Specifications which do not come within the above Schedule may be negotiated at proportionate prices, but in such instances sellers must submit particulars to the Controller of Timber Supplies and obtain his approval thereto.

Timber in the round may also be sold and converted for buyers' account, the cost of sawing being charged separately at current local rates, provided that the aggregate price for log and sawing shall not exceed the prices set out in this Schedule, based on the measurement of the converted timber obtained.

Town Saw Mills and Town Retailers are permitted to increase the prices for converted hardwoods up to 20 per cent., such increased prices to cover cost of conveyance of log to town mills or town yards, and delivery of converted material from mills or yards free on rail or barge or within the usual cartage radius.

Certified Port or City Mills are permitted to sell any entire log, butt, or length purchased under Schedule B, and converted for buyers' account at an increased price not exceeding 10 per cent. above the price paid free on rail or barge under Schedule B. In addition the cost of rail or barge transport and delivery to mill, and cost of sawing at current local rates may be charged extra and shall be shown separately on the invoice.
