Order.

(iv) Where payment is not made by the consumer or retail merchant before the date on which payment is due to the original owner of the coal or within 30 days of delivery of the coal, whichever is the later, the factor or wholesale merchant may make a reasonable charge in respect of credit to the consumer or retail merchant.

Provided also that the maximum charges specified in this article, including the transport charges, may be increased or reduced by the Board of Trade, either

(a) generally, or

(b) as respects any particular class of business, or

(c) as respects the business of any individual factor, merchant or consumer, or

(d) as respects any individual contract or sale.

2. All contracts for the purchase or sale of coal in the United Kingdom under which deliveries were being made or were due prior to the 10th September 1917 are hereby abrogated, provided that notwithstanding such abrogation the seller shall, subject to any instructions which have been or may be given by or on behalf of the Controller of Coal Mines under the Coal Transport Order, 1917, or otherwise, continue to deliver to the purchaser, and the purchaser shall continue to receive, the coal during the period of the currency of the contract, and under the conditions and at the rates specified thereunder, unless otherwise agreed by both parties, and the price charged as from the 10th September shall not exceed the price chargeable under the contract in accordance with the provisions of the Price of Coal

(Limitation) Act, and of this Order; provided also that in no case shall the price be increased without the consent of the Controller of Coal Mines for the time being appointed by the Board of Trade hereinafter referred to as the Controller.

Any party to such contract may apply to the Controller for the variation of or relief against any term or condition of such contract, and such application shall be heard and determined by the Controller in the same manner as any question may be determined under Article 6 of this Order, and that article shall apply accordingly.

3. If, in consequence of the provisions of Article 2 hereof, the price to be paid by any person to whom coal is delivered is reduced by any amount, the price to be paid by any person to whom the coal is delivered in pursuance of any subsidiary contract shall be reduced by an equivalent amount unless the Controller otherwise orders.

4. This Order shall not apply to any sale of coal for export or any sale of coal for the manufacture of patent fuel for export or any sale of coal to be used on any ship.

5. No person shall sell or buy or offer to sell or buy any coal at a price exceeding the maximum price hereby fixed.

6. Where any dispute or difference arises between two or more factors or merchants as to the division of the amount referred to in subparagraph (i) of Article 1 of this Order, such dispute or difference shall be referred to the Controller.

The Controller on such reference shall consider the cases of the respective parties and take their evidence in such manner as he shall deem most convenient, but shall give each party an opportunity of knowing and answering his opponent's case.

If the Controller deems it desirable to hear the parties *viva voce*, he may appoint a person to hear the evidence and arguments and report to him. The decision of the Controller shall be final and binding on all parties to the reference, and the Arbitration Act, 1889, shall not apply thereto.

7. If any person acts in contravention of this Order, or aids or abets any other person in doing anything in contravention of this Order, that person is guilty of a summary offence against the Defence of the Realm Regulations, and if such person is a corporation or company every director and officer of the corporation or company is guilty of the like offence, unless he proves that the contravention took place without his knowledge or consent.

8. The Controller shall be responsible to, and is hereby authorised by, the Board of Trade to take all measures that are needed to give effect to this Order.

He may suspend from time to time and for any period, and in any district or part of a district the operation of all or any of the articles of this Order or parts thereof as he thinks fit, and may restore such operation.

He may make such rules and issue such instructions under this Order as may be necessary to give effect to its provisions, and such rules and instructions shall be deemed to be part of this Order, and shall have the same effect as if they had been included in this Order.

9. (a) This Order may be cited as the Wholesale Coal Prices Order, 1917.

(b) This Order shall take effect as from the 10th day of September 1917.

Signed on behalf of the Board of Trade this 5th day of September 1917.

W. F. MARWOOD,  
A Secretary to the Board of Trade.

#### THE RETAIL COAL PRICES ORDER, 1917.

Dated the 11th day of September 1917, made by the Board of Trade.

In exercise of the powers conferred upon them by Regulations 2 (F) to 2 (JJ) of the Defence of the Realm Regulations and of all other powers enabling them in that behalf the Board of Trade hereby order as follows:—

1. The price at which coal delivered by road vehicle from a depôt or wharf or railway siding in lots of 1 ton or over may be sold shall, subject to the provisions of Article 13 of this Order, not exceed by more than 1s. per ton the price of the coal delivered at the depôt or wharf or railway siding in addition to the actual cost of handling and delivery, such cost to include depôt and office expenses, but not interest charges or salaries to owners, partners or directors of the business; provided that:—

- (i) Where a merchant sells under the same description and at the same price coals of which the prices delivered at the depôt or wharf or railway siding are different, the price under this article shall not exceed the average price delivered at the depôt or wharf or railway siding of the whole of the coal in question with the additions herein or hereinafter mentioned.
- (ii) Where a coal merchant deals in articles other than coal in the course of his business charges common to the sale of coal and other parts of the business are to be fairly apportioned in determining working costs for the purpose of this article.
- (iii) The exclusion of salaries to owners, partners, or directors from working costs shall not apply to reasonable remuneration to such owners, partners, or directors in respect of manual labour or clerical work performed by them.

2. The price of coal sold or delivered in smaller lots than 1 ton from a road vehicle shall not exceed by more than 2s. per ton the maximum selling price in the same district for sales of the same description of coal in lots of 1 ton or over from road vehicles as prescribed by Article 1 of this Order.

3. The price of coal delivered from a depôt, wharf or railway siding to dealers' shops shall be less than the prices provided in Article 1 of this Order by 6d. per ton or such other amount as may be approved by the local authority.

4. The price of coal sold at depôts or wharves or railway sidings to hawkers and dealers in quantities less than 8 tons shall be less than the prices provided in Article 1 of this Order by 3s. per ton or such other amount as may be approved by the local authority.

5. The price of coal sold in quantities of 2 cwt. or less at dealers' shops shall not exceed by more than 1d. per cwt. the maximum selling price in

the same district for similar quantities sold from road vehicles as authorised by Article 2 of this Order.

6. The prices for quantities of coal less than 1 cwt. shall be at the same rate to the nearest farthing as the price per cwt. Fractions of a farthing to be charged as a farthing.

8. The foregoing maximum prices are for cash on delivery and if credit be taken a reasonable charge may be made therefor; provided that such charge shall not exceed such amount as may be approved by the local authority.

9. It shall be the duty of all Coal Merchants to supply the local authority, as defined herein, for the district or districts in which their places of business are situated or in which coal is sold or delivered by them with such information as may be required by the local authority for the purpose of ascertaining whether the retail prices of house coal sold in bulk or in small quantities in their area comply with the requirements of this Order.

10. (a) Every local authority, as defined herein, shall, after consultation with the coal merchants in their area, publish in the local press and in such other manner as may appear to the local authority to be desirable lists showing the prices chargeable under this Order for the various classes of coal sold in the district for household purposes.

(b) The local authority may by publication in the manner prescribed herein withdraw or vary any or all of the prices published by them under this Article.

11. The local authority may appoint a committee consisting of members of the local authority and may delegate subject to such conditions as they may think fit to such committee all or any of their functions under this Order.

12. For the purposes of this Order the term "local authority" means:—

In Ireland the Council of every County Borough, Borough and Urban District, the Town Commissioners of every Town not being an Urban District, and the Council of every Rural District.

13. The publication of retail prices of house coal by a local authority in the manner prescribed by Article 10 of the Order shall, so long as the prices are not withdrawn or varied as provided therein, be conclusive evidence that such prices comply with the provisions of this Order.

14. (a) No person in charge of a vehicle offering for sale coal in quantities not exceeding two hundredweights in such vehicle shall sell or offer for sale such coal unless there shall be affixed on prominent and conspicuous parts of such vehicle so as to be visible on both sides thereof, metal tablets on which shall be clearly marked in a permanent manner in a figure or figures of at least 3 inches in length the price per hundredweight at which the coal is offered for sale, and such persons

shall not alter, deface, or remove or exchange such figure or figures, except at the place of loading or at the office of his employer.

(b) No person in charge of a vehicle to which is affixed a metal tablet as aforesaid, shall, on a sale of any such coal, charge to the purchaser any price greater than that marked on the said metal tablet.

Provided that this Article shall not apply to the area of any County Council in Scotland or of any Rural District Council in England or Wales or Ireland except as regards any part of the area to which the local authority may, with the approval of the Controller of Coal Mines, by order apply it.

15. (a) No person being the owner or occupier or in charge of a shop or premises where coal is sold or kept or exposed for sale in quantities not exceeding 2 cwt. shall sell or offer for sale such coal unless there shall be exhibited in some conspicuous place in the shop or premises where coal is sold or kept or exposed for sale a notice on which shall be clearly printed in figures at least one and three-eighths of an inch in length and half an inch in width the price per 112 lbs., 56 lbs., 28 lbs., 14 lbs. and 7 lbs. at which coal is offered for sale and no person shall alter, deface, or remove such notice except at the commencement of each day upon which such shop or premises shall be open for the sale of coal.

16. No person shall sell or buy or offer to sell or buy by retail coal of any description (a) at a price exceeding the permitted maximum price on the occasion of such a sale of coal of the same description, or (b) under other descriptions than those specified in the lists of prices published by the local authority as provided in Article 10 of this Order.

17. If any person acts in contravention of this Order or aids or abets any other person in doing anything in contravention of this Order that person is guilty of a summary offence against the Defence of the Realm Regulations, and if such person is a corporation or company every director and officer of the corporation or company is guilty of the like offence unless he proves that the contravention took place without his knowledge or consent.

18. Articles 1 to 13 of this Order shall not apply to such part of the area of any local authority as is for the time being subject to the provisions of the Household Coal Distribution Order, 1917, made by the Board of Trade on the 10th August 1917.

HONOURS FOR THE ROYAL NAVAL AIR SERVICE.

The KING has been graciously pleased to approve of the award of a Bar to the Distinguished Service Order to the undermentioned Officer:—

Flt. Lieut. (Act. Flt. Cdr.) Robert Alexander  
 Little, D.S.O., D.S.C., R.N.A.S.

For exceptional gallantry and skill in aerial  
 fighting.

On 16th July 1917 he observed two  
 Aviatiks flying low over the lines. He dived  
 on the nearest one, firing a long burst at very  
 close range. The enemy machine dived straight  
 away, and Flt. Lieut. Little followed him  
 closely down to 500 ft., the enemy machine  
 falling out of control.

On 20th July 1917 he attacked a D.F.W.  
 After a short fight, the enemy machine dived  
 vertically. Its tail plane seemed to crumple  
 up, and it was completely wrecked.

On 22nd July 1917 he attacked a D.F.W.  
 Aviatik, and brought it down completely out  
 of control.

On 27th July 1917, in company with another  
 pilot, he attacked an Aviatik. After each had  
 fired about twenty rounds, the enemy machine  
 began to spin downwards. Flt. Lieut. Little

got close to it, and observed both the occupants lying back in the cock-pits, as if dead. The machine fell behind the enemy's lines, and was wrecked.

Flt. Lieut. Little has shown remarkable courage and boldness in attacking enemy machines.

*To receive the Distinguished Service Cross.*

Flt. Lieut. (Act. Flt. Cdr.) Robert Jope Slade  
R.N.A.S.

For his services during a bombing raid on Snelleghem Aerodrome on the 5th August 1917.

He was attacked by an enemy machine when leaving the target. After firing about thirty rounds, the hostile machine appeared to lose control and suddenly dived without regaining it.

Flt. Lieut. (Act. Flt. Cdr.) William Melville  
Alexander, R.N.A.S.

On 16th August 1917 he attacked at about 3000 feet two hostile scouts, one of which, after a short combat, fell completely out of control.

On 20th August 1917, while returning from patrol, he observed three enemy scouts. These he pursued until they turned to fight. One of the scouts he shot down completely out of control, and the remaining two dived away.

On 21st August 1917, while on an offensive patrol, he attacked and drove down completely out of control an enemy scout which was attacking another member of his patrol.

Flt. Lieut. Alexander has at all times shown the greatest bravery and determination.

Flt. Sub-Lieut. Charles Philip Oldfield Bartlett,

*War Office,  
14th September 1917.*

His Majesty the KING has been graciously pleased to approve of the award of a Bar to the Victoria Cross to Capt. Noel Godfrey Chavasse, V.C., M.C., late R.A.M.C., attd. L'pool R.

For most conspicuous bravery and devotion to duty when in action.

Though severely wounded early in the action whilst carrying a wounded soldier to the Dressing Station, Capt. Chavasse refused to leave his post, and for two days not only continued to perform his duties, but in addition went out repeatedly under heavy fire to search for and attend to the wounded who were lying out.

During these searches, although practically without food during this period, worn with fatigue and faint with his wound, he assisted to carry in a number of badly wounded men, over heavy and difficult ground.

By his extraordinary energy and inspiring example, he was instrumental in rescuing many wounded who would have otherwise undoubtedly succumbed under the bad weather conditions.

This devoted and gallant officer subsequently died of his wounds.

His Majesty the KING has been graciously pleased to approve of the award of the Victoria Cross to the under-mentioned Officers, Non-Commissioned Officers, and Men:—

Lt.-Col. (T./Brig.-Gen.) Clifford Coffin, D.S.O., R.E.

For most conspicuous bravery and devotion to duty.

When his command was held up in attack owing to heavy machine gun and rifle fire from front and right flank, and was establishing itself in a forward shell-hole line, he went forward and made an inspection of his front posts.

Though under the heaviest fire from both machine guns and rifles, and in full view of the enemy, he showed an utter disregard of personal danger, walking quietly from shell hole to shell hole, giving advice generally, and cheering the men by his presence.

His very gallant conduct had the greatest effect on all ranks, and it was largely owing to his personal courage and example that the shell-hole line was held in spite of the very heaviest fire.

Throughout the day his calm courage and cheerfulness exercised the greatest influence over all with whom he came in contact, and it is generally agreed that Brigadier-General Coffin's splendid example saved the situation, and had it not been for his action the line would certainly have been driven back.

Lt. John Reginald Noble Graham, Arg. & Suth'd Highrs., attd. M.G.C.

For most conspicuous bravery, coolness and resource when in command of a Machine Gun Section.

Lt. Graham accompanied his guns across open ground, under very heavy rifle and machine gun fire, and when his men became casualties he assisted in carrying the ammunition.

Although twice wounded he continued during the advance to control his guns and was able, with one gun, to open an accurate fire on the enemy, who were massing for a counter-attack. This gun was put out of action by the enemy's rifle fire, and he was again wounded. The advancing enemy forced him to retire, but before doing so he further disabled his gun, rendering it useless.

He then brought a Lewis gun into action with excellent effect till all the ammunition was expended. He was again severely wounded, and forced through loss of blood to retire.

His valour and skilful handling of his guns held up a strong counter-attack which threatened to roll up the left flank of the Brigade, and thus averted what might have been a very critical situation.

2nd Lt. Denis George Wyldbore Hewitt, late Hamps. R.

For most conspicuous bravery and devotion to duty when in command of a Company in attack.

When his first objective had been captured he re-organised the Company and moved forward towards his objective. While waiting for the barrage to lift he was hit by a piece of shell,

which exploded the signal lights in his haversack and set fire to his equipment and clothes. Having extinguished the flames, in spite of his wound and the severe pain he was suffering, he led forward the remains of the Company under very heavy machine gun fire, and captured and consolidated his objective. He was subsequently killed by a sniper while inspecting the consolidation and encouraging his men.

This gallant Officer set a magnificent example of coolness and contempt of danger to the whole Battalion, and it was due to his splendid leading that the final objective of his Battalion was gained.

No. R.2794 Sjt. Edward Cooper, K.R.R.C. (Stockton).

For most conspicuous bravery and initiative in attack. Enemy machine guns from a concrete blockhouse, 250 yards away, were holding up the advance of the battalion on his left, and were also causing heavy casualties to his own battalion. Sjt. Cooper, with four men, immediately rushed towards the blockhouse, though heavily fired on. About 100 yards distant he ordered his men to lie down and fire at the blockhouse. Finding this did not silence the machine guns, he immediately rushed forward straight at them and fired his revolver into an opening in the blockhouse. The machine guns ceased firing and the garrison surrendered. Seven machine guns and forty-five prisoners were captured in this blockhouse.

By this magnificent act of courage he undoubtedly saved what might have been a serious check to the whole advance, at the same time saving a great number of lives.

No. 265473 Sjt. Alexander Edwards, Sea. Highrs. (Lossiemouth).

For most conspicuous bravery in attack, when, having located a hostile machine gun in a wood, he, with great dash and courage, led some men against it, killed all the team and captured the gun.

Later, when a sniper was causing casualties, he crawled out to stalk him, and although badly wounded in the arm, went on and killed him.

One officer only was now left with the company, and, realising that the success of the operation depended on the capture of the furthest objective, Sjt. Edwards, regardless of his wound, led his men on till this objective was captured.

He subsequently showed great skill in consolidating his position, and very great daring in personal reconnaissance.

Although again twice wounded on the following day, this very gallant N.C.O. maintained throughout a complete disregard for personal safety, and his high example of coolness and determination engendered a fine fighting spirit in his men.

No. 13531 Sjt. (actg. C.Q.M.S.) William H. Grimbaldeston, K.O. Sco. Bord. (Blackburn).

For most conspicuous bravery in attack.

Noticing that the unit on his left was held up by enemy machine gun fire from a blockhouse, though wounded, he collected a small party to fire rifle grenades on this blockhouse. He then got a volunteer to assist him with rifle fire. In spite of very heavy fire from the blockhouse he pushed on towards it, and made for the entrance, from which he threatened with a hand grenade the machine gun teams inside the blockhouse.

These he forced to surrender one after another. The extraordinary courage and boldness of C.Q.M.S. Grimbaldeston resulted in his capturing thirty-six prisoners, six machine guns and one trench mortar, and enabled the whole line to continue its advance.

No. 20002 Sjt. Ivor Rees, S. Wales Bord. (Llanelly).

For most conspicuous bravery in attack.

A hostile machine gun opened fire at close range, inflicting many casualties. Leading his platoon forward by short rushes, Sjt. Rees gradually worked his way round the right flank to the rear of the gun position. When he was about twenty yards from the machine gun he rushed forward towards the team, shot one, and bayoneted another. He then bombed the large concrete emplacement, killing five and capturing thirty prisoners, of whom two were officers, in addition to an undamaged machine gun.

No. 6895 Sjt. (Actg. C.S./M.) John Skinner, K.O. Sco. Bord. (Pollokshields, Glasgow.)

For most conspicuous bravery and good leading.

Whilst his company was attacking, machine gun fire opened on the left flank, delaying the advance. Although C.S./M. Skinner was wounded in the head, he collected six men, and with great courage and determination worked round the left flank of three blockhouses from which the machine gun fire was coming, and succeeded in bombing and taking the first blockhouse single-handed; then, leading his six men towards the other two blockhouses, he skilfully cleared them, taking sixty prisoners, three machine guns, and two trench mortars. The dash and gallantry displayed by this warrant officer enabled the objective to be reached and consolidated.

No. 200717 Cpl. (L/Sjt.) Tom Fletcher Mayson, R. Lanc. R. (Silecourt, Cumberland).

For most conspicuous bravery and devotion to duty when with the leading wave of the attack his platoon was held up by machine gun fire from a flank.

Without waiting for orders, L/Sjt. Mayson at once made for the gun, which he put out of action with bombs, wounding four of the team. The remaining three of the team fled, pursued by L/Sjt. Mayson to a dugout into which he followed them, and disposed of them with his bayonet.

Later, when clearing up a strong point, this non-commissioned officer again tackled a machine gun single-handed, killing six of the team.

Finally, during an enemy counter-attack, he took charge of an isolated post, and successfully held it till ordered to withdraw as his ammunition was exhausted.

He displayed throughout the most remarkable valour and initiative.

No. 13303 Pte. Wilfrid Edwards, K.O. York. L.I. (Leeds).

For most conspicuous bravery when under heavy machine gun and rifle fire from a strong concrete fort.

Having lost all his company officers, without hesitation he dashed forward at great personal risk, bombed through the loopholes, surmounted the fort, and waved to his company to advance. By his splendid example he saved a most critical situation at a time when the whole battalion was held up and a leader urgently needed. Three officers and thirty other ranks were taken prisoner by him in the fort.

Later, Pte. Edwards did most valuable work as a runner, and he eventually guided most of the battalion out through very difficult ground.

Throughout he set a splendid personal example to all, and was utterly regardless of danger.

No. 15805 Pte. Arnold Loosemore, W. Rid. R. (Sheffield).

For most conspicuous bravery and initiative during the attack on a strongly-held enemy position.

His platoon having been checked by heavy machine gun fire, he crawled through partially cut wire, dragging his Lewis gun with him, and single-handed dealt with a strong party of the enemy, killing about twenty of them, and thus covering the consolidation of the position taken up by his platoon.

Immediately afterwards his Lewis gun was blown up by a bomb, and three enemy rushed for him, but he shot them all with his revolver.

Later, he shot several enemy snipers, exposing himself to heavy fire each time.

On returning to the original post he also brought back a wounded comrade under heavy fire at the risk of his life. He displayed throughout an utter disregard of danger.
