HONOURS FOR MISCELLANEOUS SERVICES.

The KING has been graciously pleased to approve of the award of the following honours, decorations and medals to the undermentioned Officers and Men :—

To be Companions of the Distinguished Service Order.

Cdr. Philip Henry Trimmer, R.N.

In recognition of the good work and arduous service performed by him in command of the Rufigi River Transport Service between December 1916 and July 1917. He carried out the task of transporting motor-boats overland from Dar-es-Salaam to the river near Kibambawe in spite of almost insurmountable difficulties and often under shell fire. The presence of the motor-boats on the upper Rufigi River was of the very greatest assistance to the military operations.

Lieut.-Cdr. (Act. Cdr.) the Hon. Evelyn Arthur Grenville Gore-Langton, R.N.

Lieut.-Cdr. (Act. Cdr.) William Faulkner Pollard, R.D., R.N.R.

In recognition of their services in mine-sweeping operations abroad during the period June 1916 to June 1917.

To receive the Distinguished Service Cross.

Surgn. Alexander Frederick Richmond Wolleston, M.B., M.A., R.N.

For conspicuous devotion to duty and for his unflinching care of the sick and wounded during military operations in East Africa. During the operations in the Rufigi River Delta he voluntarily attended to the casualties of the Rufigi River transport service in addition to those of his own unit.

Capt. Walter George Arthur Shadwell, R.M.A.

For the courageous manner in which he behaved on the 28th November 1915. His prompt action and judgment saved his gun, and he was responsible for the removal of the wounded to safety, and for getting his gun and stores away so that they were able to bring them into action the following day. His conduct on this and other occasions showed the highest qualities of an officer.

Lieut. John Samuel James, R.N.R.

Skpr. Francis Joint Hulland, R.N.R. 1522S.A.

In recognition of their services in mine-sweeping operations abroad during the period June 1916 to June 1917.
